We all encounter times when our spirit feels dry, when doubt looms. The opportunity to tour Israel came at a good time. For months, my life has been a mindless plodding through necessary routine, as monotonous as an all-night shift on an assembly line. Life gets that way sometimes, when nothing specific is wrong but the world around us seems drained of color. Even my weekly worship experiences and daily quiet times with God have felt as dry and stale as last year's crackers. I'm ashamed to confess the malaise I've felt. I have been given so much. Shouldn't a Christian's life be an abundant one, as exciting as Christmas morning, as joyful as Easter Sunday? With gripping honesty, Lynn Austin pens her struggles with spiritual dryness in a season of loss and unwanted change. Tracing her travels throughout Israel, Austin seamlessly weaves events and insights from the Word . . . and in doing so finds a renewed passion for prayer and encouragement for her spirit, now full of life and hope.

The book takes the form of six essays covering the life and teachings of Shri Govindananda

Bharati, known at the time of his death as the Shivapuri Baba. The first chapter describes his origins from his birth in 1826 in Kerala, his religious training and preparation and his 40 year circumambulation of the world, meeting all the major world leaders of his day, and his forty year retirement in a forest hut outside Kathmandu. Subsequent chapters, describe his practical teachings, which are so simply explained and so universal that they will always be relevant to seekers. Ancient teachings are presented in a modern interpretation. The Shivapuri Baba himself described his teachings as "the Bhagavad Gita brought up to date". The final chapter presents a revolutionary world view which reveals an immense wisdom and understanding of human destiny, presented in a form that all can appreciate. The Shivapuri Baba left this life in January of 1963, and at that time few knew of him, and nothing at all had been written about him. The present book was the first public account of the saint, appearing in 1965. In 2001, Thakur Lal Manadhar's son Giridhar approached J.G. Bennett's family requesting the rights to republish in English and Nepali. Giridhar was able to provide a number of photographic images not published previously and many of which were from his own camera. The present edition is taken from the 2001 publication. At the launch of the book in Kathmandu in 2007, Giridhar was asked by a reporter whether the Shivapuri Baba had actually read what was written, noting that the text indicated that he had seen and approved it? Giridhar said that he believed that he had not read it, and stating that at the end of his life, the Shivapuri Baba did not want to engage with anything which would tie him to the world he was preparing to leave for the last time. To Dr Sarvepalli Radhakrishnan, visiting in 1956 he said: "I teach three disciplines: physical; moral spiritual." These disciplines form the foundation of Right Life - Swadharma, and the journals of Thakur Lal Manandhar relate how these disciplines were taught in the practical application to every day life. This is a simple but inspiring book from which everybody can benefit .

Sometimes on life's long road it is helpful to pause and reflect on the journey we are making. Macrina Wiederkehr encourages us to reflect on our memories, so that we can move into the future with new wisdom and strength. In this forty-day pilgrimage, Wiederkehr guides us to let go of bitterness and blame and to prayerfully, simply behold our lives. She helps us to open the door of memory and journey again with Jesus down our life's path. From the moment of our conception, through the joys and pains of childhood and adolescence, and on to the quest for love and the fullness of life in adulthood, she leads us to recognize the ever present, loving touch of God. Behold Your Life is a wonderful resource for a healing retreat-during Lent or whenever the Spirit of God urges us to embrace our memories and discover the goodness hidden in our wounds.

The study of Patinir's landscapes sets out to demonstrate that they are grounded in the moral and religious thought of his time and closely related to late Medieval devotional art. The first part demonstrates that the figural elements in Patinir's landscapes are based on a type of 'devotional image (Andachtsbild) with secondary scene's that goes back to the paintings of Van der Weyden and Memling. The second part of the book contains an iconographic analysis of the landscape itself, particularly in The Penitence of St Jerome in the Louvre, Paris, and in three paintings in the Prado, Madrid: Landscape with St Jerome, Charon and Man's Soul and Rest on the Flight into Egypt. The book argues that these images are determined by the allegories of the pilgrimage of life and of life's two paths.

"James Martin's riveting new meditation on Jesus is one of the best books I've read in years—on any subject." — Mary Karr, author of *Lit* James Martin, SJ, gifted storyteller, editor at large of *America* magazine, popular media commentator, and New York Times bestselling author of *The Jesuit Guide to (Almost) Everything*, brings the Gospels to life in *Jesus: A Pilgrimage*, and invites believers and seekers alike to experience Jesus through Scripture, prayer and travel. Combining the fascinating insights of historical Jesus studies with profound spiritual insights about the Christ of faith, Father Martin recreates the world of first-century Galilee and Judea to usher you into Jesus's life and times and show readers how Jesus speaks to us today. Martin also brings together the most up-to-date Scripture scholarship, wise spiritual reflections, and lighthearted stories about traveling through the Holy Land with a fellow (and funny) Jesuit, visiting important sites in the life of Jesus of Nazareth. The person at the heart of the Gospels can seem impossibly distant. Stories about his astonishing life and ministry—clever parables that upended everyone's expectations, incredible healings that convinced even skeptics, nature miracles that dazzled the dumbstruck disciples—can seem far removed from our own daily lives, hard to understand, and at times irrelevant. But in Jesus you will come to know him as Father Martin knows him: Messiah and Savior, as well as friend and brother. WINNER OF THE 2016 ILLUMINATION AWARD (GOLD). In true Celtic fashion, Rev. Dr. David Moffett-Moore views life as a celebration to be shared and a pilgrimage to be explored, tracing his roots to the O'Mordha clan of ancient Ireland and the McQueen's and MacLean's of the Scottish highlands. In *Life as Pilgrimage*, Dr. Moffett-Moore offers us the image of pilgrimage as a basis for spiritual health. Using the Peregrine falcon as an archetype for pilgrimage, this volume explores the roots of our ancient past to discover meaning for our modern lives. Celtic pilgrimage is about the journey rather than the destination: life is a pilgrimage from the place of our birthing to the place of our rising. This second edition is expanded and revised.

"The Pilgrimage to Heaven: How to Have Eternal Life and Enter Heaven" focuses attention on two contrasting paths people may take through their lives: the way of indulging personal desires and the way of following Jesus Christ. Author John C. T. Kim provides honest and unsparing glimpses of his journey into the hell of his own creation and the rescue he received through the promise of new life through the gospel of Jesus Christ. His story invites greater appreciation of travails such journeys entail, while providing authentication for the witness he makes to the work of the Lord. Four main sections share personal stories and Christian witness under the headings of "The Way of Man," "The Life in the World," "The Way of God," and "The Life in Christ Jesus." Explanations of key biblical terms, explorations of current cultural practices, and consideration of the Bible's message combine to draw out the spiritual challenges of sinful living and to lift up the spiritual blessings of righteousness. If you have found yourself wondering how you fell into captivity to the forces of evil, how you slid into poverty of spirit, and how you wandered into a wilderness of doubt, "The Pilgrimage to Heaven" offers straightforward and informed guidance for turning your life around, taking a step off of the road gone wrong, and making your pilgrimage toward heaven as a committed disciple of Jesus Christ.

With this volume of poetry, Seyyed Hossein Nasr, whose name the reader usually associates with the philosopher, the historian and the scientist, firmly establishes his role as a spiritual mentor of the highest rank. In *Poems of the Way*, the poet describes the spiritual path and invites us to realize what our true transcendent destination really is. Nasr's poetical rendering of the Way uncovers increasingly deeper spiritual secrets of the mystical path. In English and Persian.

In *Love's Pilgrimage*, Grace Tiffany explores literary adaptations of the Catholic pilgrimage in the Protestant poetry and prose of Edmund Spenser, William Shakespeare, John Donne, John Milton, and John Bunyan. Her discussion of these authors' works illuminates her larger claim that while in the sixteenth century conventional pilgrimages to saints' shrines disappeared - as did shrines themselves - from English life, the imaginative importance of the pilgrimage persisted, and manifested itself in various ways in English culture.
