Basics of Philosophy
Aesthetics has traditionally been part of philosophical pursuits like epistemology or ethics, but it started to come into its own and become a more independent pursuit under Immanuel Kant, the German philosopher who saw aesthetics as a unitary and self-sufficient type of human experience. Because of art's historical role in the transmission of religion and religious

beliefs, atheists should have something to say on this topic. What is Aesthetics? Philosophy of Art, Beauty, Perception
Stecker introduces students to the history and evolution of aesthetics, and also makes an important distinction between aesthetics and philosophy of art. While aesthetics is the study of value, philosophy of art deals with a much wider array of questions

including issues in metaphysics, epistemology, the philosophy of mind, as well as value theory. Aesthetics and the Philosophy of Art: An Introduction ... Aesthetics
