BOND KAILEY

Matthew Regent College Publishing

Read the New Testament from a biblical-theological perspective. Featuring contributions from nine respected evangelical scholars, this volume introduces each New Testament book in the context of the whole canon of Scripture, helping anyone who teaches or studies the Bible to apply it to the church today.

The Gospel According to Matthew Inter-Varsity Press

Drawing on many years of Marcan studies, world-class scholar R. T. France has produced an exegetical commentary on the Greek text of Mark that does what the best of recent Greek commentaries have done but in France's own inimitable, reader-friendly way. This work is a commentary on Mark itself, not a commentary on commentaries of Mark. It deals immediately and directly with matters that France himself regards as important. Working from his own translation of the Greek text and culling from helpful research into the world of first-century Palestine, France provides an extensive introduction to Mark's Gospel,

followed by insightful section and verse commentary. France sees the structure of Mark's Gospel as an effective "drama in three acts." Act 1 takes up Jesus' public ministry in Galilee. Act 2 covers Jesus' journey to Jerusalem with his disciples. Act 3 focuses on Jesus' public ministry in Jerusalem, including his confrontation with the Jewish leaders, his explanatory discourse on the future, and his passion, death, and resurrection. France carefully unpacks for modern readers the two central themes of this powerful narrative of Jesus' life -- the nature of Christ and the role of discipleship. Supported by careful argumentation and impressive in its sensitivity to Mark's structure, context, and use of the Old Testament, France's study of the second Gospel is without peer.

Luke (Teach the Text Commentary Series) Wm. B. Eerdmans Publishing

Scot McKnight's commentary expounds James both in its own context and in the context of ancient Judaism, the Greco-Roman world, and the emerging Christian faith. --from publisher description

Healing in the Gospel of Matthew B&H Publishing Group

Matthew was the most popular gospel in the early church, widely

read for its clear emphasis on Jesus' teaching. Craig Keener expounds the text as a discipleship manual for believers today. *Matthew* Wipf and Stock Publishers

This new commentary part of Eerdmans's acclaimed NICNT series gives primary attention to John's gospel in its present form rather than the sources or traditions behind it. J. Ramsey Michaels assumes that the John who authored the book is someone very close to Jesus and, therefore, that the gospel is a testimony to events that actually happened in the life of Jesus. Yet Michaels does not ignore the literary character of the gospel of John or its theological contribution to the larger Christian community from its own time to the present day. Through a detailed verse-by-verse commentary, Michaels reveals how the gospel of the disciple whom Jesus loved is a unified composition, intertwined with the synoptics, yet drawing on material none of them cover.

Built Upon the Rock Crossway

Although healing constitutes both a major theme of biblical literature and a significant practice of biblical communities, healing themes and experiences are not always conspicuous in presentations of biblical theology. Walter T. Wilson adopts an interdisciplinary approach to the healing narratives in the Gospel of Matthew, combining the familiar methods of form, redaction, and narrative criticisms with insights culled from medical anthropology, feminist theory, disability studies, and ancient archaeology. His focus is the New Testament's longest and most systematic account of healing, Matthew chapters 8 and 9, which he investigates by situating the text within a broad range of ancient healing traditions. The close exegetical readings of each healing narrative culminate in a final synthesis that pulls together what can be said about Matthew's understanding of healing, how Matthew's narratives of healing expose the distinctive priorities of the evangelist, and how these priorities relate to the theology of the Gospel as a whole.

The Gospel According to Matthew Wm. B. Eerdmans Publishing
An explanation of the primary theological themes of Matthew's gospel and how they connect to the rest of the Bible.

The Gospel of Luke Explorations in Biblical Theol

R.T. France's study of Matthew's Gospel is a contribution to the Tyndale New Testament Commentaries, a popular commentary designed to help the general Bible reader understand clearly what the text actually says and what it means, without undue recourse to scholarly technicalities.

The Gospel of Matthew - The Gospel of Mark Wm. B. Eerdmans Publishing

THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures. Notable features include: * commentary based on THE NEW INTERNATIONAL VERSION; * the NIV text printed in the body of the commentary; * sound scholarly methodology that reflects capable research in the original languages; * interpretation that emphasizes the theological unity of each book and of Scripture as a whole; * readable and applicable exposition.

The Gospel of Matthew Through New Eyes Volume One

Wm. B. Eerdmans Publishing

"The English translation at the beginning of each section is France's own, designed to provide the basis for the commentary. This adept translation uses contemporary idioms and, where necessary, gives priority to clarity over literary elegance." -- BOOK JACKET.

Matthew Wm. B. Eerdmans Publishing

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King

James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Matthew Baker Books

This book provides a comprehensive introduction to the New Testament Gospel of Matthew and its historical, social and religious contexts.

The Gospel of Matthew Wm. B. Eerdmans Publishing

Matthew is the third volume in the forty-volume Brazos Theological Commentary on the Bible. This commentary, like each in the series, is designed to serve the church--through aid in preaching, teaching, study groups, and so forth--and demonstrate the continuing intellectual and practical viability of theological interpretation of the Bible.

The Gospel of the Son of God BRILL

In the Christian Church the Gospel of Matthew has been considered the most important portrait of Jesus' life and message. Containing Jesus' Sermon on the Mount and a uniquely rich collection of parables, among many other things, Matthew has made a major contribution to the church throughout the centuries, and it still has much to say to the church today. This superb commentary in the Pillar series explores the meaning and relevance of Matthew in an eminently straightforward fashion. Leon Morris writes for readers who use commentaries to discover further what the Bible means. Throughout, he makes clear what he considers to be the meaning of the Greek text that Matthew has bequeathed to the church. A perceptive introduction precedes Morris's warmhearted verse-by-verse exposition of Matthew, an exposition based on his own literal translation of the text. Now a standard reference work on the Gospel of Matthew, this mature, evangelically oriented commentary will continue to meet the needs of students, pastor, and general readers alike.

The Gospel of Matthew InterVarsity Press

The Cornerstone Biblical Commentary provides students, pastors, and laypeople with up-to-date, evangelical scholarship on the Old and New Testaments. It's designed to equip pastors and Christian leaders with exegetical and theological knowledge to better understand and apply God's Word by presenting the message of each passage as well as an overview of other issues surrounding the text. - Publisher.

Matthew Cambridge University Press

A much-overlooked aspect of the Gospel of Matthew is the theme of heaven and earth. Rather than being a reverential circumlocution for God, 'heaven' in Matthew is part of a highly developed discourse of heaven and earth language. Matthew's idiolectic way of using heaven language consists of four aspects: 1) a distinction in meaning between singular and plural forms of ouranos; 2) frequent use of the heaven and earth word pair; 3) regular reference to the Father in heaven; and 4) the recurrent use of the Matthean expression, kingdom of heaven. This book examines the historical precedents for each of these aspects and shows in Matthew how they serve one overriding theological purpose: to highlight the tension that currently exists between heaven and earth or God and humanity, while looking forward to its eschatological resolution.

The Gospel of Matthew Wm. B. Eerdmans Publishing Company

Jesus is King. Standing as a central theme of the Gospel of Matthew, Jesus's kingly authority has profound implications for how we live in the world and interact with those around us. In this reader-friendly commentary, seasoned pastor Doug O'Donnell leads us through the first book of the New Testament, highlighting key themes and offering helpful illustrations for preaching. Drawing on years of pastoral experience, O'Donnell

shows how Matthew's various emphases—including Jesus's messianic titles, fulfillment of Old Testament prophecy, teaching on the kingdom of heaven, and present and future role as judge—all relate to Christ's kingship. Designed to help pastors faithfully preach God's Word, this commentary ultimately highlights Matthew's call to all people to worship and obey Jesus, our humble King and gracious Savior. Part of the Preaching the Word series.

Heaven and Earth in the Gospel of Matthew B&H Publishing Group

The Cradle, the Cross, and the Crown guides serious New Testament students through the historical, literary, and theological dimensions of the biblical text, allowing them to better understand and share God's "word of truth" (2 Tim 2:15). It offers a thorough introduction to all twenty-seven books of the New Testament and closely examines events such as Christ's incarnation and virgin birth, his crucifixion and resurrection, and triumphant return. The second edition features updated bibliographies and footnotes, interpretation sections that cover different literary genres in the New Testament, an epilogue that

canvasses the entire storyline of Scripture, and a variety of maps. All of these new features contribute to making this a life-long resource for students of Scripture.

Constellation Route Fortress Press

This work by R.T. France is not intended to be a guide to all that has been written in recent years about Matthew. Rather, it is an extended introduction to Matthew designed for a non-specialist readership. France concentrates on those areas he finds most interesting and important for the appreciation of Matthew, but he does touch on most major areas of discussion in Matthean studies. Among other things, France covers Matthew's place in the life of the church, the order of the Gospels, Matthew in the post-apostolic church, reasons for Matthew's preeminence, Matthew in the modern church, and literary relationships and the order of composition of the Gospels.

The Gospel of Matthew Canongate Books

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave
