Van Richten's Guide to Ravenloft (Dungeons & Dragons) Wizards of the Coast

"Stronghold & Followers explains both the practicality of owning a keep (how much it costs to build, the costs to maintain it, what sort of impact it would have on local politics) and gives a variety of benefits for those players who choose to build or take over one." -- Comicbook.com website:

*Candlekeep Mysteries (D&D Adventure Book - Dungeons & Dragons) Wizards of the Coast*

Fight the War Against Draconic Oppression in this Adventure for the World's Greatest Roleplaying Game In an audacious bid for power the Cult of the Dragon, along with its dragon allies and the Red Wizards of Thay, seek to bring Tiamat from her prison in the Nine Hells to Faerun. To this end, they are sweeping from town to town,

laying waste to all those who oppose them and gathering a hoard of riches for their dread queen. The threat of annihilation has become so dire that groups as disparate as the Harpers and Zhentarim are banding together in the fight against the cult. Never before has the need for heroes been so desperate. • The first of two adventures in the Tyranny of Dragons™ story arc, Hoard of the Dragon Queen provides everything a Dungeon Master needs to create an exciting and memorable adventure experience. • Fans of the Dungeons & Dragons® Roleplaying

Game can get a sample of what this product has in store for them through the D&D Encounters™ in-store play program.

Take a stand against the giants in this adventure for the world's greatest roleplaying game. Giants have emerged from their strongholds to threaten civilization as never before. Hill giants are stealing all the grain and livestock they can while stone giants have been scouring settlements that have been around forever. Fire giants are press-ganging the smallfolk into the desert, while frost giant longships have been pillaging along the Sword Coast. Even the elusive cloud giants have been witnessed, their wondrous floating cities appearing above Waterdeep and Baldur's Gate. Where is the storm giant King Hekaton, who is tasked with keeping order among the giants? The humans, dwarves, elves, and other small folk of the Sword Coast will be crushed underfoot from the onslaught of these giant foes. The only chance at survival is for the small folk to work together to

investigate this invasion and harness the power of rune magic, the giants' weapon against their ancient enemy the dragons. The only way the people of Faerun can restore order is to use the giants' own power against them. To defeat giants, you need to be giant!

**Dungeons & Dragons Monster Manual (Core Rulebook, D&D Roleplaying Game)** Wizards of the Coast

From the author of *The Monsters Know What They're Doing* comes an introduction to combat tactics for Dungeons & Dragons players. In his first book, *The Monsters Know What They're Doing* (based on his popular blog), Keith Ammann unleashed upon the D&D world a wave of clever, highly evolved monster tactics. Now it's only fair that he gives players the tools they need to fight back...and prevail! An introduction to combat tactics for fifth-edition Dungeons & Dragons players, *Live to Tell the Tale* evens the score. It examines the fundamentals of D&D battles: combat roles, party composition, attacking combos, advantage and disadvantage, Stealth and Perception, and more...including the ever-important consideration of how to run away! Don't worry about creating a mathematically perfect character from square one. Survival isn't about stats—it's about behavior! With four turn-by-turn, roll-by-roll, blow-by-blow sample battles, *Live to*

*Tell the Tale* breaks down how to make the best choices for your cherished characters so that they can survive their adventures, retire upon their accumulated riches, and tell stories about the old days that nobody will ever believe.

**Spellbook Cards: Cleric** Wizards of the Coast

Sure, you think you know the story of the fearsome red dragon, Dragonia. How it terrorized the village of Skendrick until a brave band of heroes answered the noble villagers' call for aid. How nothing could stop those courageous souls from facing down the dragon. How they emerged victorious and laden with treasure. But, even in a world filled with epic adventures and tales of derring-do, where dragons, goblins, and unlicensed prestidigitators run amok, legendary heroes don't always know what they're doing. Sometimes they're clueless. Sometimes beleaguered townfolk are more hapless than helpless. And orcs? They're not always assholes, and sometimes they don't actually want to eat your children. Heloise the Bard, Erithea's most renowned storyteller (at least, to hear her tell it), is here to set the record straight. See, it turns out

adventuring isn't easy, and true heroism is as rare as an articulate villager. Having spent decades propagating this particular myth (which, incidentally, she wrote), she finally able to tell the real story—for which she just so happened to have a front-row seat. Welcome to Erithea. I hope you brought a change of undergarments—things are going to get messy.

**The Demonplague** Troll Lord Games From New York Times bestselling author R. A. Salvatore comes a new trilogy and adventure of Drizzt and fantasy's beloved characters from Dungeons & Dragons' Forgotten Realms. After the settling dust of the demon uprising and two years of peace, rumblings from the Menzoberranzan drow have Jarlaxle nervous. Worried his allies may be pulled into a Civil War between the great Houses, he is eager to ensure Zaknafein is armed with weapons befitting his skill, including one in particular: Khazid'hea. A powerful artifact, the sword known as "Cutter" has started wars, corrupted its users, and spilled the blood of many, many people.

Nonetheless—or maybe because of that—the rogue Jarlaxle and a small group of friends will go on an expedition looking for the weapon's last wielder, Doum'wielle, in the freezing north, for she may be the key to unlocking the sword's potential...and perhaps the key to preventing the bloodshed looming over the Underdark. And as they explore the top of the world, Drizzt is on a journey of his own—both spiritual and physical. He wants to introduce his daughter Brie to Grandmaster Kane and the practices that have been so central to his beliefs. But, having only recently come back from true transcendence, the drow ranger is no longer sure what his beliefs mean anymore. He is on a path to determining the future, not just for his family, but perhaps the entire northlands of the Realms themselves. Two different roads. On one, Jarlaxle and Zaknefein are on a quest to find pieces that could offer salvation to Menzoberranzan. On the other, Drizzt seeks answers that could offer salvation to not just his soul, but all souls. And no matter the outcome of either journey, the Realms will never be the same again.

"Player's Handbook 2 is the most significant expansion to the 4th edition Dungeons & Dragons game. This

companion to the 'Player's handbook' core rulebook introduces the primal power source, which draws on the spirits that preserve and sustain the world. This book includes four classes tied to the primal

power source: the barbarian, the druid, the shaman, and the warden. It also presents four new arcane and divine classes: the avenger, the bard, the invoker, and the sorcerer"--Back cover.
