Deadly Game MIT Press

All the science in Breaking
Bad—from explosive
experiments to acid-

based evidence destruction—explained and analyzed for authenticity. Breaking Bad's (anti)hero Walter White (played by Emmy-winner Bryan Cranston) is a scientist, a high school chemistry teacher who displays a plaque that recognizes his "contributions to research awarded the Nobel Prize." During the course of five seasons, Walt practices a lot of ad hoc chemistry—from experiments that explode to acid-based evidence destruction to an amazing repertoire of methodologies for illicit meth making. But how much of Walt's science is actually scientific? In *The Science of "Breaking Bad,"* Dave Trumbore and Donna Nelson explain, analyze, and evaluate the show's portrayal of science, from the pilot's opening credits to the final moments of the series finale. The intent is not, of course, to provide a how-to manual for wannabe meth moguls but to decode the show's most head-turning, jaw-dropping moments. Trumbore, a science and entertainment writer, and Nelson, a professor of chemistry and Breaking Bad's science advisor, are the perfect scientific tour

guides. Trumbore and Nelson cover the show's portrayal of chemistry, biology, physics, and subdivisions of each area including toxicology and electromagnetism. They explain, among other things, Walt's DIY battery making; the dangers of Mylar balloons; the feasibility of using hydrofluoric acid to dissolve bodies; and the chemistry of methamphetamine itself. Nelson adds interesting behind-the-scenes anecdotes and describes her work with the show's creator and writers. Marius Stan, who played Bogdan on the show (and who is a PhD scientist himself) contributes a foreword. This is a book for every science buff who appreciated the show's scientific moments and every diehard Breaking Bad fan who wondered just how smart Walt really was.

Slow Violence and the Environmentalism of the Poor HarperCollins
- Winner of the 2018 Scott O'Dell Award for Historical Fiction - From the bestselling author of *Echo Mountain* and Newbery Honor-winner *Wolf Hollow*, *Beyond the Bright Sea* is an acclaimed best book of the year. An NPR Best Book of the Year • A

Parents' Magazine Best Book of the Year • A Booklist Editors' Choice selection • A BookPage Best Book of the Year • A Horn Book Fanfare Selection • A Kirkus Best Book of the Year • A School Library Journal Best Book of the Year • A Charlotte Observer Best Book of the Year • A Southern Living Best Book of the Year • A New York Public Library Best Book of the Year "The sight of a campfire on a distant island...proves the catalyst for a series of discoveries and events—some poignant, some frightening—that Ms. Wolk unfolds with uncommon grace." -*The Wall Street Journal* ★
"Crow is a determined and dynamic heroine."
—Publishers Weekly ★
"Beautiful, evocative."
—Kirkus The moving story of an orphan, determined to know her own history, who discovers the true meaning of family. Twelve-year-old Crow has lived her entire life on a tiny, isolated piece of the starkly beautiful Elizabeth Islands in Massachusetts. Abandoned and set adrift in a small boat when she was just hours old, Crow's only companions are Osh, the man who rescued and raised her, and Miss Maggie, their fierce and

affectionate neighbor across the sandbar. Crow has always been curious about the world around her, but it isn't until the night a mysterious fire appears across the water that the unspoken question of her own history forms in her heart. Soon, an unstoppable chain of events is triggered, leading Crow down a path of discovery and danger. Vivid and heart-wrenching, Lauren Wolk's *Beyond the Bright Sea* is a gorgeously crafted and tensely paced tale that explores questions of identity, belonging, and the true meaning of family.

Night Game Simon and Schuster
Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two.

With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

A Monster Calls Penguin
Killing a bird with his slingshot as a boy, William Bellman grows up a wealthy family man unaware of how his act of childhood cruelty will have terrible consequences until a wrenching tragedy compels him to enter into a macabre bargain with a stranger in black. Reprint.

The Abstainer Harper Collins
Roger Ebert is the gold standard for movie critics. And his *Movie Yearbook* has been the go-to source for movie lovers for more than 25 years. Roger Ebert's "criticism shows a nearly unequaled grasp of film history and technique, and formidable intellectual range. . . ." —New York Times Pulitzer

It includes every movie review Ebert has written from January 2010 to July 2012. Also included in the Yearbook: —In-depth interviews with newsmakers and celebrities —Tributes to those in the film industry who have passed away recently —Essays on the Oscars, reports from the Toronto Film Festival, and entries into Ebert's *Little Movie Glossary*

The Twenty-Ninth Day
Resilient Women of WWII
This is a wonderful book rich in empirical detail, full of theoretical insights, offering hope in a bleak world, altogether inspiring. . . a tremendous achievement of having helped to create the disciplines of ecological economics and political ecology, bringing them alive in this book, and making their insights available to the developing worldwide movement for environmental justice. Pat Devine, *Environmental Values*
Any book by the ecological economist Joan Martinez-Alier is a Big

Publishing Event. . . this is a book by a writer who loves his subject, knows it well, respects its history, and is driven by the desire to do justice. These are qualities enough to send you to the bookshop or the library in search of *The Environmentalism of the Poor*. Andrew Dobson, *Environment Politics* The book is a worthy and in-depth contribution to debates about political ecology and ecological economics. It should be read by all environmental and ecological economists who wish to make their analysis more relevant. Tim Forsyth, *Progress in Development Studies* A marvellous combination of insight, research and activism. . . A must-read for policymakers, practitioners and academics alike, and for anyone concerned with sustainable development, environmentalism or poverty alleviation. *Human Ecology Journal* . . . one of the most important environmental books to have been published recently. Martinez-Alier integrates two of the most significant areas of environmental theory political ecology and ecological economics. Eurig Scandrett, *Friends of the Earth Scotland* The book has three main

strengths: its bibliography, which is extensive; the global perspective on the environmental movement and the relationship with poverty; and the general theme of this interdisciplinary work, which is not so much to provide new information, but to consider the existing information in a new light. Martinez-Alier is to be commended for taking such a step in the literature . . . the writing style is extremely approachable . . . Recommended. B.J. Peterson, *Choice* [Joan] Martinez-Alier combines the honest discipline of a scholar with the passionate energy of an activist. The result, *The Environmentalism of the Poor*, is highly recommended! Herman E. Daly, *University of Maryland, College Park, US* *The Environmentalism of the Poor* has the explicit intention of helping to establish two emerging fields of study political ecology and ecological economics whilst also investigating the relations between them. The book analyses several manifestations of the growing environmental justice movement , and also of popular environmentalism

and the environmentalism of the poor , which will be seen in the coming decades as driving forces in the process to achieve an ecologically sustainable society. The author studies, in detail, many ecological distribution conflicts in history and at present, in urban and rural settings, showing how poor people often favour resource conservation. The environment is thus not so much a luxury of the rich as a necessity of the poor. It concludes with the fundamental questions: who has the right to impose a language of valuation and who has the power to simplify complexity? Joan Martinez-Alier combines the study of ecological conflicts and the study of environmental valuation in a totally original approach that will appeal to a wide cross-section of academics, ecologists and environmentalists. [Thunder and Lightning](#) Scholastic Inc. A six-hundred-mile canoe trip in the Canadian wilderness is a seventeen-year-old's dream adventure, but after he is mauled by a grizzly bear, it's all about staying alive. This true-life wilderness survival epic recounts seventeen-year-old Alex

Messenger's near-lethal encounter with a grizzly bear during a canoe trip in the Canadian tundra. The story follows Alex and his five companions as they paddle north through harrowing rapids and stunning terrain. Twenty-nine days into the trip, while out hiking alone, Alex is attacked by a barren-ground grizzly. Left for dead, he wakes to find that his summer adventure has become a struggle to stay alive. Over the next hours and days, Alex and his companions tend his wounds and use their resilience, ingenuity, and dogged perseverance to reach help at a remote village a thousand miles north of the US-Canadian border. The Twenty-Ninth Day is a coming-of-age story like no other, filled with inspiring subarctic landscapes, thrilling riverine paddling, and a trial by fire of the human spirit.

Finer Noble Gases The Grey
The author of *The Zoo That Never Was* and *Voyage of the Stella* has produced another winning nature adventure. Lawrence decides to study the elusive mountain lion in its native habitat and spends ten months alone in the

Selkirk Mountains. This is his story of survival, but also the story of the relationship that develops as he tracks a single puma to learn its habits. Sometimes he is the one being stalked, but eventually the animals come to know and trust him.

The Book of Secrets
Edward Elgar Publishing
Greg and his friends are back with another exciting mystery in the Ghosts of War series! Anderson and his friends Greg and Julie have been doing everything they can to avoid the battered trunk full of old military things in his family's junk shop basement. Only, staying away seems impossible, and this time Anderson discovers a dusty World War II medic's bag inside the trunk. But who does it belong to? Because if the friends have learned anything, it's that they are about to be face-to-face with a ghost. When an army medic ghost appears, Anderson's not sure how to help him. Or if he should help him. The ghost claims he was stationed in North Africa during World War II. But as far as Anderson knows, World War II was fought in Europe. So what's the real story behind this ghost? Can Anderson, Greg, and

Julie solve the mystery, or have they become part of a dangerous haunting?
Conspiracy Game Pocket Books

#1 New York Times bestselling author
Christine Feehan explores the limits of endurance and the boundaries of passion in a life-and-death struggle to survive in this GhostWalker novel... It begins as a mission to protect a politician from an assassination threat. But the operation takes an unexpected turn when Mari, a mysteriously beautiful GhostWalker, is taken hostage. At the same time, Ken Norton, expert assassin and himself a GhostWalker warrior, is on a mission of his own—one that reaches into Mari's own past. No stranger to the ways of violent warfare, Mari must join forces with Ken and trust his every move—each one more intimate than the last.
Roger Ebert's Movie Yearbook 2013 Simon and Schuster
She must choose... ..her Queen - or love!
Faces of Suicide Harvard University Press
A "perfectly executed suspense tale very much in the mode of Daphne du Maurier's *Rebecca*" (The Washington Post) from the #1 New York Times

bestselling author of *In a Dark, Dark Wood*, *The Woman in Cabin 10*, *The Lying Game*, and *The Turn of the Key*. On a day that begins like any other, Hal receives a mysterious letter bequeathing her a substantial inheritance. She realizes very quickly that the letter was sent to the wrong person—but also that the cold-reading skills she’s honed as a tarot card reader might help her claim the money. Soon, Hal finds herself at the funeral of the deceased...where it dawns on her that there is something very, very wrong about this strange situation and the inheritance at the center of it. Full of spellbinding menace and told in Ruth Ware’s signature suspenseful style, this is a “captivating and eerie page-turner” (*The Wall Street Journal*) from the Agatha Christie of our time.

The Prophet's Wife

Scholastic Incorporated
Poxl West fled the Nazis' onslaught in Czechoslovakia. He escaped their clutches again in Holland. He pulled Londoners from the Blitz's rubble. He wooed intoxicating, unconventional beauties. He rained fire on Germany from his RAF bomber. Poxl

West is the epitome of manhood and something of an idol to his teenage nephew, Eli Goldstein, who reveres him as a brave, singular, Jewish war hero. Poxl fills Eli's head with electric accounts of his derring-do, adventures and romances, as he collects the best episodes from his storied life into a memoir. He publishes that memoir, *Skylock*, to great acclaim, and its success takes him on the road, and out of Eli's life. With his uncle gone, Eli throws himself into reading his opus and becomes fixated on all things Poxl. But as he delves deeper into Poxl's history, Eli begins to see that the life of the fearless superman he's adored has been much darker than he let on, and filled with unimaginable loss from which he may have not recovered. As the truth about Poxl emerges, it forces Eli to face irreconcilable facts about the war he's romanticized and the vision of the man he's held so dear. Daniel Torday's debut novel, *The Last Flight of Poxl West*, beautifully weaves together the two unforgettable voices of Eli Goldstein and Poxl West, exploring what it really means to be a hero, and to be a family, in the long

shadow of war.

Beyond the Bright Sea

Open Road Media

In 1988, a retired schoolteacher named Pius Fernandes receives an old diary found in the back room of an East African shop. Written in 1913 by a British colonial administrator, the diary captivates Fernandes, who begins to research the coded history he encounters in its terse, laconic entries. What he uncovers is a story of forbidden liaisons and simmering vengeance, family secrets and cultural exiles--a story that leads him on an investigative journey through his own past and Africa's.

Zazen Penguin

This book is a collection of Nineteen selected stories by the renowned Russian authors. The Death of Mrs. Westaway Penguin

Faces of Suicide: Volume 1 is a collection of stories from the heart, written to show the world that they lived and their lives mattered. Some of the stories may inspire those who are reluctant travelers on this same road. The 60 stories were compiled by members of the Parents of Suicides - Friends and Families of Suicides Internet Community (POS - FFOS).

The Stolen Lady Grand Central Publishing

After their plane crashes in Alaska, seven oil workers are led by a skilled huntsman to survival, but a pack of

merciless wolves haunts their every step.

Russian Short Stories (Illustrated) 212 Books / Himalaya Books

America has enemies--ruthless people that the police, the FBI, even the military can't stop. That's when the U.S. government calls on Will Robie, a stone cold hitman who never questions orders and always nails his target. But Will Robie may have just made the first--and last--mistake of his career . . .

THE INNOCENT It begins with a hit gone wrong. Robie is dispatched to eliminate a target unusually close to home in Washington, D.C. But something about this mission doesn't seem right to Robie, and he does the unthinkable. He refuses to kill. Now, Robie becomes a target himself and must escape from his own people. Fleeing the scene, Robie crosses paths with a wayward teenage girl, a fourteen-year-old runaway from a foster home. But she isn't an ordinary runaway-her parents were murdered, and her own life is in danger. Against all of his professional habits, Robie rescues her and finds he can't walk away. He needs to help her. Even worse, the more Robie learns

about the girl, the more he's convinced she is at the center of a vast cover-up, one that may explain her parents' deaths and stretch to unimaginable levels of power. Now, Robie may have to step out of the shadows in order to save this girl's life . . . and perhaps his own.

The Outcasts of Time Random House

Alice made a promise to make the world a more beautiful place, then a seed of an idea is planted and blossoms into a beautiful plan. This beloved classic and celebration of nature—written by a beloved Caldecott winner—is lovelier than ever! Barbara Cooney's story of Alice Rumphius, who longed to travel the world, live in a house by the sea, and do something to make the world more beautiful, has a timeless quality that resonates with each new generation. The countless lupines that bloom along the coast of Maine are the legacy of the real Miss Rumphius, the Lupine Lady, who scattered lupine seeds everywhere she went. Miss Rumphius received the American Book Award in the year of publication. The illustrations have been reoriginated, going back

to the original art to ensure state-of-the-art reproduction of Cooney's exquisite artwork. The art for Miss Rumphius has a permanent home in the Bowdoin College Museum of Art.

Reacher: Killing Floor

(Movie Tie-In)

HarperCollins UK
 "Slow violence" from climate change, toxic drift, deforestation, oil spills, and the environmental aftermath of war takes place gradually and often invisibly. Rob Nixon

focuses on the inattention we have paid to the lethality of many environmental crises, in contrast with the sensational, spectacle-driven messaging that impels public activism today.
