JORDON PORTER

Big Book Awakening Carl (Tuchy) Palmieri

The personal stories of prison inmates who are recovering alcoholics.

Living Sober Trade Edition Upper Access

This is the story of Clarence H. Snyder and how A.A. came to Cleveland, Ohio. Clarence started the 3rd A.A. group in the world. His sponsor Dr. Bob S., a Co-Founder of Alcoholics Anonymous along with Bill W. Clarence started and initiated many practices that are used today. (He wrote a pamphlet on Sponsorship and initiated beginners classes. His Cleveland Central Bulletin predates The A.A. Grapevine.) Clarence asked his sponsee Mitchell K. to write the factual history of A.A. in Cleveland so that the ordinary man could read and understand it.

Refuge Recovery AA Grapevine

Twelve Steps to recovery.

Hope, Faith & Courage Simon and Schuster

Modern 12 Step Recovery is a user-friendly, secular guide to the 12 Step program of Alcoholics Anonymous (AA). This book includes updated Steps, information from science and psychology, and a working guide to the 12 Step program that makes the program welcoming to people of all ages and beliefs. This "modernization" was achieved without making any fundamental changes to the AA program. Modern 12 Step Recovery is 100% compatible with pursuing a program of recovery within the traditional AA mutual support network. This includes AA meetings, sponsor relationships, and other activities. The information in this book is also relevant to people in recovery from co-dependency (Al-Anon) and other 12 Step-based programs.

OA Big Book Study Guide Simon and Schuster

Celebrating the centenary of the Centre for Environment Fisheries and Aquaculture Science (CEFAS) Fisheries Research Laboratory at Lowestoft, UK, this peer-reviewed, edited tome discusses four interwoven themes: · The consequences and management of unregulated/unreported catches · Competition · External drivers and resource behaviour · Ecosystems and migration With contributions from fisheries scientists, policy-makers and managers from more than twenty countries, this international volume has evolved from the CEFAS symposium on International Approaches to Management of Shared Fish Stock- Problems and Future Directions. The editors, Andrew Payne, Carl O'Brien and Stuart Rogers, have succeeded in bringing together the research of over sixty participants into an essential source of reference for all those involved in, or studying, fisheries management across the globe.

Treatment Matching in Alcoholism Alcoholics Anonymous World Services

The stories of the first heroic black men and women who joined Alcoholics Anonymous, told wherever possible in their own words, recorded freely and frankly. The story begins with St. Louis (January 24, 1945); followed by Chicago (March 20, 1945), along with the factory and foundry towns which spread eastwards as suburbs. Later that same year (April 1945) came the story of Dr. James C. Scott, Jr., M.D., the black physician who founded the first black A.A. group in the nation's capital, and was the first black A.A. member to get his story in the Big Book. The book concludes with the story of Joe McQuany (March 10, 1962) of the Joe and Charlie tapes, the most famous black figure in A.A. History. The lives of thousands and thousands of alcoholics around the world were saved by listening to recordings of his careful page-by-page explanation of the message of the Big Book. The powerful spiritual messages of all these brave men and women struck the hearts of everyone who heard them speak.

The Acid Watcher Diet Simon and Schuster

The definitive history of writing and producing the "Big Book" of Alcoholics Anonymous, told through

extensive access to the group's archives. Alcoholics Anonymous is arguably the most significant self-help book published in the twentieth century. Released in 1939, the "Big Book," as it's commonly known, has sold an estimated 37 million copies, been translated into seventy languages, and spawned numerous recovery communities around the world while remaining a vibrant plan for recovery from addiction in all its forms for millions of people. While there are many books about A.A. history, most rely on anecdotal stories told well after the fact by Bill Wilson and other early members—accounts that have proved to be woefully inaccurate at times. Writing the Big Book brings exhaustive research, academic discipline, and informed insight to the subject not seen since Ernest Kurtz's Not-God, published forty years ago. Focusing primarily on the eighteen months from October 1937, when a book was first proposed, and April 1939 when Alcoholics Anonymous was published, Schaberg's history is based on eleven years of research into the wealth of 1930s documents currently preserved in several A.A. archives. Woven together into an exciting narrative, these real-time documents tell an almost week-by-week story of how the book was created, providing more than a few unexpected turns and surprising departures from the hallowed stories that have been so widely circulated about early A.A. history. Fast-paced, engaging, and contrary, Writing the Big Book presents a vivid picture of how early A.A. operated and grew and reveals many previously unreported details about the colorful cast of characters who were responsible for making that group so successful.

Getting Started in AA Henry Holt and Company

Full of useful suggestions, insights and solutions for newcomers, this book features stories by AA members about what helped them get sober and successfully navigate early sobriety.

A Day at a Time John Wiley & Sons

Tips on living sober.

Management of Shared Fish Stocks Cambridge University Press

This book presents state-of-the-art, accessible reviews of the science of alcohol treatment and guidance for the management of clinical situations.

Alcoholics Anonymous BBSG Publishing

This is both a fascinating history of the formative years of Alcoholics Anonymous, as well as the bitter-sweet tale of the troubled man Bill W. always referred to as "my sponsor." In 1934, Ebby Thatcher called an old drinking buddy to tell him about the happiness he was finding in sobriety. His friend's name was Bill Wilson, and this book is the story of their life-long friendship. It is both a fascinating history of the formative years of Alcoholics Anonymous, as well as the bitter-sweet tale of the troubled man Bill W. always referred to as "my sponsor." "Deeply informative and moving, a valuable contribution to the history of A.A. A 'must' reading for anyone interested in one of the more fascinating chapters in A.A.'s history."--Nell Wing, Retired A.A. Archivist and Bill Wilson's Secretary
Ebby NA World Services Inc

Based on the spiritual foundations of Twelve Step programs, these daily readings—part of Hazelden's meditation series—offer inspiration, affirmation, and hope to those of us in recovery from addiction. Drawing upon insightful phrases often overheard in the rooms of recovery, the daily reflections and prayers in this collection are intended to offer comfort and guiding reminders to those recovering from alcoholism, drug addiction, substance use disorders, process addictions, or other compulsive behaviors. Recovery is a process that happens a day at a time, and this daily reader will support your journey.

Recovery Central Recovery Press

Language of the Heart contains all of AA cofounder Bill W.'s Grapevine, including a vivid description of how he came to organize the Steps.

When Man Listens Harper Collins

An extraordinary reproduction of the original working manuscript of the Big Book of Alcoholics

Anonymous, with an introduction and notes by a panel of celebrated AA historians. *The Book That Started It All* offers fresh insights into the history and foundation of the revolutionary Alcoholics Anonymous program. Reproduced in this elegant gift edition, the original working manuscript is the missing link in our understanding of what transpired between AA founder Bill Wilson's first draft of Alcoholics Anonymous and the first published edition. In January 1939, Wilson and other AA founders distributed 400 copies of his typed manuscript to everyone they could think of "who might be concerned with the problem of alcoholism," to test out the program. As the loan copies were returned, suggestions for revision were considered and written out in colored pencil on one master copy that was eventually submitted for publication. The many changes made in black, green, and red on page after page are shown here in their original form, revealing the opinions, debates, and discussions that went into making the Big Book.

TIP 35: Enhancing Motivation for Change in Substance Use Disorder Treatment (Updated 2019)
Hazelden Publishing

Bestselling author and renowned Buddhist teacher Noah Levine adapts the Buddha's Four Noble Truths and Eight Fold Path into a proven and systematic approach to recovery from alcohol and drug addiction—an indispensable alternative to the 12-step program. While many desperately need the help of the 12-step recovery program, the traditional AA model's focus on an external higher power can alienate people who don't connect with its religious tenets. *Refuge Recovery* is a systematic method based on Buddhist principles, which integrates scientific, non-theistic, and psychological insight. Viewing addiction as cravings in the mind and body, Levine shows how a path of meditative awareness can alleviate those desires and ease suffering. *Refuge Recovery* includes daily meditation practices, written investigations that explore the causes and conditions of our addictions, and advice and inspiration for finding or creating a community to help you heal and awaken. Practical yet compassionate, Levine's successful *Refuge Recovery* system is designed for anyone interested in a non-theistic approach to recovery and requires no previous experience or knowledge of Buddhism or meditation.

Living Clean: The Journey Continues Penguin

A handbook for newcomers to Alcoholics Anonymous providing program principles and historical references.

Beginners' Book Cambridge University Press

A practical guide to letting go of the character defects that get in the way of true and joyful recovery. Resentment. Fear. Self-Pity. Intolerance. Anger. As Bill P. explains, these are the "rocks" that can sink recovery- or at the least, block further progress. Based on the principles behind Steps Six and Seven, *Drop the Rock* combines personal stories, practical advice, and powerful insights to help readers move forward in recovery. The second edition features additional stories and a reference section.

Writing the Big Book Lulu.com

OUR DEAR YOUNG MEN AND YOUNG WOMEN, we have great confidence in you. You are beloved sons and daughters of God and He is mindful of you. You have come to earth at a time of great opportunities and also of great challenges. The standards in this booklet will help you with the important choices you are making now and will yet make in the future. We promise that as you keep the covenants you have made and these standards, you will be blessed with the companionship of the Holy Ghost, your faith and testimony will grow stronger, and you will enjoy increasing happiness.

Alcoholics Anonymous AA Grapevine

"In this book, Stanton Peele, a prominent addiction expert, and Zach Rhoads, a child behavior interventionist and counselor, show that defining addiction as a "disease" makes recovery much more difficult, and that twelve-step programs fail for most participants. But they don't just criticize. They provide a solid, research-and-experience-based alternative approach that has proven to be successful in overcoming the scourges of suicide, depression, addiction, and drug-related deaths. The authors show that maturing out of addiction and childhood behavioral problems is a normal process--unless people are sidetracked by the widespread and commonplace therapies that undercut natural growth and self-confidence. They present extensive research data about natural recovery and case studies of fully recovered adults and of children with various conditions, for a developmental model of addiction that has been proven to help those who are suffering. Much of the focus is on childhood addiction, but their conclusions and methods are helpful for people of all ages."--Amazon.com.
