Do you cringe when your opera-loving friends start raving about the latest production of Tristan? Do you feel faint just thinking about the six-hour performance of Parsifal you were given tickets to? Does your mate accuse you of having a Tannhäuser complex? If you're baffled by the behavior of Wagner worshipers, if you've longed to fathom the mysteries of Wagner's ever-increasing popularity, or if you just want to better understand and enjoy the performances you're attending, you'll find this delightful book indispensable. William Berger is the most helpful guide one could hope to find for navigating the strange and beautiful world of the most controversial artist who ever lived. He tells you all you need to know to become a true Wagnerite--from story lines to historical background; from when to visit the rest room to how to

sound smart during intermission; from the Jewish legend that possibly inspired Lohengrin to the tragic death of the first Tristan. Funny, informative, and always a pleasure to read, Wagner Without Fear proves that the art of Wagner can be accessible to everyone. Includes: - The strange life of Richard Wagner--German patriot (and exile), friend (and enemy) of Liszt and Nietzsche - Essential opera lore and "lobby talk" - A scene-by-scene analysis of each opera - What to listen for to get the most from the music - Recommended recordings, films, and sound tracks

Dramatists Play Service, Inc.

The original Apache Kid is dead, gunned down in an ambush by a pack of murderous cowards. His friend Johnny Bart, the Rawhide Kid, wants to make the killers pay. But someone else is also hunting those murderers, someone who may have a claim to the title of Apache Kid.

**The Stanislavsky Technique** John Wiley & Sons

Diseases and injuries were major concerns for ancient Egyptians. This book, featuring some sixty-four objects from the Metropolitan Museum, discusses how both practical and magical medicine informed Egyptian art and for the first time reproduces and translates treatments described in the spectacular Edwin Smith Papyrus.

"The Jukes' is a pseudonym used to protect from aspersion worthy members of the family therein studied, and for convenience of treatment, to reduce the forty-two family names included in the lineage to one generic application. An author who, under such circumstances, puts forth a work requiring great precision of statement and freedom from preconceived bias, is bound to state. The second paper is the result of an examination of felon convicts on a very ample schedule, covering their physical, mental, moral and ancestral traits to test the accuracy of what purports to be the public records of crime in this State; to establish the value of expert work in making a minute census of the prison population, including the trustworthiness of convict testimony, and to lay the basis

for a wider and more thorough application of the method of research pursued in the study of the 'Jukes'--Preface. (PsycINFO Database Record (c) 2011 APA, all rights reserved)

Prosecuted But Not Silenced is a powerful documentary about a mother and daughter's tragic involvement with the judicial system when there were allegations of child sexual abuse—a human rights and civil rights issue for women and children. It is an important educational tool for judges, lawyers, social workers, therapists, politicians, and the general public so that people realize what still occurs today. A National Health Crisis, Maralee's story reveals the last taboo and a crime that needs the public's attention, and emphasizes the need for training in the dynamics of maltreatment so that no more mothers have to suffer what happened to Maralee and her daughter. The Old Kingdom Art and Archaeology Dramatists Play Service Inc  
The Sacco-Vanzetti case was the play's inspiration.

This gift book for anyone who filled a father's role by choice is a reminder that being a father is far more than just biological, it's a relationship. He Didn't Have to Be is a tender salute to a stepfather who becomes a loving dad to a child even though he "didn't have to be" one. And as the child - now grown and a new father - considers the birth of his own baby, the new father hopes that he is "at least half the dad that his stepfather didn't have to be." Written by CMA award winning and Grammy nominated Brad Paisley and songwriter Kelley Lovelace, and including a CD of the popular song, He Didn't Have to Be will be a much-given gift this holiday season and again at Father's Day.

Seesaw John Wiley & Sons

When Tim Hallett, assigned to a special K-9 unit, and his partner, a Belgian Malinois named Rocky, catch the scent of a predator unlike anyone has ever seen, he must risk everything to catch a killer, even if it means clearing the name of the child molester who drove him to violence and ruined his career.
