Ignatius Press
John's Gospel has traditionally been regarded as the least apocalyptic document in the New Testament. This exciting new collection redresses the balance by exploring the ways in which the apocalyptic literature of Second Temple Judaism has contributed to the theology and outlook of John's Gospel. Given that John, like the Jewish apocalyptic texts, is primarily concerned with the theme of revelation,

the contributors examine how apocalyptic ideas can help to explain the Johannine portrayal of Jesus as the messenger sent from heaven to reveal the divine mysteries, as well as the Gospel's presentation of the activity of the Spirit, its understanding of evil, and the intended effects of this 'apocalypse in reverse' on its readers and hearers. The highly distinguished contributors include, John Ashton, Christopher Rowland, April DeConick, Judith Lieu and Jorg Frey.

This book evaluates

the Gospel of John and attempts to comprehend it more fully through its themes and sub-themes. The goal is to give the reader a better grasp of the underlying message contained in John's Gospel as opposed to simply reading the Gospel from its beginning to end.

The uniquely prominent role of French intellectuals in European cultural and political life following World War II is the focus of Tony Judt's newest book. He analyzes this intellectual community's most divisive conflicts: how to respond to the promise and the betrayal of Communism and how

to sustain a commitment to radical ideals when confronting the hypocrisy in Stalin's Soviet Union, in the new Eastern European Communist states, and in France itself. Judt shows why this was an all-consuming moral dilemma to a generation of French men and women, how their responses were conditioned by war and occupation, and how post-war political choices have come to sit uneasily on the conscience of later generations of French intellectuals. Judt's analysis extends beyond the writings of fashionable "Existentialist" personalities such as Jean-Paul Sartre, Albert Camus, and Simone de Beauvoir to include a wide intellectual

community of Catholic philosophers, non-aligned journalists, literary critics and poets, Communist and non-Communist alike. Judt treats the intellectual dilemmas of the postwar years as an unfinished history. French intellectuals have not fully come to terms with the gnawing sense of what Judt calls the "moral irresponsibility" of those years. The result, he suggests, is a legacy of bad faith and confusion that has damaged France's cultural standing, notably in newly liberated Eastern Europe, and which reflects the nation's larger difficulty in confronting its own ambivalent past.

The Word Became Flesh New Jerusalem Bible

In this addition to the successful Catholic Commentary on Sacred Scripture, two respected scholars and Bible teachers interpret James and First, Second, and Third John from within the living tradition of the Church. The commentary provides crisp explanations of the text with helpful sidebars and ideas for application to enrich preaching, group Bible study, and personal reflection. This volume presents excellent biblical scholarship in a format accessible to laypeople with no special training in biblical studies. The Epistle of Paul the Apostle to The Romans
CUA Press

The command to love is central to the Gospel of John. Internationally respected scholar Francis Moloney offers a thorough exploration of this theme, focusing not only on Jesus's words but also on his actions. Instead of merely telling people that they must love one another, Jesus acts to make God's love known and calls all who follow him to do

the same. This capstone work on John's Gospel uses a narrative approach to delve deeply into a theme at the heart of the Fourth Gospel and the life of the Christian church. Uniting rigorous exegesis with theological and pastoral insight, it makes a substantive contribution to contemporary Johannine scholarship. *Themes from the Gospel of John* Baker Academic

Paul was the most influential figure in the early Christian church. In this epistle, written to the founders of the church in Rome, he sets out some of his ideas on the importance of faith in overcoming mankind's innate sinfulness and in obtaining redemption. With an

A New Light on John's Gospel The Gospel according to John has always been recognized as different from the "synoptic" accounts of Matthew, Mark, and Luke. But what explains the difference? In this new translation and verse-by-verse commentary, Michael Pakaluk suggests an answer and unlocks a two-thousand-year-old mystery. Mary's Voice in the Gospel according to John reveals the subtle but powerful influence of the Mother of Jesus on the fourth Gospel. In his dying words, Jesus committed his Mother to the care of John, the beloved disciple, who "from that hour . . .

took her into his own home.” Pakaluk draws out the implications of that detail, which have been overlooked for centuries. In Mary’s remaining years on earth, what would she and John have talked about? Surely no subject was as close to their hearts as the words and deeds of Jesus. Mary’s unique perspective and intimate knowledge of her Son must have shaped the account of Jesus’ life that John would eventually compose. With the same scholarship, imagination, and fidelity that he applied to Mark’s Gospel in *The Memoirs of St. Peter*, Pakaluk brings out the voice of Mary in John’s, from the famous prologue about the Incarnation of the Word to the Evangelist’s

closing avowal of the reliability of his account. This remarkably fresh translation and commentary will deepen your understanding of the most sublime book of the New Testament. **Holy Bible** Ignatius Press
These profound and inspiring reflections on the Gospel of John will open to preachers, religious, and parish groups interested in Scripture, the treasures that the Fourth Gospel contains for the life of the world. Brendan Byrne draws on the insights in *Life Abounding*, his academic commentary on the Fourth Gospel, to enrich the understanding of non-scholars in *Come to the Light*. Discussion questions provided at

the end of each talk serve as a starting point for the reader's personal contemplation.

The Gospel of John in Modern Interpretation provides a unique look at the lives and work of eight interpreters who have significantly influenced Johannine studies over the last two centuries. The chapters contain short biographical sketches of the scholars that illuminate their personal and academic lives, followed by summaries and evaluations of their major works, and concluding with an analysis of the ongoing relevance of their work in contemporary Johannine scholarship. Key thinkers surveyed

include C. H. Dodd, Rudolph Bultmann, Raymond Brown, Leon Morris, and R. Alan Culpepper. An introduction and conclusion by general editors Stanley Porter and Ron Fay trace the development of Johannine scholarship from F. C. Baur to the present, and examine how these eight scholars' contributions to Johannine studies have shaped the field. Anyone interested in the recent history of the study of John will find this volume indispensable.

A Challenge to American Catholics
Simon and Schuster

As Catholics in ever-growing numbers are taking part in Bible studies, many questions arise. How do I study the Bible? Where do I begin? Is it OK to interpret the Bible for ourselves? What Bible should I use? How can I understand such a deep book as the Gospel of St. John? How can I be guided in my studies? Liturgical Press

In this addition to the Catholic Commentary on Sacred Scripture, two well-respected New Testament scholars interpret the Gospel of John in its historical and literary setting as well as in light of the Church's doctrinal, liturgical, and spiritual tradition. They unpack the wisdom of the Fourth Gospel for the

intellectual and spiritual transformation of its readers and connect the Gospel with a range of witnesses throughout the whole history of Catholicism. This volume, like each in the series, is supplemented by features designed to help readers understand the Bible more deeply and use it more effectively in teaching, preaching, evangelization, and other forms of ministry.
