BERRY MCMAHON

The Revival Study Bible ARMOUR PUBLISHING PTE LTD

Tells of five young Aboriginal children forcibly removed from their parents, brought up in a repressive children's home and trained for domestic service and other menial jobs. This tender and moving story goes further than any previous account to bring the tragic human story of the Stolen Generations to the Australian stage.

Foundations of Crime Analysis Simon and Schuster

"Not a typical cult novel...Despite Avery's clear trauma and struggle for closure, her voice is strong and clear." - Booklist "Avery's voice resonates...Powerful and moving." - New York Journal of Books An emotionally wrought, psychologically twisty coming-of-age story perfect for book clubs about a girl who escapes from a cult after a deadly fire destroys her family's compound, only to be haunted by That Night as she tries to build a new life for herself. A fire. Her escape. And the realization her entire life has been a lie. When nineteen-year-old Avery awakens to flames consuming her family's remote compound, she knows it's her only chance to escape her father's grueling survival training, bizarre rules, and gruesome punishments. She and her brother Cole flee the grounds for the first time in their lives, suddenly homeless in a world they know nothing about. After months of hiding out, they are arrested for shoplifting and a shocking discovery is made, resulting in the pair being

separated. Avery is alone and desperate. She is uncertain if her "parents" survived the fire and is terrified to find out. But when the police investigation reveals there may be more survivors, Avery must uncover the truth about the fire to truly be free. Suspenseful, emotionally charged, and deeply thought-provoking, *After We Were Stolen* delves into the idea of family—those we're born into and those we make—resilience, and the lengths a cult survivor will go to finally be free of her painful past. Praise for *After We Were Stolen*: "Brooke Beyfuss's *After We Were Stolen* kept me feverishly turning pages, anxious and eager to find out what happened to Avery and Cole as they emerge from a life they never asked for and into one they're totally unprepared to navigate." —Melanie Abrams, author of *Meadowlark* "*After We Were Stolen* is an intelligent and heartrending story of vulnerability, power, resistance, and redemption. An excellent read that is sure to be a favorite book club pick." —Rebecca Taylor, author of *The Secret Next Door NKJV, Faithlife Illustrated Study Bible, Hardcover, Red Letter Edition* Sourcebooks, Inc.

This "superbly researched and engaging" (The Wall Street Journal) true story about five boys who were kidnapped in the North and smuggled into slavery in the Deep South—and their daring attempt to escape and bring their captors to justice belongs "alongside the work of Harriet Beecher Stowe, Edward P. Jones, and Toni Morrison" (Jane Kamensky, Professor of American History at Harvard University). Philadelphia, 1825: five young, free black boys fall into the clutches of the most fearsome gang of kidnappers and slavers in the

United States. Lured onto a small ship with the promise of food and pay, they are instead met with blindfolds, ropes, and knives. Over four long months, their kidnappers drive them overland into the Cotton Kingdom to be sold as slaves. Determined to resist, the boys form a tight brotherhood as they struggle to free themselves and find their way home. Their ordeal—an odyssey that takes them from the Philadelphia waterfront to the marshes of Mississippi and then onward still—shines a glaring spotlight on the Reverse Underground Railroad, a black market network of human traffickers and slave traders who stole away thousands of legally free African Americans from their families in order to fuel slavery's rapid expansion in the decades before the Civil War. "Rigorously researched, heartfelt, and dramatically concise, Bell's investigation illuminates the role slavery played in the systemic inequalities that still confront Black Americans" (Booklist).

NASB MacArthur Study Bible Crossway
This book explains how improvements in intelligence analysis can benefit policing. Written by experts with experience in police higher education and professional practice, this accessible text provides students with both practical knowledge and a critical understanding of the subject. The book is divided into three key parts: Part One outlines how the concept of intelligence was initially embraced and implemented by the police and provides a critique of intelligence sources. It examines the strategic use of intelligence and its procedural framework. It provides a summary of the role of the intelligence analyst, establishing the characteristics of effective practitioners. Part Two describes good practice and explains the practical tools and techniques that

effective analysts use in the reduction and investigation of crime. Part Three examines more recent developments in intelligence analysis and looks to the future. This includes the move to multi-agency working, the advent of big data and the role of AI and machine learning. Filled with case studies and practical examples, this book is essential reading for all undergraduates and postgraduates taking courses in Professional Policing, and Criminal Justice more widely. It will also be of interest to existing practitioners in this field.

A Stolen Life B&H Publishing Group
A suspenseful thriller about a young babysitter who uses her wits and a big dose of courage as she attempts to save herself and the toddler in her care from kidnappers.

After We Were Stolen SAGE Publications
The Revival Study Bible takes a close look at revivals that draw men to God's work in breathing new life into the Church. This unique Bible covers rich Christian history spanning over 2,000 years of God's acts that center around revival, missions, and evangelism. It also gives inspiring accounts of supernatural, miraculous, and prevailing acts of the Lord. Emphasizing passion and action and not just data, this dynamic Bible gives an international flavor drawn from active, tested, and fruitful ministries involved in ongoing awakening.

Stolen Currency Press Pty Limited
Something is not right with Nadia Cara. While spending a year in Florence, Italy, she's become a thief. She has secrets. And when she tries to speak, the words seem far away. Nadia finds herself trapped by her own obsessions and following the trail of an elusive Italian boy whom only she has seen. Can Nadia be rescued or will she simply lose herself

altogether? Set against the backdrop of a glimmering city, *One Thing Stolen* is an exploration of obsession, art, and a rare neurological disorder. It is a celebration of language, beauty, imagination, and the salvation of love.

Born a Crime Routledge

From the moment you pick it up, you'll know it's a classic. The MacArthur Study Bible is perfect for serious study. Dr. John MacArthur has collected his pastoral and scholarly work of more than 35 years to create the most comprehensive study Bible available. No other study Bible does such a thorough job of explaining the historical context, unfolding the meaning of the text, and making it practical for your life. Features include: 125-page concordance, including people and places More than 20,000 study notes, charts, maps, outlines, and articles from Dr. John MacArthur Concise Topical Index *The Scarlet Ibis* Knopf Books for Young Readers

Now updated with even more material, the CSB Apologetics Study Bible for Students anchors young Christians in the truths of Scripture and equips them with thoughtful responses when the core issues of their faith are challenged. The resources in this student Bible were curated by general editor Dr. Sean McDowell, and the core materials in the Bible explore over 130 of the top questions students are asking today. This student study Bible is updated with new articles and extensive apologetics study material from today's most popular youth leaders and apologists to reflect relevant apologetics issues and questions of today. This student Bible is uniquely created to encourage students to ask tough questions, get straight answers, and see their faith strengthened as they engage in Bible

study and with others around them. The features in this study Bible include: Presentation page, Book introductions, Study notes, Articles from popular youth leaders and Christian apologetics leaders (including editor Sean McDowell), Sixty "Twisted Scripture" explanations for commonly misunderstood passages, Fifty "Bones & Dirt" entries (archaeology meets apologetics), Fifty "Notable Quotes," Twenty-five "Tactics" against common anti-Christian arguments, Twenty "Personal Stories" of how God has worked in real lives, Twenty "Top Five" lists to help remember key apologetics topics, Two-color design-intensive interior, Two-column text, 9.75-point type, Smyth-sewn binding, Ribbon marker, Full-color maps, and more. The CSB Apologetics Study Bible for Students features the highly readable, highly reliable text of the Christian Standard Bible(R) (CSB). The CSB translation used in this apologetics Bible stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.

CSB Apologetics Study Bible for Students, Gray/Navy LeatherTouch, Indexed John Wiley & Sons

 Conducting Research in Psychology: Measuring the Weight of Smoke provides students an engaging introduction to psychological research by employing humor, stories, and hands-on activities. Through its methodology exercises, learners are encouraged to use their intuition to understand research methods and apply basic research principles to novel problems. Authors Brett W. Pelham and Hart Blanton integrate cutting-edge topics, including implicit biases, measurement controversies, online data collection, and new tools for determining the replicability of a set of research findings. The Fifth Edition broadens its coverage of methodologies to reflect the types of

research now conducted by psychologists.

ESV Global Study Bible Thomas Nelson
 It's a powerful combination of the world's best literature and superior reading and skills instruction! Prentice Hall Literature Timeless Voices, Timeless Themes helps students grasp the power and beauty that lies within the written word, while the program's research-based reading approach ensures that no child is left behind.

The Stolen Ones Prentice Hall
 The definitive book on the subject of plagiarism (The New York Times) is updated with a new afterword about the Internet. What is plagiarism, and why is it such a big deal? Since when is originality considered an indispensable attribute of authorship? *Stolen Words* is a deft and well-informed history of the sin every writer fears from every angle. Award-winning author Thomas Mallon begins in the seventeenth century and pushes forward toward scandals in publishing, academia, and Hollywood, exploring the motivations, consequences, and emotional reverberations of an intriguing and distressingly widespread practice. In this now-classic study, Mallon proves himself to be one of our most versatile, original, and delightful writers.

 Feiwel & Friends

The haunting novel of love and survival that inspired Mexico's official submission for International Feature Film—now shortlisted for the 94th Academy Awards® and streaming on Netflix
 "Prayers for the Stolen gives us words for what we haven't had words for before, like something translated from a dream in a secret language. . . .
 Beguiling, and even crazily

enchancing.”—Francisco Goldman, *New York Times Book Review* FINALIST FOR THE PEN/FAULKNER PRIZE • AN IRISH TIMES BOOK OF THE YEAR Ladydi Garcia Martínez is fierce, funny, and smart. She was born into a world where being a girl is a dangerous thing. In the mountains of Guerrero, Mexico, women must fend for themselves, as their men have left to seek opportunities elsewhere. Here in the shadow of the drug war, bodies turn up on the outskirts of the village to be taken back to the earth by scorpions and snakes. School is held sporadically, when a volunteer can be coerced away from the big city for a semester. In Guerrero the drug lords are kings, and mothers disguise their daughters as sons, or when that fails they “make them ugly”—cropping their hair, blackening their teeth, anything to protect them from the rapacious grasp of the cartels. And when the black SUVs roll through town, Ladydi and her friends burrow into holes in their backyards like animals, tucked safely out of sight. While her mother waits in vain for her husband’s return, Ladydi and her friends dream of a future that holds more promise than mere survival, finding humor, solidarity, and fun in the face of so much tragedy. When Ladydi is offered work as a nanny for a wealthy family in Acapulco, she seizes the chance, and finds her first taste of love with a young caretaker there. But when a local murder tied to the cartel implicates a friend, Ladydi’s future takes a dark turn. Despite the odds against her, this spirited heroine’s resilience and resolve bring hope to otherwise heartbreaking conditions. An illuminating and affecting portrait of women in rural Mexico, and a stunning exploration of the hidden consequences of an unjust war, *Prayers for the Stolen* is an unforgettable story of friendship,

family, and determination.

Stolen Words Chronicle Books

Now available in the King James Version (KJV), the KJV Apologetics Study Bible helps today’s Christians better understand, defend, and proclaim their beliefs in an age of increasing moral and spiritual relativism. With new articles and extensive study material from leading apologists, this edition equips readers for deeper engagement with today’s theological issues and questions, allowing them to understand what they believe, why they believe it, and how to defend it. Includes commentary from more than ninety leading apologists, such as Ted Cabal, Lee Strobel, Chuck Colson, Paul Copan, Norm Geisler, Hank Hanegraaff, Josh McDowell, Albert Mohler, J.P. Moreland, and many more—plus a lead article by Lee Strobel (author of *The Case for Christ*).

FEATURES Apologetics-focused study notes Apologetics articles from leading apologists “Twisted Scripture” explanations for commonly misunderstood passages Profiles of Christian apologists Presentation page Book introductions 2-column text 9.75-point type size Black-letter text Smyth-sewn binding, ribbon marker, and full-color maps The KJV Apologetics Study Bible features the authorized version of the King James translation (KJV). The KJV is one of the bestselling versions of all time and captures the beauty and majesty of God’s Word for those who love the rich heritage and reverent language of this rendering of the Holy Bible. Whether you’re looking for a Christian devotional Bible, a great resource for your Bible studies or a study Bible for women, men, or students, KJV Bibles by Holman help you deepen your relationship with God.

A selchie, a seal transformed into human form, lives on land with a lonely fisherman and his wife, until the day a great storm threatens the fisherman's life.

Girl, Stolen Penguin

In recent years, the fields of crime analysis and environmental criminology have grown in prominence for their advancements made in understanding crime. This book offers a theoretical and methodological introduction to crime analysis, covering the main techniques used in the analysis of crime and the foundation of crime mapping. Coverage includes discussions of: The development of crime analysis and the profession of the crime analyst, The theoretical roots of crime analysis in environmental criminology, Pertinent statistical methods for crime analysis, Spatio-temporal applications of crime analysis, Crime mapping and the intersection of crime analysis and police

work, Future directions for crime analysis. Packed with case studies and including examples of specific problems faced by crime analysts, this book offers the perfect introduction to the analysis and investigation of crime. It is essential reading for students taking courses on crime analysis, crime mapping, crime prevention, and environmental criminology. A companion website offers further resources for students, including flashcards and video and website links. For instructors, it includes chapter-by-chapter PowerPoint slides.

The Road Scholastic Inc.

Ashamed of his younger brother's physical handicaps, an older brother teaches him how to walk and pushes him to attempt more strenuous activities.

Stolen B&H Publishing Group

This book is designed to engage students' interest and promote their writing abilities while teaching them to think critically and creatively. Dowden takes an activist stance on critical thinking, asking students to create and revise arguments rather than simply recognizing and criticizing them. His book emphasizes inductive reasoning and the analysis of individual claims in the beginning, leaving deductive arguments for consideration later in the course.
