GIOVANNA

THOMAS

A Fairy Story Philip
Allan
NEW YORK TIMES
bestselling author
James Swanson

delivers a riveting account of the chase for Abraham Lincoln's assassin. Based on rare archival material, obscure trial manuscripts, and interviews with relatives of the conspirators and the manhunters, CHASING LINCOLN'S KILLER is a fast-paced thriller about the pursuit and capture of John Wilkes Booth: a wild twelve-day chase through the streets of Washington, D.C., across the swamps of Maryland, and into the forests of Virginia.

Animal Farm and 1984
Nineteen Eighty-Four

Yoyo Music

Set at the beginning of the Second World War, *Coming Up for Air* describes suburban insurance agent George Bowling's return to his birthplace, a sedate Oxfordshire village. This new edition of one of George Orwell's early pre-war works explores the historical and political context of the

novel.

Burmese Days Plume

George Orwell's *Nineteen Eighty-Four* is unquestionably the most famous dystopian novel of all times.

Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member.

Why I Write

ReadHowYouWant
George Orwell was a much-respected English novelist, who wrote some of the finest pieces in literary criticism, It got published in August 1945. His work is animal farm The fiction based on Farm animals, the author has named them too. Such as Major (a majestic-looking pig), 3-dogs (Bluebell, Jessie, and Pincher), many hens, pigeons, ducklings, sheep and cows. Two horses, Boxer and Clover. Amongst them, Major is their leader. He wanted to speak on the nature of life on this earth and How any animal is now living. Animals complain that despite their hard labour, why then do they continue in the miserable condition

They also com-plain about human beings that they use to steal nearly the whole of their produce. Their main enemy is - Man. The book narrates about the agony of ill-treated farm animals. 1984 George Orwell is the pen name of the author, Eric Arthur Blair. He was an English essayist, novelist, journalist and critic. His writings are based on social criticism, anti-Fascism, anarchism. The story behind its title is also very interesting, when Orwell finished this novel in 1948, this title was chosen simply as the inversion of this year. So, at last, in the story, there is a celebration of massive victory of Okeanias over Eurasian armies in Africa. Also, Winston accepted that he loves

Big Brother. How this happened What were the circumstances Winston refused to love Julia How this political storm took place For all, the story reveals step by step in an interesting manner. A mind-blowing novel of that time and forever.

A satire on totalitarianism in which farm animals overthrow their human owner and set up their own government
Nineteen Eighty-Four
Phoemixx Classics
Ebooks
Set in the days of the

Empire, with the British ruling in Burma, Burmese Days describes both indigenous corruption and Imperial bigotry, when 'after all, natives were natives - interesting, no doubt, but finally only a "subject" people, an inferior people with black faces'. Against the prevailing orthodoxy, Flory, a white timber merchant, befriends Dr Veraswami, a black enthusiast for Empire. The doctor needs help. U Po Kyin, Sub-divisional Magistrate of Kyauktada, is plotting his downfall. The only thing that can save him is European patronage: membership of the hitherto all-white Club. While Flory prevaricates, beautiful Elizabeth Lackersteen

arrives in Upper Burma from Paris. At last, after years of 'solitary hell', romance and marriage appear to offer Flory an escape from the 'lie' of the 'pukka sahib pose'.
Animal Farm and 1984 Animal Farm ♥♥ Animal Farm by George Orwell ♥♥ Animal Farm is a satirical allegorical novella by George Orwell, first published in England on 17 August 1945. The book tells the story of a group of farm animals who rebel against their human farmer, hoping to create a society where the animals can be equal, free, and happy. Ultimately, the rebellion is betrayed, and the farm ends up in a state as bad as it was before, under the dictatorship of a pig named Napoleon. ♥♥

Animal Farm by George Orwell ♥♥ According to Orwell, the fable reflects events leading up to the Russian Revolution of 1917 and then on into the Stalinist era of the Soviet Union. Orwell, a democratic socialist, was a critic of Joseph Stalin and hostile to Moscow-directed Stalinism, an attitude that was critically shaped by his experiences during the May Days conflicts between the POUM and Stalinist forces during the Spanish Civil War. ♥♥ Animal Farm by George Orwell ♥♥ The Soviet Union had become a totalitarian autocracy built upon a cult of personality while engaging in the practice of mass incarcerations and secret summary trials and executions. In a

letter to Yvonne Davet, Orwell described Animal Farm as a satirical tale against Stalin ("un conte satirique contre Staline"), and in his essay "Why I Write" (1946), wrote that Animal Farm was the first book in which he tried, with full consciousness of what he was doing, "to fuse political purpose and artistic purpose into one whole". ♥♥ Animal Farm by George Orwell ♥♥ The original title was Animal Farm: A Fairy Story, but U.S. publishers dropped the subtitle when it was published in 1946, and only one of the translations during Orwell's lifetime kept it. Other titular variations include subtitles like "A Satire" and "A Contemporary Satire". Orwell

suggested the title Union des républiques socialistes animales for the French translation, which abbreviates to URSA, the Latin word for "bear", a symbol of Russia. It also played on the French name of the Soviet Union, Union des républiques socialistes soviétiques.

Fusion Books
Rev. ed. of: The experience economy: work is theatre & every business a stage. 1999. 1984, by George Orwell BEYOND BOOKS HUB

Keep the Aspidistra Flying - George Orwell - Keep the Aspidistra Flying, first published in 1936, is a socially critical novel by George Orwell. It is set in 1930s London. The

main theme is Gordon Comstock's romantic ambition to defy worship of the money-god and status, and the dismal life that results. He etches the ugly insanity of what Gordon calls "the money-world" in unflinching detail, but the satire has a second edge, too, and Gordon himself is scarcely heroic. In the course of his misadventures, we become grindingly aware that his radical solution to the problem of the money-world is no solution at all--that in his desperate reaction against a monstrous system, he has become something of a monster himself. *Keep the Aspidistra Flying* William Collins George Orwell set out 'to make political writing into an art', and to a wide extent this

aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Politics and the English Language*, the second in the *Orwell's Essays* series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'.

In an age where the language used in politics is constantly under the microscope, Orwell's *Politics and the English Language* is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can – and must – be rediscovered with every age.' — *Irish Times*
