A time long ago, on the planet of Boldly, a race was on the verge of extinction with little hope left to find a way to stop it. The leader and his scientist tried taking DNA from other species on the planet to create a new life form. A new life they did create, yet it was not acceptable. The scientist told the leader, A female we must have.

This statement brought many questions as to how or where. The only females on the planet were infertile. As they sat and pondered as to how they would come about such females, an idea occurred. Lets build a ship, said the scientist, to carry us to other worlds in search of a female.

Dangerous Liaisons is the story of the Marquise de Merteuil and the Vicomte de

Valmont, two narcissistic rivals (and ex-lovers) who use seduction as a weapon to socially control and exploit others, all the while enjoying their cruel games and boasting about their manipulative talents. It has been seen as depicting the decadence of the French aristocracy shortly before the French Revolution, thereby exposing the perversions of the so-called Ancien Régime.

French Phrases Vol.1: English & French

THIS EDITION: French Phrases seeks to bridge the gap between knowing individual words and knowing how to create or understand sentences.

Sentences are phrases or a combination of phrases, and phrases are a combination of words. The simplest phrases are the simplest ways of combining words.

Exposure to a wide variety of phrases, especially in increasing complexity, provides the basis for obtaining a solid grasp of a new language.

The reason being, phrases can be combined with other phrases to create endless possibilities in language.

French Phrases contains a wide variety of phrases, but it also demonstrates how phrases can increase in complexity - through the inclusion of individual words or other phrases.

The reader can choose between four formats: Section 1: English to French Section 2: French to English Section 3: English Section 4: French

The text can be used to obtain a fundamental grasp of French grammar. An understanding of the rules that underpin the way words combine into phrases, or phrases combine

into sentences, allows the language learner to expand their capacity exponentially simply by increasing vocabulary. With this in mind, the text includes an introductory section summarising the important aspects of French grammar. The dual-language text has been arranged for quick and easy cross-referencing. The text can be used on its own. However, the content is ideal for reinforcing and expanding on a basic grasp of the language. With an increasingly robust grasp of the language, the language learner can easily and fruitfully move on to more advanced bilingual text — like in 2Language Books editions —, or suitable French only text: a simple novel, a French news website, etc. Many basic language books offer some form of audio support. Internet services — primarily news based radio stations — offer podcasts. Audio from television is an additional resource, and can be formatted for use on various digital platforms. However, if audio is an important component of your interest in languages, electronic devices that support quality text-to-speech (TTS) will likely be appealing. With a library card, TTS

technology (in a device that supports the relevant content), and the above mentioned resources (as digital content), an entire language learning system is available for not much more than a cup of coffee! There is no substantial financial outlay to get you started. Furthermore, there are no additional ongoing fees (and updates), and there are no expiry dates on 'premium' content and resources. (A Dual-Language Book Project) 2Language Books *I Love You, However!* Grand Central Publishing

It can be easy to overlook the poor and homeless. But truly seeing leads us to act with compassion and justice. Sharing personal encounters and real-life stories, Terence Lester calls us to see the invisible people around us through God's eyes, restoring their dignity and helping them flourish. And when we recognize our own inner spiritual poverty, we have greater empathy for others, no matter their circumstances.
