Use the English you already know to quickly learn the basics of Spanish with this unique, accessible guide featuring original illustrations by Andy Warhol—from one of America’s most prominent language teachers. Read, write, and speak Spanish in only a few short weeks! Even the most reluctant learner will be astonished at the ease and effectiveness of Margarita Madrigal’s unique method of teaching a foreign language. Completely eliminating rote memorization and painfully boring drills, Madrigal’s *Magic Key to Spanish* is guaranteed to help you:

- Learn to speak, read, and write Spanish quickly and easily
- Convert English into Spanish in an instant
- Start forming sentences after the very first lesson
- Identify thousands of Spanish words within a few

weeks of study • Travel to Spanish-speaking countries with confidence and comfort • Develop perfect pronunciation, thanks to a handy pronunciation key With original black-and-white illustration by Andy Warhol, Madrigal's Magic Key to Spanish will provide readers with a solid foundation upon which to build their language skills.

Modern Spanish Grammar Contemporary Books

Modern Spanish Grammar: A Practical Guide is an innovative reference guide to Spanish, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. The shorter section covers traditional grammatical categories such as word order, nouns, verbs and adjectives. The larger section is carefully

organized around language functions and notions such as: giving and seeking information putting actions into context * expressing likes, dislikes and preferences comparing objects and actions. All grammar points and functions are richly illustrated and information is provided on register and relevant cultural background. Written by experienced teachers and academics, the Grammar has a strong emphasis on contemporary usage. Particular attention is paid to indexing and cross-referencing across the two sections. This is the ideal reference grammar for learners of Spanish at all levels, from elementary to advanced. It will prove invaluable to those with little experience of formal grammar, as no prior knowledge of grammatical terminology is assumed

and a glossary of terms is provided. The book will also be useful to teachers seeking back-up to functional syllabuses, and to designers of Spanish courses.

Spanish Grammar Made Easy

Springer Science & Business Media

Do You Want To Master Spanish

Grammar Easily & Efficiently? If your

answer is yes, then this book is going to

for in-class use. It contains all the grammar review material and activities in the original Repaso, but is designed for students to work on their own paper.'

A Comprehensive Spanish Grammar

Cambridge University Press

This is an adaptation of *Essential Grammar in Use for Spanish elementary learners*.

Essential Grammar in Use Book without Answers Spanish Edition Cambridge University Press

(abridged and revised) This reference grammar offers intermediate and advanced students a reasonably comprehensive guide to the morphology and syntax of educated speech and plain prose in Spain and Latin America at the end of the twentieth century. Spanish is the main, usually the sole official

language of twenty-one countries,} and it is set fair to overtake English by the year 2000 in numbers 2 of native speakers. This vast geographical and political diversity ensures that Spanish is a good deal less unified than French, German or even English, the latter more or less internationally standardized according to either American or British norms. Until the 1960s, the criteria of internationally correct Spanish were dictated by the Real Academia Espanola, but the prestige of this institution has now sunk so low that its most solemn decrees are hardly taken seriously - witness the fate of the spelling reforms listed in the *Nuevas normas de prosodia y ortograjia*, which were supposed to come into force in all Spanish-speaking countries in 1959 and, nearly forty years

later, are still selectively ignored by publishers and literate persons everywhere. The fact is that in Spanish 'correctness' is nowadays decided, as it is in all living languages, by the consensus of native speakers; but consensus about linguistic usage is obviously difficult to achieve between more than twenty independent, widely scattered and sometimes mutually hostile countries. Peninsular Spanish is itself in flux.

Essential Spanish Grammar Courier Corporation

The Grammar Made Easy series is ideal for complete beginners as well as for those non-linguists who have some

knowledge of the language but need to know the basics of grammar to progress beyond phrasebook level. The books consist of seven units that present basic grammar topics in an accessible and non-patronising manner. A companion website provides extensive interactive grammar practice, it contains around 220 activities (those included in the book plus extra ones) covering all the language in Spanish Grammar Made Easy. Learners work at their own pace and move through the different sections with ease. Numerous grammar tips are at hand if needed. All the correct answers will be recorded so that learners can practise their listening and pronunciation skills.
