the Bible,

Scripture
through
“lenses” that

Americans, we
often read the
Bible’s stories

unmindful of
their historical

settings, disregarding the testimony of our spiritual ancestors, and finding mostly a mirror image of our own values and selves in Scripture. Some of us insist that the Bible must be the “inerrant word of God,” historically factual in every way and doctrinally infallible, and overlook so much of what makes Scripture beautiful and relevant. Others follow a lectionary that dices and splices Scripture into

bite-size morsels for Sunday worship, divorces passages from their biblical settings, strikes verses deemed offensive, and undermines the literary artistry that is the lifeblood of Scripture’s profound revelation. Many of us read the Bible in fear, warping our witness to Jesus and tragically neglecting Scripture’s ever-persistent call to compassion, hospitality,

and love. We come to the Bible looking for simple rules that affirm our sense of right and wrong, while missing the point of what Jesus taught about wisdom and true righteousness. Reading the Bible Badly challenges Christians to set aside their misaligned lenses, that they may encounter the Bible more fully and faithfully. The Human Heart B&H Publishing Group Insightful and

heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

<p>Bible. <u>Not by Sight</u> Emmaus Road Publishing Popular author and scholar Dr. Scott Hahn has released a collection of essays on the study and interpretation of Scripture from a Catholic perspective. Aptly titled Scripture Matters: Essays on Reading the Bible from the Heart of the Church, Dr. Hahn takes a penetrating look into the depths of Scripture, showing the reader how to uncover its</p>	<p>many layers of meaning and inspiration. Scripture Matters serves both as an instructional guide to reading the Bible and as a delightful meditation on the grandeur of God's Word. Dr. Hahn effectively illustrates his discussion with the writings of Saint Thomas Aquinas, Saint Josemaría Escrivá, Cardinal Ratzinger, and other exemplary scholars of Scripture who truly speak "from the</p>	<p>heart of the Church." <u>Essays on</u> <u>Reading the</u> <u>Bible from the</u> <u>Heart of the</u> <u>Church</u> Multnomah The primary basis of all judgement concerning the deeds done in our bodies is our motives. something to hide. Nearly everyone twists words, events, and situations to their own advantage, to place themselves in the best possible light. Men often have ulterior motives and hidden agendas. This is sin and a form of hiding. Adam and Eve first hid from the presence of the Lord in the garden after they had fallen. But there will be no hiding from the presence of the Lord on that solemn Day of

Judgement. Purity of Heart will prepare you for that day and spare you loss at the judgement seat of Christ, so that you may receive your full reward. What is done in pure love, by the leading of the Spirit, and for the glory and honor of God shall reap the fullest rewards. *Lectio Divina: Reading the Bible With Your Heart* Lifeway Church Resources A Unique, Relational Way for Women to

Desiring God

Forward

Movement

God is doing far more than we can see in our pain. We plead for God's deliverance from our pain and wonder why he keeps letting it go on. We are not alone. A cloud of witnesses surrounds us and they help us

understand. In these 35 creative retellings of Bible stories, Jon Bloom explores the hope and joy that Abraham, Moses, Naomi, John the Baptist, and others experienced in the painful process of discovering that God's promises really are more trustworthy than our perceptions.

Meditations of a Christian

Wm. B. Eerdmans

As Christians, we know that we are new

creations in Jesus. So we try to act differently, hoping this will make us more like Him. But changing our outward behavior doesn't change our hearts. Only by God's grace can we be transformed internally. Renovation of the Heart lays a biblical foundation for understanding what best-selling author Dallas Willard calls the transformation of the spirit—a divine process that brings every element in our being,

<p>working from inside out, into harmony with the will of God. This fresh approach to spiritual growth explains the biblical reasons why Christians need to undergo change in six aspects of life: thought, feeling, will, body, social context, and soul. Willard also outlines a</p>	<p>general pattern of transformation in each area, not as a sterile formula but as a practical process that you can follow without the guilt or perfectionism so many Christians wrestle with. Dont settle for complacency. Accept the challenge Renovation of the Heart</p>	<p>offers to become an intentional apprentice of Jesus Christ, changing daily as you walk with Him. <i>A Woman's Guide to Reading the Bible in a Year</i> Monarch Books A traditional favorite, the NIV Children's Bible is a full-text Bible for kids with color illustrations of key Bible stories.</p>
