Save My Children: An Astonishing Tale of Survival and Its Unlikely Hero Viking

The remarkable memoir of Zuzana Růčková, Holocaust survivor and world-famous harpsichordist.

'Extraordinary' Sunday Times 'Compelling' Daily Telegraph Zuzana Růčková grew up in 1930s

Czechoslovakia dreaming of two things- Johann Sebastian Bach and the piano. But her peaceful,

melodic childhood was torn apart when, in 1939, the Nazis invaded. Uprooted from her home, transported from Auschwitz to Hamburg to Bergen-Belsen, bereaved, starved, and afflicted with crippling injuries to her musician's hands, the teenage Zuzana faced a series of devastating losses. Yet with every truck and train ride, a small slip of paper printed with her favourite piece of Bach's music became her talisman. Armed with this 'proof that beauty still existed', Zuzana's fierce bravery and passion ensured her survival of the greatest human atrocities of all time, and would continue to sustain her through the brutalities of post-war Communist rule. Harnessing her talent and dedication, and fortified by the love of her husband, the Czech composer Viktor Kalabis, Zuzana went on to become one of the twentieth century's most renowned musicians and the first harpsichordist to record the entirety of Bach's keyboard works. Zuzana's story, told here in her own words before her death in 2017, is a profound and powerful testimony of the horrors of the Holocaust, and a testament in itself to the importance of amplifying the voices of its survivors today. It is also a joyful celebration of art and resistance that defined the life of the 'first lady of the harpsichord' o a woman who spent her life being ceaselessly reborn through her music. *Goodbye for Always* Black Inc.

'A riveting tale, brilliantly told' Philippe Sands The little-known story of Hitler's war on modern art and the mentally ill.

"Naomi Litvin leaves all students of the Holocaust in her debt...every memoir adds to our knowledge, both of what happened, and of the emotions and feelings of that terrible era, and this memoir is no exception: it calls out to be read." -Sir Martin Gilbert, Winston Churchill's official biographer, and author of eighty-one books. Naomi Litvin is a freelance writer and lives in Northern California.

2021 "An uplifting tale, suffused with a karmic righteousness that is, at times, exhilarating." —Wall Street Journal "A gripping narrative that reads like a page turning thriller novel." —NPR In the summer of 1942, the Rabinowitz family narrowly escaped the Nazi ghetto in their Polish town by fleeing to the forbidding Bialowieza Forest. They miraculously survived two years in the woods—through brutal winters, Typhus outbreaks, and merciless Nazi raids—until they were liberated by the Red Army in 1944. After the war they trekked across the Alps into Italy where they settled as refugees before eventually immigrating to the United States. During the first ghetto massacre, Miriam Rabinowitz rescued a young boy named Philip by pretending he was her son. Nearly a decade later, a chance encounter at a wedding in Brooklyn would lead Philip to find the woman who saved him. And to discover her daughter Ruth was the love of his life. From a little-known chapter of Holocaust history, one family's inspiring true story.

There was never a more terrible time for Jews in Europe than from 1938 to 1945. The Nazis had overrun a great deal of the continent, bent on the domination of the world and the annihilation of an entire people. The death camps, unknown to most outside Europe, claimed more than six millions Jews during that time. Some endured -- and most have breathtaking stories of survival. Why they survived when so many perished is a matter of coincidence, luck, the will to live and the courage and sacrifice of many others. The full scope of that sacrifice will never be completely chronicled, it is just too vast. "Good-bye for Always, The Triumph of the Innocents" is the story of the youngest members of the Widerman family, who moved to Paris from Poland, only to be caught up in the horror of the Nazi occupation. In 1942, Cecile and Betty Widerman began a journey into the belly of the worst beast mankind has to offer. For two years they were literally one step ahead of death, as Nazi cruelty sought to envelop them as it had millions of others. How they survived, why they survived and who nearly gave their own lives to protect them is a story of inspiration and will that is sure to live forever.

The Assignment Rowman & Littlefield

"The most comprehensive to date treatment of these precious artifacts of the Holocaust's Jewish efforts to maintain religious observations and identity." —Choice Calendars map time, shaping and delineating our experience of it. While the challenges to tracking Jewish conceptions of time during the Holocaust were substantial, Alan Rosen reveals that many took great risks to mark time within that vast upheaval. Rosen inventories and organizes Jewish calendars according to the wartime settings in which they were produced—from Jewish communities to ghettos and concentration camps. The calendars he considers reorient views of Jewish circumstances during the war and show how Jews were committed to fashioning traditional guides to daily life, even in the most extreme conditions. In a separate chapter, moreover, he elucidates how Holocaust-era diaries sometimes served as surrogate Jewish calendars. All in all, Rosen presents a revised idea of time, continuity, the sacred and the mundane, the ordinary and the extraordinary even when death and destruction were the order of the day. Rosen's focus on the Jewish calendar—the ultimate symbol of continuity, as weekday follows weekday and Sabbath follows Sabbath—sheds new light on how Jews maintained connections to their way of conceiving time even within the cauldron of the Holocaust. "Rosen demonstrates the relationship between time and meaning, between meaning and holiness, between holy days and the divine presence—all of which came under assault in the Nazis' effort to kill Jewish souls before destroying Jewish bodies." —David Patterson, author of *Along the Edge of Annihilation: The Collapse and Recovery of Life in the Holocaust Diary*

The memoir of a Holocaust survivor keeping alive the stories of his generation. For more than 30 years, Phillip Maisel has worked selflessly to record the harrowing stories of Holocaust survivors.

Volunteering at Melbourne's Jewish Holocaust Centre, Phillip has listened tirelessly to their memories, preserved their voices and proven, time and time again, just how healing storytelling can be. Each testimony of survival is a miracle in itself - earning Phillip the nickname 'the Keeper of Miracles'. But, for Phillip, confronting and overcoming trauma is also personal. A Holocaust survivor himself, he, too, has unthinkable stories of triumph and tragedy, cruelty and hope. Published as Phillip turns 99, this deeply moving, healing and inspiring memoir shows us the cathartic power of storytelling and reminds us never to underestimate the impact of human kindness. 'This is my responsibility and my privilege: to be custodian of their memories, to be able to pass their stories on to the next generation - for me, this will be the greatest miracle of all.'
