Leaving the Light On Harper Collins  
 NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to

share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows. *When Marriage Meets Grace* Moody Publishers

Love is a Verb Thomas Nelson  
 NEW YORK TIMES BESTSELLER • A deliciously dark tale of America's dysfunctional coming years—and the timeless and tender feelings that just might bring us back from the brink. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times • The Washington Post • The Boston Globe • San Francisco Chronicle • The Seattle Times • O: The Oprah Magazine • Maureen Corrigan, NPR • Salon • Slate • Minneapolis Star Tribune • St. Louis Post-Dispatch • The Kansas City Star • Charlotte Observer • The Globe and Mail • Vancouver Sun • Montreal Gazette • Kirkus Reviews In the near future, America is crushed by a financial crisis and our patient Chinese creditors may just be ready to foreclose on the whole mess. Then Lenny Abramov, son of an Russian immigrant janitor and ardent fan of “printed, bound media artifacts” (aka books), meets Eunice Park, an impossibly cute Korean American woman with a major in Images and a minor in Assertiveness. Could falling in love redeem a planet falling apart? Seminar Manual Moody Publishers  
 The best-selling classic that helps children thrive today and experience a special future tomorrow. Now revised, updated, and enhanced for a new generation! Children of every age long for the gift of “the blessing” — the unconditional love and approval that come from a healthy relationship with their parents. This life-changing gift,

essential for instilling a deep sense of self-worth and unshakable emotional well-being, contains five essential elements: meaningful touch, a spoken message, attaching high value, picturing a special future, and an active commitment. Offering solid, practical advice and a fresh perspective on making this gift a bigger part of our families, *The Blessing* powerfully communicates these biblically based elements as necessary to prepare children for positive future relationships, including their relationship with a loving God. But what if we've missed out on the blessing in our own lives? The book includes hope for "reversing the curse" and helps readers find blessing in situations of divorce, death, desertion, adoption, and blended families. New to this updated edition are practical ideas, questions, exercises, and links for online resources — plus practical advice for planning a blessing event for a child, preparing a written keepsake blessing, and living out the blessing every day of our lives.

*Understanding Your Husband* Thomas Nelson

Presented in one volume, three classics from the relationship expert outline practical techniques for keeping marriage alive, and offer simple principles for raising confident and responsible children while maintaining a close-knit family.

**Giving the Gift of Unconditional Love and Acceptance** Moody Publishers

Out of your heart flow your words and actions. Change your heart, and you'll change your life. According to best-selling author Dr. Gary Smalley, nobody has to live by the destructive subtle lies or believe the distortions of truth this world holds out to us. There are steps,

strategies, and beliefs people can bring to their lives to either totally transform them or quietly improve them—and it all starts with hiding God's Word in their hearts. Hiding God's Word in his heart radically changed the life of Smalley himself, and he is seeing it revolutionize the lives of people around him as well—from lust, materialism, selfishness, anger, stress, overeating, anxiety, and guilt, just to name a few. No matter a person's age, experiences, or previous patterns, this book will guide readers to the whys and hows of orchestrating their beliefs to forever change their lives and relationships.

**The 4 Seasons of Marriage** Moody Publishers

Footloose and broke, the unnamed narrator of *Gone Tomorrow* hops on a plane without asking questions when his director friend offers him a role in an art film set in Colombia. But from the moment he arrives at the airport in Bogotá, only to witness a policeman beat a beggar half to death, it becomes clear that this will not be the story of gritty bohemians triumphing against the odds. The director, Paul Grosvenor, seems more interested in manipulating his cast than in shooting film. The cult star, Irma Irma, is a vamp too bored and boring to draw blood. And the beautiful, nymph-like Michael Simard doesn't seem to be putting out. Meanwhile, the film's shady financier is sleeping with his mother, while a serial killer skulks about the area killing tourists. Everything comes to a head when the carnival celebration begins in nearby Cali. But once the fiesta is over, all that's left are ghostly memories and the narrator's insistence on telling the tale. "Unlike the majority of pointedly AIDS-era novels," writes Dennis Cooper, "*Gone Tomorrow* is neither an amoral nostalgia fest nor a

thinly veiled wake-up call hyping the religion of sobriety. It's a philosophical work devised by a writer who's both too intelligent to buy into the notion that a successful future requires the compromise of collective decision and too moral to accept bitterness as the consequence of an adventurous life."

**Joy of Committed Love** Moody Publishers

Provides guidance and perspective for married couples to help retain love and understanding in a partnership by choosing love over anger in daily married life, and to honor both God and each other in the relationship.

**Love Is a Decision** Tyndale House Publishers, Inc.

This book offers a time-tested method (over 500,000 copies sold) of bridging communication gaps . . . opening the door to greater intimacy and delivering lasting change. *Struggling to Be Understood? Words have incredible power, especially when they say what you mean (and mean what you say). But that same power can be self-defeating, even destructive, when the message heard doesn't match the message intended. Make the most of your communications by learning The Language of Love. Written by best-selling authors Gary Smalley and John Trent, it builds on communication basics introduced in The Two Sides of Love and shows how "emotional word pictures" can infuse understanding and intimacy into all of your relationships. This revised, updated edition of a classic resource is a wonderful tool for personal growth, small group studies, or couples' classes.*

Let Sheltering in Place Together be an Opportunity to Renew Your Relationship  
The COVID-19 pandemic has affected all

facets of life. The health crisis has overwhelmed medical workers, business closings have exacerbated financial stress, and—perhaps most unexpectedly—sheltering in place has placed married couples in endless, unprecedented proximity. Whether this has been challenging or delightful for you and your spouse, let this time be an opportunity to renew your love. Learn how to do so in *5 Simple Ways to Strengthen Your Marriage... When You're Stuck at Home Together* by Dr. Gary Chapman, author of The New York Times bestseller *The 5 Love Languages®*. This guide will help enrich your time stuck together by teaching you and your spouse how to: - Call a truce on throwing word bombs - Tear down emotional walls - Discover and speak each other's love language - Learn the value of teamwork - Have a daily "sit down and listen" time  
*Searching for the Keys to Adaptive Decision Making* Baker Books  
Gary Smalley explains a woman's deepest needs, shows a man how to meet those needs, and gives ten simple steps to strengthen any marriage. He helps men to understand not only how to respond to a woman's feelings, but also how to make her feel important. Using humorous and touching illustrations from his own life, as well as case histories and biblical examples, Gary Smalley maps a blueprint to a better marriage.

*The Secret to Healthy Relationships* Grand Central Publishing  
Explaining the differences between the sexes, this book looks at the basic division between men and women. The author argues that men are, in actual fact, more violent when angry than women who tend to be more verbal. The book offers new insights into the reasons a wife is more likely to nurture a relationship, even though her husband

doesn't carry the instinctive awareness of what the relationship should be. Every relationship can be fulfilling, the secret lies in knowing, understanding and honouring your mate. Whether married for two weeks or 20 years, this book carries important facts for loving couples and their lives together. Better or for Best.

*A Love That Lasts Forever* MIT Press  
Simple ideas, lasting love—all in a short read In this abridged version of the New York Times bestseller *The 5 Love Languages®*, relationships expert Dr. Gary Chapman offers a trimmed-down explanation of his transformational approach to love. People express and receive love in 5 different ways, called love languages: quality time, words of affirmation, gifts, acts of service, and physical touch. The sooner you discover your language and that of your loved one, the sooner you can take your relationship to new heights. And with this summary version of the award-winning book, you don't have to read long to find out. With disarming wit, clear explanations, and inspiring storytelling, Dr. Chapman only needs a moment of your time to transform your love life.

A novel *Love Is a Decision*

What to do when you feel like giving up When you said, "I do," you entered marriage with high hopes, dreaming it would be supremely happy. You never intended it to be miserable. Millions of couples are struggling in desperate marriages. But the story doesn't have to end there. Dr. Gary Chapman writes, "I believe that in every troubled marriage, one or both partners can take positive steps that have the potential for changing the emotional climate in their marriage." *Loving Your Spouse When You Feel Like Walking Away*, the revised

and updated edition of the award-winning *Desperate Marriages*, teaches you how to: Recognize and reject the myths that hold you captive Better understand your spouse's behavior Take responsibility for your own thoughts, feelings, and actions Make choices that can have a lasting, positive impact on you and your spouse An experienced marriage and family counselor, Gary Chapman speaks to those whose spouse is any of the following: Irresponsible A workaholic Controlling Uncommunicative Verbally abusive Physically abusive Sexually abusive Unfaithful Addicted to alcohol or drugs Depressed Marriage has the same potential to be miserable as it does to be blissful. Read *Loving Your Spouse When You Feel Like Walking Away* to learn how you can turn things around.

Discover the ten myths sabotaging your love life, and the practical, science-backed tools you can use to reveal your relationship's hidden strengths and build a fulfilling, long-lasting bond. Dr. Gary W. Lewandowski Jr. is a nationally recognized expert on the psychology of relationships. In his first book, he blends hot-off-the-press science, engaging writing, impactful examples, and fascinating stories to present an impressive range of refreshing and eye-opening set of insights. For instance, did you know that . . . To forecast your relationship's future, you are the worst person to ask. Men are the real romantics in heterosexual relationships, not women. The amount of sex you should have to keep your relationship going strong is lower than you think. It's okay to be selfish. Putting me before you, can help both of you. When it comes to closeness, you can have too

much of a good thing. Struggles actually strengthen your relationship. In terms of partner support, what you're not seeing is more important than what you notice. When your relationship doesn't help you become a better person, ending it does. A bold, fresh take on what it means to love and be loved, *Stronger Than You Think* will help you more confidently and accurately view yourself and your relationship—so that you can fully appreciate the love you have, or find the one you want and deserve.

Life is not a flow chart. We weren't meant to master it on our own. The discussion guides in the Transformation of a Man's Heart series put us in conversation with God and with one another to see how God shapes and transforms us in the ordinary experiences of our lives. This guide by Stephen W. Smith and Gary Chapman demystifies marriage for men.

*...When You're Stuck at Home Together* Tyndale House Publishers, Inc.

When Laura Baxter Jacobs finds out that her husband is involved in an adulterous relationship and wants a divorce, she decides she will love him and remain faithful to her marriage, in the bestselling series that shows how God can redeem seemingly hopeless relationships.

Married And Still Loving It Thomas Nelson

An expert explains how the conventional wisdom about decision making can get us into trouble—and why experience can't be replaced by rules, procedures,

or analytical methods. In making decisions, when should we go with our gut and when should we try to analyze every option? When should we use our intuition and when should we rely on logic and statistics? Most of us would probably agree that for important decisions, we should follow certain guidelines—gather as much information as possible, compare the options, pin down the goals before getting started. But in practice we make some of our best decisions by adapting to circumstances rather than blindly following procedures. In *Streetlights and Shadows*, Gary Klein debunks the conventional wisdom about how to make decisions. He takes ten commonly accepted claims about decision making and shows that they are better suited for the laboratory than for life. The standard advice works well when everything is clear, but the tough decisions involve

shadowy conditions of complexity and ambiguity. Gathering masses of information, for example, works if the information is accurate and complete—but that doesn't often happen in the real world. (Think about the careful risk calculations that led to the downfall of the Wall Street investment houses.) Klein offers more realistic ideas about how to make decisions in real-life settings. He provides many examples—ranging from airline pilots and weather forecasters to sports announcers and Captain Jack Aubrey in Patrick O'Brian's *Master and Commander* novels—to make his point. All these decision makers saw things that others didn't. They used their expertise to pick up cues and to discern patterns and trends. We can make better decisions, Klein tells us, if we are prepared for complexity and ambiguity and if we will stop expecting the data to tell us everything.
