We have become exposed to an increasing number of chemicals in our food supply, the air we breathe, and through many common items, we use daily, including cosmetics and household cleaner. Among their potentially adverse effects, these chemicals can build up in our system and stall weight loss. While many factors often contribute, researchers find that environmental toxins play a role in being overweight or obese. That's where a well-designed detoxification plan can help. /When it comes to skincare, everyone knows that natural is best, but with chemical-ridden products being mislabeled as "all-natural" and so many homemade beauty regimens available online, keeping it natural can feel complicated. Whether you're a homemade product junkie looking for affordable options or just joining the natural skincare revolution- this book will get you and your skin back-to-basics-one natural product at a time.

DIY Cosmetics is a beautiful and giftable book that has a plethora of all-natural health and beauty recipes. Our connection with beauty products reveals a lot about who we are. Cosmetics and cosmetic items are a significant source of chemical exposure for the majority of individuals. A typical cosmetic product contains hundreds of hazardous ingredients, many of which have not even been evaluated for human safety! Fortunately, there are natural alternatives for every cosmetic product, and the majority of them outperform the chemical-laden counterparts. This book teaches you how to produce smart soap, homemade face masks, specialized beauty products, and more using organic body care recipes.

It doesn't matter where you're from, what you do, or what your definition of beauty is, we all want to look good and feel great about our appearance. So, we dutifully head to the department store to find all kinds of supplies, whether we like red, red lips, dark

eye shadow, or flawless skin. We spend hours walking up and down the cosmetic aisle, then we spend hours in front of the mirror, trying to find that perfect look. Or, if you prefer something minimal, it can only take a few minutes for you to get through your beauty routine... but the end goal is the same. You want to look like you want and feel great about yourself, no matter how much... or how little makeup that is. Yet, there is another common denominator that ties us all together. Whether you want a lot of makeup or just a touch where it counts, you know that you have the highest standards for what you put on your skin. You don't want anything made out of synthetic material, and you don't want anything with crazy ingredients. In fact, it doesn't matter what look you are trying to achieve, you want what you put on your skin to be healthy, all natural, and organic. You want to feel good about what you are putting on your skin, and you want to know without a doubt that you aren't going to have any ill side effects from what you are using. With this book, you are going to learn how to make your own makeup. You're going to discover how easy it is to use all natural, organic ingredients to make all of the makeup you want, and get the exact shades and products you need. Learn how to make a variety of makeup out of all natural ingredients Learn how use the right ingredients for the look you want Mix and match for your favorite results And more!

Have you noticed? You continue to use cosmetics & products promising you an acne-free life, anti-aging results, smoother glowing skin... But the more you use these products, the fewer results you

see. If you're like millions of other people, you may begin to feel they only prove to be a waste of both your money (the best of these products come with a hefty price tag!) and your time. There very well could be something else that is being "wasted," too -- your very health. It's true! Even the so-called natural and organic cosmetics seem to carry potential dangers -- despite the soothing assurances of commercials and manufacturers. If you put cosmetics on with less than healthy -- even toxic -- ingredients, guess what happens? All the potentially toxic items soak directly into your skin and into your system. Surely there must be a better way to make you look and feel better without putting your health on the line everyday! What if I told you there were products available that are natural, and many times organic that wouldn't harm your skin or endanger your health? What if I told you there were products you can use and be absolutely sure of the ingredients you were using? What if I told you the ingredients for these outstanding skin care remedies are waiting for you right now in your very own kitchen? All you need to do is gather the items and make them. It's true and this is what "Natural & Organic Beauty Recipes" will show you. Just imagine being able to have healthier & more beautiful skin in just 7 days (or less) without becoming frustrated or wasting your time. Here's what you'll discover in "Natural & Organic Beauty Recipes": - The potentially dangerous and toxic ingredients lurking in many modern cosmetics... - How to understand the advantages of creating your own skin care recipes, therapies and treatments... - Dozens of easy-to-make, all-natural recipes for facial scrubs, masks, under eye treatments, moisturizers and more... - 7 everyday but often overlooked tips and tricks for understanding your skin and giving it the best treatments... - WARNING: 3 things you should never do when it comes to creating your own homemade skin care treatments... - 6 time tested and proven strategies to reducing, treating and curing many common skin problems... - How to use natural skin care recipes to improve your skin's moisture content and repair damaged skin... - How to use skin care recipes to boost your skin's ability to protect itself from environmental toxins... - And much more...

Handmade Beauty is an inspirational guide to making skincare and haircare products at home. Cosmetic experts Juliette Goggin and Abi Righton show how, with a few basic materials and some kitchen equipment, anyone can craft simple yet effective recipes with natural ingredients. Based on the authors' in-depth knowledge of the use of natural products and active ingredients in contemporary skin- and haircare, Handmade Beauty includes some of the latest thinking in natural cosmetics. The first part of the book explores the different ingredients, equipment and methods you need to make the cosmetic projects. Juliette and Abi guide you through the basic principles, such as

making infusions, and also explain what you need to know about storage and safety. The second part of the book is devoted to 37 luscious recipes for the face, body and hair, plus suggestions for adaptations. The featured projects cater for all skin and hair types, and include face and body scrubs, cleansers, toners, moisturizers, hand creams, lip balms, body butters, bath bombs, foot sprays, shampoos and hair treatments. Step-by-step illustrations and clear instructions throughout ensure that recipes are easy to follow. The book concludes with ideas on packaging and presenting your beautiful homemade products. Sample Recipe: How to Make Nourishing Facial Oil Note from Author: This light facial oil is very easy to make. It is ideal for normal to dry skins, and a lovely treat for tired skin in winter. It is surprisingly quick to absorb into the skin and really doesn't feel greasy,

as you might expect. It is best applied at bedtime. Alternatively, it also works well as a light massage oil to relax the face. Vitamin E oil, which promotes the healing and fading of scars, is usually available in dilution with another oil, such as sweet almond oil. INGREDIENTS 4 tsp rice bran oil 2 tsp vitamin E oil in dilution sweet almond oil 1 1/2 tsp argan oil 2 1/2 tsp rosehip oil 2 drops geranium essential oil Makes 3 1/2 tbsp of facial oil EQUIPMENT Glass bottle with dropper Step 1 Measure all the ingredients into a glass jar. Step 2 Stir to mix the oils and then pour into a sterilized, airtight glass bottle with dropper. Label with the date and ingredients used. HOW TO APPLY Using your fingertips, apply a small amount to the face with light, upward movements. Note: Store in a cool, dry place away from sunlight. The facial oil will keep for 6 months to a year.
