The haunting

true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. The haunting true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. Introduction

by Gillian Flynn •  
Afterword by Patton  
Oswalt “A brilliant genre-  
buster.... Propulsive,  
can’t-stop-now reading.”  
—Stephen King For more  
than ten years, a  
mysterious and violent  
predator committed fifty  
sexual assaults in  
Northern California before  
moving south, where he  
perpetrated ten sadistic  
murders. Then he  
disappeared, eluding  
capture by multiple police  
forces and some of the  
best detectives in the  
area. Three decades later,  
Michelle McNamara, a

true crime journalist who  
created the popular  
website  
TrueCrimeDiary.com, was  
determined to find the  
violent psychopath she  
called "the Golden State  
Killer." Michelle pored  
over police reports,  
interviewed victims, and  
embedded herself in the  
online communities that  
were as obsessed with the  
case as she was. I'll Be  
Gone in the Dark—the  
masterpiece McNamara  
was writing at the time of  
her sudden death—offers  
an atmospheric snapshot  
of a moment in American

history and a chilling  
account of a criminal  
mastermind and the  
wreckage he left behind.  
It is also a portrait of a  
woman’s obsession and  
her unflagging pursuit of  
the truth. Utterly original  
and compelling, it has  
been hailed as a modern  
true crime classic—one  
which fulfilled Michelle's  
dream: helping unmask  
the Golden State Killer.  
**The Last Book in the  
Universe** Anchor  
Reader beware! This is  
the scariest book ever! Or  
so claims its  
melodramatic ghost

narrator. You can go ahead and turn the page, but don't expect him to come with you. Anything might pop out of that black hole in the middle of the forest. What do you mean it's just a bunny? Well, it's probably a bunny with big fangs. Watch out, it's--picking pumpkins with its friends, you say? Actually, despite the ghost's scare-mongering, none of the animal characters in the illustrations seem scary at all. . . . What's up with that? Many delights, such as surprises after the

page turn, an alarmist narrator, and punch lines to anticipate make this book a scream for both kids and parents.

*The Worst Book in the Whole Entire World*  
Penguin

With the publication of *The Third Policeman*, Dalkey Archive Press now has all of O'Brien's fiction back in print.

Penguin  
The bestselling landmark account of the first emergence of the Ebola virus. Now a mini-series drama starring Julianna Margulies, Topher Grace,

Liam Cunningham, James D'Arcy, and Noah Emmerich on National Geographic. A highly infectious, deadly virus from the central African rain forest suddenly appears in the suburbs of Washington, D.C. There is no cure. In a few days 90 percent of its victims are dead. A secret military SWAT team of soldiers and scientists is mobilized to stop the outbreak of this exotic "hot" virus. The *Hot Zone* tells this dramatic story, giving a hair-raising account of the appearance of rare and

lethal viruses and their "crashes" into the human race. Shocking, frightening, and impossible to ignore, The Hot Zone proves that truth really is scarier than fiction.

The Terrifying True Story of the Origins of the Ebola Virus Pan

Passionate, violent, sexy and daring ... A true page-turner - USA Today The tantalising start to a seductive fantasy series from global #1 bestselling author Sarah J. Maas Feyre is a huntress. And when she sees a deer in

the forest being pursued by a wolf, she kills the predator and takes its prey to feed herself and her family. But the wolf was not what it seemed, and Feyre cannot predict the high price she will have to pay for its death ... Dragged away from her family for the murder of a faerie, Feyre discovers that her captor, his face obscured by a jewelled mask, is hiding even more than his piercing green eyes suggest. As Feyre's feelings for Tamlin turn from hostility to passion, she learns that the faerie

lands are a far more dangerous place than she realized. And Feyre must fight to break an ancient curse, or she will lose him forever. Sarah J. Maas's books have sold millions of copies worldwide and have been translated into 37 languages. Discover the sweeping romantic fantasy for yourself.

**Mark Z. Danielewski's House of Leaves**

Bloomsbury Publishing Last Days (winner of the British Fantasy Award for Best Horror Novel of the Year) by Adam Nevill is a Blair Witch style novel in

which a documentary film-maker undertakes the investigation of a dangerous cult—with creepy consequences. When guerrilla documentary maker, Kyle Freeman, is asked to shoot a film on the notorious cult known as the Temple of the Last Days, it appears his prayers have been answered. The cult became a worldwide phenomenon in 1975 when there was a massacre including the death of its infamous leader, Sister Katherine.

Kyle's brief is to explore the paranormal myths surrounding an organization that became a testament to paranoia, murderous rage, and occult rituals. The shoot's locations take him to the cult's first temple in London, an abandoned farm in France, and a derelict copper mine in the Arizonan desert where The Temple of the Last Days met its bloody end. But when he interviews those involved in the case, those who haven't broken silence in decades, a series of uncanny

events plague the shoots. Troubling out-of-body experiences, nocturnal visitations, the sudden demise of their interviewees and the discovery of ghastly artifacts in their room make Kyle question what exactly it is the cult managed to awaken – and what is its interest in him? *A Novel* / Open Road Media

An isolated mansion. A  
chillingly charismatic  
aristocrat. And a brave

socialite drawn to expose  
their treacherous secrets.  
. . . From the author of  
Gods of Jade and Shadow  
comes “a terrifying twist  
on classic gothic horror”  
(Kirkus Reviews) set in  
glamorous 1950s Mexico.  
After receiving a frantic  
letter from her newly-wed  
cousin begging for  
someone to save her from  
a mysterious doom,  
Noemí Taboada heads to  
High Place, a distant  
house in the Mexican  
countryside. She's not  
sure what she will  
find—her cousin's  
husband, a handsome

Englishman, is a stranger,  
and Noemí knows little  
about the region. Noemí is  
also an unlikely rescuer:  
She's a glamorous  
debutante, and her chic  
gowns and perfect red  
lipstick are more suited  
for cocktail parties than  
amateur sleuthing. But  
she's also tough and  
smart, with an  
indomitable will, and she  
is not afraid: Not of her  
cousin's new husband,  
who is both menacing and  
alluring; not of his father,  
the ancient patriarch who  
seems to be fascinated by  
Noemí; and not even of

the house itself, which begins to invade Noemi's dreams with visions of blood and doom. Her only ally in this inhospitable abode is the family's youngest son. Shy and gentle, he seems to want to help Noemí, but might also be hiding dark knowledge of his family's past. For there are many secrets behind the walls of High Place. The family's once colossal wealth and faded mining empire kept them from prying eyes, but as Noemí digs deeper she unearths stories of violence and madness.

And Noemí, mesmerized by the terrifying yet seductive world of High Place, may soon find it impossible to ever leave this enigmatic house behind. "It's as if a supernatural power compels us to turn the pages of the gripping Mexican Gothic."—The Washington Post "Mexican Gothic is the perfect summer horror read, and marks Moreno-Garcia with her hypnotic and engaging prose as one of the genre's most exciting talents."—Nerdist "A period thriller as rich in

suspense as it is in lush '50s atmosphere."—Entertainment Weekly  
*A Court of Thorns and Roses* Spectra  
 The polarizing literary debut by Scottish author Ian Banks, *The Wasp Factory* is the bizarre, imaginative, disturbing, and darkly comic look into the mind of a child psychopath. Meet Frank Cauldhame. Just sixteen, and unconventional to say the least: Two years after I killed Blyth I murdered my young brother Paul, for quite different and

more fundamental reasons than I'd disposed of Blyth, and then a year after that I did for my young cousin Esmerelda, more or less on a whim. That's my score to date. Three. I haven't killed anybody for years, and don't intend to ever again. It was just a stage I was going through.

*The Haunting of Hill House* St. Martin's Griffin Masterful and macabre short fiction from the New York Times–bestselling author of *Swan Song*. Father John has lived his whole life without

knowing a woman's touch. Hard at first, his self-denial grew easier over time, as he learned to master his urges with a regimen of prayer, cold showers, and jigsaw puzzles. That changed the day that Debra Rocks entered his confessional. A rough-talking adult film actress, she has come to ask him to pray for a murdered costar. Her cinnamon perfume infects Father John, and after she departs he becomes obsessed. Around the corner from his church is a neon-lit alley of sin. He

goes there hoping to save her life before he damns himself. That is "Blue World," the novella that anchors this collection of chilling stories by Robert R. McCammon. Although monsters, demons, and murderers fill these pages, in McCammon's world the most terrifying landscape of all is the barren wasteland of a lost man's soul.

**It** The Scariest Book Ever OH NO!!! You found The Worst Book in the Whole Entire World! Well, since you're already here I may as well tell you about it...

Poor Nameless tries to explain to the reader why this book is simply the WORST book in the whole entire world. Will he succeed in his noble quest? Is he the reason this book is the worst?? Will it have a happy ending or the worst ending ever??? The Worst Book in the Whole Entire World is a humorous and witty tale for young and seasoned readers. Whatever you do though, don't read it out loud! You may catch wind of these words: toot, stinky, booger, and booty. You've

been warned, but you'll still want to see what happens next!  
A Novel St. Martin's Griffin  
 The White People is a horror short story by Welsh author Arthur Machen. Written in the late 1890s.  
**A Novel of Iceland**  
 Scholastic Inc.  
 The greatest haunted house story ever written, the inspiration for a 10-part Netflix series directed by Mike Flanagan and starring Michiel Huisman, Carla Gugino, and Timothy Hutton First published in 1959, Shirley

Jackson's The Haunting of Hill House has been hailed as a perfect work of unnerving terror. It is the story of four seekers who arrive at a notoriously unfriendly pile called Hill House: Dr. Montague, an occult scholar looking for solid evidence of a "haunting"; Theodora, his lighthearted assistant; Eleanor, a friendless, fragile young woman well acquainted with poltergeists; and Luke, the future heir of Hill House. At first, their stay seems destined to be merely a spooky

encounter with inexplicable phenomena. But Hill House is gathering its powers—and soon it will choose one of them to make its own. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts

enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. Rosemary's Baby HMH The "masterfully chilling" novel that inspired the hit AMC series (Entertainment Weekly). The men on board the HMS Terror — part of the 1845 Franklin Expedition, the first steam-powered vessels ever to search for the legendary Northwest Passage — are entering a

second summer in the Arctic Circle without a thaw, stranded in a nightmarish landscape of encroaching ice and darkness. Endlessly cold, they struggle to survive with poisonous rations, a dwindling coal supply, and ships buckling in the grip of crushing ice. But their real enemy is even more terrifying. There is something out there in the frigid darkness: an unseen predator stalking their ship, a monstrous terror clawing to get in. "The best and most unusual historical novel I

have read in years.”

—Katherine A. Powers,  
Boston Globe

*Extremities* Penguin  
Random House South  
Africa

"The Lair of the White  
Worm is a horror novel by  
the Irish writer Bram  
Stoker. It was first  
published by Rider and  
Son of London in 1911 -  
the year before Stoker's  
death - with colour  
illustrations by Pamela  
Colman Smith. The story  
is based on the legend of  
the Lambton Worm. It has  
also been issued as *The  
Garden of Evil*. In 1925 a

highly abridged and  
rewritten[clarification  
needed] form was  
published. It was  
shortened by more than  
100 pages, the rewritten  
book having only 28  
chapters instead of the  
original 40. The final  
eleven chapters were cut  
down to only five, leading  
some critics to complain  
that the ending was  
abrupt and  
inconsistent. *The Lair of  
the White Worm* was very  
loosely adapted by Ken  
Russell into a 1988 film of  
the same name. The first  
episode of the German

radio drama ""Die  
Schwarze Sonne"",  
produced by the label  
LAUSCH, is loosely based  
on the events of *The Lair  
of the White Worm*. The  
main characters of the  
radio drama are also  
based on the protagonists  
of the novel and feature in  
the rest of the episodes  
even though the plot  
turns away from Stoker's  
original story."  
The Troop Anchor  
A family moves into a  
beautiful old home in rural  
Maine, not realizing the  
horror that awaits them  
from the pet cemetery

and Indian burial ground behind the house.

My Soul to Take Disney-Hyperion

A collection of original horror and dark fantasy from the world's best writers, including Stephen King and John Ajvide Lindqvist Many of us grew up on The Pan Book of Horror Stories and its later incarnations, Dark Voices and Dark Terrors (The Gollancz Book of Horror), which won the World Fantasy Award, the Horror Critics' Guild Award and the British Fantasy Award, but for a decade or more

there has been no non-themed anthology of original horror fiction published in the mainstream. Now that horror has returned to the bookshelves, it is time for a regular anthology of brand-new fiction by the best and brightest in the field, both the Big Names and the most talented newcomers including: - Ramsey Campbell - Peter Crowther - Dennis Etchison - Elizabeth Hand - Brian Hodge - Caitlin R. Kiernan - Stephen King - John Ajvide Lindqvist - Richard Christian

Matheson - Reggie Oliver - Robert Shearman - Angela Slatter - Michael Marshall Smith - Lisa Tuttle A Book of Horrors will be the foremost in the field: an eclectic collection of the very best chiller fiction from across the world. *Blue World* Simon and Schuster

"It's a local legend. No one is sure if this "Camp Slaughter" place is real or not. But a group of college kids renting out a cabin deep in the woods of Pennsylvania will soon realize the truth. They'll realize the danger, too. Or

rather, the cannibal out in the woods will bring the danger to them...

Pet Sematary Del Rey

“Top notch crime fiction.”  
—Boston Globe  
American readers first met Icelandic lawyer and investigator Thóra Gudmundsdóttir in *Last Rituals*. In *My Soul to Take*, internationally acclaimed author Yrsa Sigurdardóttir plunges her intrepid heroine into even graver peril, in a riveting thriller set against the harsh landscape of Smíla’s Sense of Snow territory. A darkly witty and continually surprising

suspense tale that places Yrsa Sigurdardóttir firmly in the ranks of Sue Grafton, Tess Gerritsen, Faye Kellerman and other top mystery writers, *My Soul to Take* is ingenious Scandinavian noir on a par with the works of Henning Mankell and Arnaldur Indridason. *Stieg Larsson* (*The Girl With the Dragon Tattoo*) fans should also take note.

### **The Wasp Factory**

Penguin UK

Now a Netflix Original Movie! When four old University friends set off into the Scandinavian

wilderness of the Arctic Circle, they aim to briefly escape the problems of their lives and reconnect with one another. But when Luke, the only man still single and living a precarious existence, finds he has little left in common with his well-heeled friends, tensions rise. With limited experience between them, a shortcut meant to ease their hike turns into a nightmare scenario that could cost them their lives. Lost, hungry, and surrounded by forest untouched for millennia,

Luke figures things couldn't possibly get any worse. But then they stumble across an old habitation. Ancient artefacts decorate the walls and there are bones scattered upon the dry floors. The residue of old rites and pagan sacrifice for something that still exists in the forest. Something responsible for the bestial presence that follows their every step. As the four friends stagger in the direction of salvation, they learn that death doesn't come easy among these ancient

trees . . .  
One Woman's Obsessive Search for the Golden State Killer Pantheon  
IN A BROKEN CITY, A DISTURBED KILLER IS TRYING TO REMAKE THE WORLD IN HIS IMAGE.  
Detective Gabriella Versado has seen a lot of bodies. But this one is unique even by Detroit's standards: half-boy, half-deer, somehow fused together. And it's only the first. As winter closes in on Detroit, strange and disturbing corpses start turning up in unusual

places, pulling several lives into the killer's orbit. Gabi has to juggle the most harrowing case of her career with being a single mom to her troubled teen daughter Layla. Layla, egged on by her best friend Cas, is playing a dangerous game with an online predator. Broken Monsters is a dark and gripping thriller about the death of the American Dream, online fame, creativity, compromise and the undercurrents of the world we live in right now.
