"Social studies games contains 28 card games related to such topics as geography, history, exploration, and government"--Introduction

Cyclops Franklin Classics Trade Press

Fresh from his triumphs in the Trojan War, Odysseus, King of Ithaca, wants nothing more than to return home to his family. Instead, he offends the sea god, Poseidon, who dooms him to years of shipwreck and wandering. Battling man-eating monsters, violent storms, and the supernatural seductions of sirens and sorceresses, Odysseus will need all his strength and cunning--and a little help from Mount Olympus--to make his way home and seize his kingdom from the schemers who seek to wed his queen and usurp his throne. Award-winning graphic artist Gareth Hinds masterfully reinterprets a story of heroism, adventure, and high action that has been told and retold for more than 2,500 years--though never quite like this. With bold imagery and an ear tuned to the music of Homer's epic poem, Gareth Hinds reinterprets the ancient classic as it's never been told before.

King of Ithaca HarperCollins UK

Study smarter, not harder! Every high school and college student would love to know how to get the highest grades with the least amount of effort. This book gives students a guiding philosophy for every class, every time, laying the foundation for lifelong learning. With the wisdom gained from these tips, success stories from other students, and mini-assessments, they'll be empowered to succeed in class preparation, reading comprehension, exam-taking, and more. • No one method fits every student, so included are many tried-and-true methods. • Useful for every subject, from foreign languages to mathematics, from high school through college and beyond. • Helps students find their particular learning styles.

The Scarlet Letter Ozymandias Press

Eve of the Festival is a study of Homeric myth-making in the first and longest dialogue between Penelope and Odysseus (Odyssey 19). The author makes a case for seeing virtuoso myth-making as an essential part of this conversation, a register of communication which provides the speakers with a coded way of exchanging their thoughts. At the core of the book is a detailed examination of several myths in the dialogue to understand what is being said and to what effect. The dialogue is interpreted as an exchange of performances which have for their occasion the eve of Apollo's festival and which amount to activating, and even enacting, the myth corresponding within the Odyssey to this ritual event. --Book Jacket.

The Odyssey of Homer Biblio & Tannen Publishers

Frankenstein is a novel by Mary Shelley. It was first published in 1818. Ever since its publication, the story of Frankenstein has remained brightly in the imagination of the readers and literary circles across the countries. In the novel, an English explorer in the Arctic, who assists Victor Frankenstein on the final leg of his chase, tells the story. As a talented young medical student, Frankenstein strikes upon the secret of endowing life to the dead. He becomes obsessed with the idea that he might make a man. The Outcome is a miserable and an outcast who seeks murderous revenge for his condition. Frankenstein pursues him when the creature flees. It is at this juncture t that Frankenstein meets the explorer and recounts his story, dying soon after. Although it has been adapted into films numerous times, they failed to effectively convey the stark horror and philosophical vision of the novel. Shelley's novel is a combination of Gothic horror story and science fiction.

Homeric Conversation Simon and Schuster

Historical fantasy full of "suspense, treachery, and bone-crunching action . . . will leave fans of the genre eagerly awaiting the rest of the series" (The Times Literary Supplement). It was a time of myth and mystery. A time when Gods walked among men. It was a time of heroes. Greece is a country in turmoil, divided by feuding kingdoms desiring wealth, power and revenge. When Eperitus, a young exiled soldier, comes to the aid of a group of warriors in battle, little does he know that it will be the start of an incredible adventure. For he is about to join the charismatic Odysseus, Prince of Ithaca, on a vital quest to save his homeland. Odysseus travels to Sparta to join the most famous heroes of the time in paying suit to the sensuous Helen. Armed with nothing but his wits and intelligence, he must enter a treacherous world of warfare and politics to compete for the greatest prize in Greece. But few care for the problems of an impoverished prince when war with Troy is beckoning. An epic saga set in one of the most dramatic periods of history, King of Ithaca is a voyage of discovery of one man's journey to become a King—and a legend. "A must read for those who enjoy good old epic battles, chilling death scenes and the extravagance of ancient Greece." —Lifestyle Magazine "The reader does not need to be classicist to enjoy this epic and stirring tale. It makes a great novel." —Historical Novels Review

The Odyssey Harvard University Press

#1 NEW YORK TIMES BEST SELLER • At last, a book that shows you how to build—design—a life you can thrive in, at any age or stage • "Life has questions. They have answers." —The New York Times Designers create worlds and solve problems using design thinking. Look around your office or home—at the tablet or smartphone you may be holding or the chair you are sitting in. Everything in our lives was designed by someone. And every design starts with a problem that a designer or team of designers seeks to solve. In this book, Bill Burnett and Dave Evans show us how design thinking can help us create a life that is both meaningful and fulfilling, regardless of who or where we are, what we do or have done for a living, or how young or old we are. The same design thinking responsible for amazing technology, products, and spaces can be used to design and build your career and your life, a life of fulfillment and joy, constantly creative and productive, one that always holds the possibility of surprise.

Eve of the Festival Random House

The events surrounding the famous battle between the Greeks and the Trojans are told from the points of view of two women, the beautiful Helen and the prophetic Cassandra.

Study Guide for Decoding The Odyssey Turtleback Books

The Iliad: Join Achilles at the Gates of Troy as he slays Hector to Avenge the death of Patroclus. Here is a story of love and war, hope and despair, and honor and glory. The recent major motion picture Helen of Troy starring Brad Pitt proves that this epic is as relevant today as it was twenty five hundred years ago when it was first written. So journey back to the Trojan War with Homer and relive the grandest adventure of all times. The Odyssey: Journey with Ulysses as he battles to bring his victorious, but decimated, troops home from the Trojan War, dogged by the wrath of the god Poseidon at every turn. Having been away for twenty years, little does he know what awaits him when he finally makes his way home. These two books are some of the most import books in the literary cannon, having influenced virtually every adventure tale ever told. And yet they are still accessible and immediate and now you can have both in one binding.

The Little Prince Knopf

Since their composition almost 3,000 years ago the Homeric epics have lost none of their power to grip audiences and fire the imagination: with their stories of life and death, love and loss, war and peace they continue to speak to us at the deepest level about who we are across the span of generations. That being said, the world of Homer is in many ways distant from that in which we live today, with fundamental differences not only in language, social order, and religion, but in basic assumptions about the world and human nature. This volume offers a detailed yet accessible introduction to ancient Greek culture through the lens of Book One of the Odyssey, covering all of these aspects and more in a comprehensive Introduction designed to orient students in their studies of Greek literature and history. The full Greek text is included alongside a facing English translation which aims to reproduce as far as feasible the word order and sound play of the Greek original and is supplemented by a Glossary of Technical Terms and a full vocabulary keyed to the specific ways that words are used in Odyssey I. At the heart of the volume is a full-length line-by-line commentary, the first in English since the 1980s and updated to bring the latest scholarship to bear on the text: focusing on philological and linguistic issues, its close engagement with the original Greek yields insights that will be of use to scholars and advanced students as well as to those coming to the text for the first time.

The Homeric Odyssey Simon and Schuster

Vols. 1-8, 1880-87, plates published separately and numbered I-LXXXIII.
