Gods Without Men Orbit

What can happen when a group of ordinary men and women decide to help those who are helpless? *God Wears His Own Watch* is a first-person account demonstrating tangible evidences of God's power in a growing ministry in upstate South Carolina. Sometimes God acted "just-in-time." Often God seemed late. Although not bound by anyone's timetable, God has answered prayer time and again, bearing testimony that this ministry to homeless men, women and children is rightly called Miracle Hill. Celebrate with us the miraculous and unusual ways in which God intervened personally on behalf of his work and has led alcoholics, drug addicts, arsonists and murderers to live productive, joyful lives. May these stories inspire and encourage you in your walk with God and embolden you to ask for more of God's presence and power in your life's journey. - Back cover.

Winner of the Bram Stoker Award! *Scarecrow Gods* is the tale of Maxom Phinx, a black man tortured and disfigured in Vietnam. Maxom, called the Maggot Man by the Tennessee locals, is feared and reviled because of his appearance. Even so, he takes under his wing a troubled young boy named Danny who's fighting incest rumors to repair a shattered family, wondering every day if his sister will return to clear it all up. In southern Arizona, John the

New Baptist has created a new religion promising salvation. Most people believe in his strange ways. They don't understand he is establishing a herd for his personal use. Only Simon, a faithless Alexian Brother, and a homeless man named Billy Bones who speaks in palindromes, anagrams and metaphor realize the evil and engage the Scarecrow Gods—a circle of immense saguaro dressed in Salvation Army clothes who speak wisdom in the wind from pursed coke bottle lips. Maxom, Simon, Danny and Billy, all fight and converge upon the center of evil as each journeys through the world of imagination, the Land of Inside-Out and across America, striving to defeat demons both personal and real to ultimately discover their deserved salvations.

Why So Many Gods? Hachette UK

At the dawn of the 1970s, waves of hopeful idealists abandoned the city and headed for the country, convinced that a better life awaited. They were full of dreams, mostly lacking in practical skills, and soon utterly out of money. But they knew paradise when they saw it. When Loraine, Craig, Pancake, Hershe, and a dozen of their friends came into possession of 116 acres in Vermont, they had big plans: to grow their own food, build their own shelter, and create an enlightened community. They had little idea that at the same moment, all over the country, a million other young people were making the same move -- back to the land. *We Are As Gods* follows the Myrtle Hill commune as its members enjoy a euphoric Free Love summer. Nearby, a fledgling organic farm sets to work with horses, and a couple -- the author's parents -- attempts to build a geodesic dome. Yet Myrtle Hill's summer ends in panic as they rush to build shelter while they struggle to reconcile their ideals with the somber realities of physical hardship and shifting priorities -- especially when one member goes dangerously rogue. Kate Daloz has written a meticulously researched testament to the dreams of a generation disillusioned by their parents' lifestyles, scarred by the Vietnam War, and yearning for rural peace. Shaping everything from our eating habits to the Internet, the 1970s Back-to-the-Land movement is one of the most influential yet least understood periods in recent history. *We Are As Gods* sheds light on one generation's determination to change their own lives and, in the process, to change the world.

NOW A MAJOR MOTION PICTURE In this striking debut from the author of the National Book Award winner *Paris Trout*, Pete Dexter chronicles a murder and its consequences in the fictional blue-collar Philadelphia neighborhood of God's Pocket. In the desert, you see, there is everything and nothing . . . It is God without men. —Honoré de Balzac, *Une passion dans le désert*, 1830 Jaz and Lisa Matharu are plunged into a surreal public hell after their son, Raj, vanishes during a family vacation in the California desert. However, the Mojave is a place of strange power, and before Raj reappears inexplicably unharmed—but not unchanged—the fate of this young family will intersect with that of many others, echoing the stories of all those who have traveled before them. Driven by the energy and cunning of Coyote, the mythic, shape-shifting trickster, *Gods Without Men* is full of big ideas, but centered on flesh-and-blood characters who converge at an odd, remote town in the shadow of a rock formation called the Pinnacles. Viscerally gripping and intellectually engaging, it is, above all, a heartfelt exploration of the search for pattern and meaning in a chaotic universe. This eBook edition includes a Reading Group Guide.

MACKINLAY KANTOR Pulitzer Prize-winning author of *Andersonville* **GOD AND MY COUNTRY** A Novel By MacKinlay Kantor **BASIS FOR THE MOVIE FOLLOW ME, BOYS** MacKinlay Kantor, the master of the warm and human story, the writer who can make us believe the good in the worst of us, has woven a compelling, appealing novel about the life of a simple American man who held in his care the destinies of hundreds of boys. Here for the first time a major writer portrays the Scoutmaster in a small town in a role as vital as the greatest of schoolmasters, doctors, priests, or ministers. With rare insight and sympathy, MacKinlay Kantor has created the memorable Lem Siddons, who gave forty years of his wisdom, the fund of his laughter, the knowledgeable touch, the

sweetness and love that were his, to generations of Boy Scouts. Not every boy who passed khaki-clothed along his life won the world's respect or the Scoutmaster's pride. There were some misfits, fallers-by-the-wayside . . . sure. But Lem Siddons knew his reward every waking moment of his life and in his dreams as well. His story is one you will remember as that of the closest of your friends: his love for the delicate and freckled Vida that grew with a lifetime, his son Downey who wanted to crowd the years. All the good Kantor writing is here, the lucid and homespun prose that makes tears well in your eyes even as a song rises in your heart. MacKinlay Kantor has set the scene for *God and My Country* in a small town very much like Webster City, Iowa, where he was born, and has dedicated the book to his Scoutmaster of those days. It is a perfect example of MacKinlay Kantor's special genius for capturing the full flavor of a small American town, and of its people. "There's a Mr. Chips' quality to this deceptively simple story. MacKinlay Kantor has told quietly, in realistic terms, the story of one man whose influence permeate a whole Iowa town and rural area. No drum heating for the American vision here, but true democracy emerges in boys at every social and human level. A microcosm of America that strengthens one's faith."—Virginia Kirkus "God and My Country is a song from the heart of America which I would love to sing."—Burl Ives
