Learn how to make fabric face masks with this collection of simple designs that are quick and easy to sew. This book includes three basic styles--classic, pleated, and contoured--allowing you to choose the mask design best suited for your needs and preferences. Each mask style is available in three different sizes, so you can make masks for everyone in your family, from kids to adults. Best of all, the book also includes enough elastic

to make three masks, so you can get started sewing right away! Making your own fabric masks allows you to personalize the design and incorporate your favorite fabrics or add special details, like applique or embroidery. You can even create a face mask to match your outfit! As an added bonus, the book includes adorable animal-themed styles designed especially for young kids to help make wearing a mask fun and friendly. In addition to helping prevent the spread of germs, masks can be worn to reduce allergy symptoms and protect against cleaning fumes and air pollution. Face masks are becoming part of our daily lives, so why not make one that is both functional and cute!

Sew edgy, urban clothes with this stylish sewing book and add a touch of originality to your wardrobe. More and more women are opting to make their own clothes, but most of the books on the market emphasize girly, feminine designs. *She Wears the Pants* is the first Japanese sewing book (in English) to focus on the increasingly popular "borrowed-from-the-boys" look. Already one of the best-known and reviewed sewing books in Japan, this sporty addition to the sew-it-yourself craze is poised to take the American DIY sewing market by storm. Sometimes women are in the mood for clothes with strong, clean lines and casual sophistication—polish and simplicity

without the frills. *She Wears the Pants* is the book for those times. A graduate of the Bunka Fashion Institute, Yuko Takada provides patterns and instructions for making twenty spare and streamlined wardrobe items, including: Versatile tops that can be either casual or dressy jackets that are timeless and unique Dresses and skirts that are straight-line or draped Three different pants lengths, from culottes to full-length trousers And much, much more! Patterns can be easily adjusted to suit any body size, and Takada shows readers how to select inexpensive, readily available fabrics and transform them into an elegant new wardrobe. Understated never looked so good!

50 Fat Quarter Toys "O'Reilly Media, Inc."

Here are 35 brilliant projects that will help you learn how to sew. If you've never used a needle and thread before, don't worry—start with the "Sewing Techniques" section, which simply explains how to do every stitch. Then pick something to make from one of the four chapters. In the "Toys" chapter, you'll find juggling animals, sock monsters and rag dolls, while in "Fashion Fun", there are gorgeous bags, hair accessories and more. Next, discover some brilliant "Decorations" from hanging felt stars to pretty lavender bags. Finally, "Great Gifts" is packed with ideas, such as the finger puppet cards, felt egg cosies or the sausage dog draft excluder. All the instructions and cute step-by-step artworks are easy to follow; plus, each project has a grade so that you can start with easy sewing and move onto using more advanced stitches as you get better at it.
