When travel agent Anna Deveraux was sent to an exclusive private honeymoon resort for business, the last thing she expected was to find a sexually attractive man in the resort lobby. However, the tables are turned when Dev finds Anna a willing partner. Who is seducing whom? Love for all the Wrong Reasons On the surface, Lara Lawton had it all: nice house, a successful husband named Greg, money and leisure time. Nevertheless, Lara knew something was missing: passion. Lara decides enroll at the local college, renewing her love of the arts. To her surprise, she falls for her teacher, Mark Wolfgang. Mark falls just as hard for Lara. However, when Greg discovers her affair, things become too hot for Lara and too complicated for Mark. Is their love for all the wrong reasons? Love's Masquerade The last place Greg Finch wanted to be was at a masquerade ball, and the last thing he expected was to be whisked away for sex with a mysterious woman. Greg discovers her name is Cassandra Holland. Greg is totally out of his league with Cassandra but he is also strongly attracted to her on many levels. Greg pays a surprise visit to her apartment. However, he is shocked to see her kissing a strange man. Greg confronts Cassandra, who coolly explains her strategy with men: she is the hunter and they are the prey. The Art of Love The last thing Sophie Reynolds wanted when she moved into her new apartment was a creepy guy watching her from across the alley. As luck would have it, artist Nick Scott was watching her, painting her and finding himself falling in love with his muse. An accidental meeting between the two sends sparks flying, bringing the two of them together in Nick's apartment. Just when the passion between Nick and Sophie begins to heat up, Sophie's ex-boyfriend Kurt shows up one morning. Will Sophie have the strength to turn down one last sexual encounter with Kurt? Law of Attraction Ben has no idea the trajectory of his life is going to change with the chance meeting of singer Jane. He has been living his life on autopilot. Jane rocks his world, not only with her fresh outlook on life but also with some mind-blowing sex. A series of misunderstandings and chance events threatens to tear Ben and Jane apart. Can their fragile new love withstand this first set of tests? The Strength of Love Mark Fanning had swept Emily Monroe off her feet, literally. The first time they met, she had run smack into Mark coming around the corner of the catering tent. Both forgot their anger and annoyance, losing themselves in the current of electricity that ran between them. Neither had ever believed in love at first sight.

An Erotic Christmas Tail Lulu Press, Inc

It all started with a bad little girl and a pair of embroidery scissors... Eighty years ago, she snipped off Krampus' beard and used it to cast a spell on him, leaving him powerless to punish bad children. Now almost no one remembers him or the sting of his birch whip. Two days before Christmas, Moritza stands at her least-favorite grandmother's deathbed, where she learns she's inheriting not only the mean old lady's house, but a small gold charm, which she's warned never to open. Of course, that's the first thing Moritza does, and in the chaos of her grandmother's death, the charm goes missing. Misplaced or stolen by a creepy store Santa who has been lurking around? When a tall, dark, and furry stranger arrives, Moritza would like to believe it's all a sugarplum-induced hallucination. But she can't pretend she's seeing things when Krampus lays his hands and his impossibly long tongue on her. Krampus insists he's there reclaim his property and mete out some long-overdue punishment. When he discovers that the girl who cursed him is dead, and his charm is missing, he's reduced to begging for Moritza's help. Down on his knees in her bedroom, there's something both unseemly and irresistible about Krampus. The horns, the tail, the silky black fur smelling of cloves and oranges... and yes, that lewd, lascivious, and very nimble tongue. O Holy Night.
