Current Affairs for June. Check out the latest happening took place around the world. YOUTH COMPETITION TIMES

Yoga is an ancient science and traced to Indus - Saraswathy Civilization of 5000 years and more. The rudiments of yoga were in practice for long in the Indian soil. Sage Patanjali's 'Yoga Sutra' and 'Hatha Yoga Pradipika' by Yogi Swatmarama are veritable sources of knowledge and wisdom enshrined in Yoga philosophy. Thirumoolar's 'Thirumandhiram' is one another rich source on Astanga Yoga. These treatises cover the entire gamut of Yoga. The subjects specified by Patanjali in Astanga Yoga are Yama, Niyama, Asana, Pranayama, Pratyahara, Dharana, Dhayana and Samadhi. The same was the case with Thirumoolar. 'Hatha Yoga Pradipika' listed Asanas, Breath, Mind, Kumbhaka, Mudras, Samadhi, Laya and Nada. Apart from the Sages and Yogins of Indian origin, many researchers from West and East delved deep in this fathomless ocean and interpreted the wisdom and knowledge to benefit humanity's health, happiness and ever-lasting peace. With the dedication of International Day of Yoga (21st day of June every year) It is now globally recognised that yoga provides a holistic approach to health and well-being of world population. A comprehensive coverage of the subjects outlined in the earliest treatises, their further interpretations and adoptions are being made in the book.

Managing China's Rise Ravinder Singh and sons

Nationalist and Revolutionary While a high school student, I actively participated in the Mahatma Gandhis 1942 movement Quit India. I felt disappointed because only a few prominent leaders like Gandhi and Nehru were imprisoned. On Sept. 9, 1945, under the patronage of the Dadu District British Collector, the town dignitaries including my grand father and Mr. Tuljaram Nagrani, the principal of the town High school, along with the matriculate students had assembled at the Hindu

temple to celebrate the victory of the Allies at the WW II. Sweets were distributed. I threw the sweets on the floor. The reason I did this was not because I sided with the Axis powers. But because Indian soldiers were fighting for Britain, as India was not a free country. Next morning, the Principal got me in his office and whipped me several times on my palms and ordered me to leave the school and come back with my parent. The principal told my father that Jagat to pay a fine of Rs. 5 and threatened that in case of denial I will be rusticketed (expelled from school as a bad character student) and no school would admit me. I am proud of my father that he said that only Jagat to decide. I said that paying fine means admission of the guilt. In my opinion it was not a guilt. I, with recommendation of my class teacher Mr. Chandnani, got admission in the P. H. High School, Dadu, only about 50 miles away from my home town. In 1947 on the eve of partition, there was an accidently bomb explosion in Karachi, suspected of an RSS activity. Several RSS leaders were arrested. A Khalsa police officer secretly alerted my grand father to hide me to avoid arrest. I, along with a few RSS pracharaks, secretly reached Karachi to take a ship for Okha, Gujarat, then train to Baroda. In 1948, Mahatma Gandhi was assassinated by Nathuram Godse. Because Godse was an RSS member, the whole RSS all over India was banned. I participated in the collective protest against the injustice of punishing the whole RSS organization because of the crime by its only one RSS member. Whole family can not be punished because of the crime of its one member. I was imprisoned in Baroda jail for four months. Thousands of RSS members all over India were imprisoned. Dr. Jagat K. Motwani

International Current Affairs Yearly Review 2021 E-book: Free PDF Taylor & Francis

Traditions of asceticism, yoga, and devotion (bhakti), including dance and music, developed in Hinduism over long periods of time. Some of these practices, notably those denoted by the term yoga, are orientated towards salvation from the cycle of reincarnation and go back several thousand years. These practices, borne witness to in ancient texts called Upaniṣads, as well as in other traditions, notably early Buddhism and Jainism, are the subject of this volume in the Oxford History of Hinduism. Practices of meditation are also linked to asceticism (tapas) and its institutional articulation in renunciation (saṃnyāsa). There is a range of practices or disciplines from ascetic fasting to taking a vow (vrata) for a deity in return for a favour. There are also devotional practices that might involve ritual, making an offering to a deity and receiving a blessing, dancing, or visualization of the master (guru). The overall theme--the history of religious practices--might even be seen as being within a broader intellectual trajectory of cultural history. In the substantial introduction by the editor this broad history is sketched, paying particular attention to what we might call the medieval period (post-Gupta) through to modernity when traditions had significantly developed in relation to each other. The chapters in the book chart the history of Hindu practice, paying particular attention to indigenous terms and recognizing indigenous distinctions such as between the ritual life of the householder and the renouncer seeking liberation, between 'inner' practices of and 'external' practices of ritual, and between those desirous of liberation (mumukṣu)

and those desirous of pleasure and worldly success (bubhukṣu). This whole range of meditative and devotional practices that have developed in the history of Hinduism are represented in this book.
