Learn why myths give
us meaning. When we
think of something
that's not true, we tend
to say, "That's just a

myth!" But at the same
time, we treasure
collections of ancient
Greek or Egyptian
mythology. That's
because myths tell us
stories that inform our
interpretation of the
world. Written by
controversial
psychologist and right-
wing celebrity Jordan

Peterson, Maps of Meaning (1999) posits that myths bring meaning to our lives and that we need them, whether we believe in them or not. Do you want more free book summaries like this? An attractive and innovative four-level course for lower-secondary students. Each unit of the Student's Book is divided into 3 manageable steps with clear aims and outcomes. Students can see quick results through regular 'Use what you know' sections at the end of each step. 'Life and culture' sections and a continuous story provides rich reading material while stimulating students' imaginations. There is a variety of exercises where students can work to their own level, making the course ideal for mixed ability classes. Coursework activities per module

allow students to build up portfolios of work while online 'Infoquests' send students on a journey of discovery in English.

Project Language in Cognition and Affect "Ben, it is time for your bed, you have had your tea." "I can't go to bed, there is a monster out on the hill you see." Follow the story of the monster that stops Ben from going to bed. Ben is

convinced that the monster is real and wants to eat him for his tea. "I am invisible to mums," said the monster, "and we don't lie." Ben screamed! "It has a big round back and scales all along." Is there really a monster on the Hill? Ben's mum doesn't think so. Will Ben really become the monster's tea? Now it's time for you to read the story and see?

'Two young women plunging into post-war Bosnia like two Alices into Wonderland . . . smart, energetic, passionate, announcing a major talent.' - Aleksandar Hemon Sara hasn't seen or heard from her childhood best-friend, Lejla, in years. She's comfortable with her life in Dublin, with her partner, their avocado plant, and their naturist neighbour. But

when Lejla calls and demands she come home to Bosnia, Sara finds that she can't say no. What begins as a road trip becomes a journey through the past, as the two women set off to find Armin, Lejla's brother who disappeared towards the end of the Bosnian War. Presumed dead by everyone else, only Lejla and Sara believed Armin was still alive. Confronted with the limits of memory, Sara is forced to reconsider the things she thought she understood as a girl: the best friend she loved, the first experiences they shared, but also the social and religious lines that separated them, that brought them such different lives. Translated into English by Lana

Bastašić, Catch the Rabbit tells the story of how we place the ones we love on pedestals, and then wait for them to fall off, how loss marks us indelibly, and how the traumas of war echo down the years.
