HEAVEN MCKENZIE

The Tin Drum HarperCollins
eGirls, eCitizens is a landmark work that explores the many forces that shape girls’ and young women’s experiences of privacy, identity, and equality in our digitally networked society. Drawing on the multi-disciplinary expertise of a remarkable team of leading Canadian and international scholars, as well as Canada’s foremost digital literacy organization, MediaSmarts, this collection presents the complex realities of digitized communications for girls and young women as revealed through the findings of The eGirls Project (www.egirlsproject.ca) and other important research initiatives. Aimed at moving dialogues on scholarship and policy around girls and technology away from established binaries of good vs bad, or risk vs opportunity, these seminal contributions explore the interplay of factors that shape online environments characterized by a gendered gaze and too often punctuated by sexualized violence. Perhaps most importantly, this collection offers first-hand perspectives collected from girls and young women themselves, providing a unique window on what it is to be a girl in today’s digitized society.
Paris Letters Macmillan Publishers Aus.
I Will Survive is the story of Gloria Gaynor, America’s “Queen of Disco.” It is the story of riches and

fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including “Honey Bee,” “I Got You Under My Skin,” “Never Can Say Goodbye,” and the song that has immortalized her, “I Will Survive,” which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.
3 on a bed CreateSpace
This tell-all memoir reveals the details behind Sunday Times journalist Mzilikazi wa Afrika's exposure of the R1.7 billion lease scandal between police commissioner Bheki Cele and property tycoon Roux Shabangu, for which he was infamously arrested in 2010. It is also the riveting

account of how a neglected boy in an unknown village became one of South Africa's most awarded investigative reporters and found himself at the receiving end of the corruption that had defeated those he helped put in power. Fearless in the face of corrupt authorities with sinister political motives, and fervent about justice, Wa Afrika's life was characterised by resistance to oppression and inequality from an early age. Destined to defend and uphold the principles of democracy, his story is the inspiring tale of an ordinary man, armed with a pen, who challenged the proverbial giant.
She Becomes Glamorous After The Engagement Annulment Penguin Random House South Africa
New love. Exotic destinations. A once-in-a-lifetime adventure. What could go wrong? City girl Torre DeRoche isn't looking for love, but a chance encounter in a San Francisco bar sparks an instant connection with a soulful Argentinean man who unexpectedly sweeps her off her feet. The problem? He's just about to cast the dock lines and voyage around the world on his small sailboat, and Torre is terrified of deep water. However, lovesick Torre determines that to keep the man of her dreams, she must embark on the voyage of her nightmares, so she waves good-bye to dry land and braces for a life-changing journey that's as exhilarating as it is terrifying. Somewhere mid-Pacific, she finds herself battling to keep the old boat, the new relationship, and her floundering sanity afloat. . . . This sometimes hilarious, often harrowing, and always poignant memoir is set

against a backdrop of the world's most beautiful and remote destinations. Equal parts love story and travel memoir, *Love with a Chance of Drowning* is witty, charming, and proof positive that there are some risks worth taking.

Waltz Into Darkness Hay House, Inc

An explanation of the technical considerations, regulatory issues, and market requirements of video delivery, describing digital video architectures, services, protocols, and distribution systems. Discusses the long-term viability of digital video innovations, describes the activities of the major players among telephone carriers moving to video and cable tv providers moving to telephony, and includes a primer on tv and cable technology. For technology developers, planners, carriers, students, and end users

Nina Hartley's Guide to Total Sex Harvill Secker

[Webnovel provides the latest update of genuine *She Becomes Glamorous After The Engagement Annulment* novels] The fat and ugly Nora Smith is the laughingstock of the town when her fiancé breaks off their engagement. He says, “The sight of your gigantic face and thunder thighs disgusts me! Don't ever pester me again!" “What an idiot.” Nora scoffs and turns around, her lips curling up into a smile. Later, when Nora successfully slims down, she returns as an astounding beauty. Her ex-fiancé comes to her bearing flowers and begs, "I was wrong, Nora. I’m willing to do anything as long as you come back to me.” Nora rests her chin in her hands and smiles as she replies, “Real men don't dwell on the past.” Angered, he says, “You’re just a dimwit saddled with baggage that I dumped, Nora. No one will want you except me!" But following that... A young and popular singer tweets: “Nora Smith is my goddess!" An internationally renowned surgeon asks, “Are you free tonight, Nora?” Even the rich and influential hotshot whom everyone is scared of comes forward and says, "I can take care of my wife and children myself, thank you very much.”

Bondage for Sex McGraw-Hill Companies

* The first vegan guide geared to African American women * More than forty delicious and nutritious recipes highlighted with color photographs * Menus and advice on transitioning from omnivore to vegan * Resource information and a comprehensive shopping list for restocking the fridge and pantry

African American women are facing a health crisis: Heart disease, stroke, and diabetes occur more frequently among them than among women of other races. Black women comprise the heftiest group in the nation—80 percent are overweight, and 50 percent obese. Decades of studies show that these chronic diseases can be prevented and even reversed with a plant-based diet. But how can you control your weight and health without sacrificing great food and gorgeous curves? Just ask

Tracye Lynn McQuirter. With attitude, inspiration, and expertise, in *By Any Greens Necessary* McQuirter shows women how to stay healthy, hippy, and happy by eating plenty of fresh fruits and vegetables, whole grains, and legumes as part of an active lifestyle. The book is a call to action that all women should heed.

Even a newbie in Kamasutra will understand better learning and take their sex life to new levels with clearly laid out information. Buy it Now and let your customers get addicted to this amazing book !!!

Love Never Dies Bunsen Books

New York Times bestseller “The Devil Wears Prada meets The Boys on the Bus”—New York Times

The dishy, rollicking, and deeply personal story of what really happened in the 2016 election, as seen through the eyes of the New York Times reporter who gave eight years of her life to covering the First Woman President who wasn't. For a decade, award-winning New York Times journalist Amy Chozick chronicled Hillary Clinton’s pursuit of the presidency. Chozick’s front-row seat, initially covering Clinton’s imploding 2008 campaign, and then her assignment to “The Hillary Beat” ahead of the 2016 election, took her to 48 states and set off a nearly ten-years-long journey in which the formative years of her twenties and thirties became – both personally and professionally – intrinsically intertwined to Clinton’s presidential ambitions. Chozick’s candor and clear-eyed perspective—from her seat on the Hillary bus and reporting from inside the campaign’s Brooklyn headquarters, to her run-ins with Donald J. Trump and her globetrotting with Bill Clinton— provide fresh intrigue and insights into the story we thought we all knew. This is the real story of what happened, with the kind of dishy, inside details that repeatedly surprise and enlighten. But Chasing Hillary is also a rollicking, irreverent, refreshingly honest personal story of how the would-be first woman president looms over Chozick’s life. And, as she gets married, attempts to infiltrate the upper echelons of political journalism and inquires about freezing her eggs so she can have children after the 2016 campaign, Chozick dives deeper into decisions Clinton made at similar points in her life. In the process, Chozick came to see Clinton not as an unknowable enigma and political animal but as a complex person, full of contradictions and forged in the political battles and media storms that had long predated Chozick’s years of coverage. Trailing Clinton through all of the highs and lows of the most noxious and wildly dramatic presidential election in American history, Chozick comes to understand what drove Clinton, how she accomplished what no woman had before, and why she ultimately failed. Poignant, illuminating, laugh-out-loud funny, Chasing Hillary is a campaign book like never before that reads like a fast-moving political novel.

Why Married Couples Don't Have Sex. . . . At Least Not with Each Other! Feminist Press

From “the supreme master of suspense” comes the chilling chronicle of one man’s descent into madness. (New York Times)

When New Orleans coffee merchant Louis Durand first meets his bride-to-be after a months-long courtship by mail, he’s shocked that she doesn’t match the photographs sent with her correspondence. But Durand has told his own fibs, concealing from her the details of his wealth, and so he mostly feels fortunate to find her so much more beautiful than expected. Soon after they marry, however, he becomes increasingly convinced that the woman in his life is not the same woman with whom he exchanged letters, a fact that becomes unavoidable when she suddenly disappears with his fortune. Alone, desperate, and inexplicably love-sick, Louis quickly descends into madness, obsessed with finding Julia and bringing her to justice — and simply with seeing her again. He engages the services of a private detective to do so, embarking on a search that spans the southeast of the country. When he finally tracks her down, the nightmare truly begins... A dark tale of the destructive power of love, *Waltz into Darkness* is a classic “femme fatale” narrative that shows “the father of the modern suspense story” (LA Times) at the top of his unsettling craft. It has been adapted for film twice, most notably serving as the basis for Francois Truffaut’s *Mississippi Mermaid*.

Exotica Image Comics

Go behind the TV screen to explore what is changing, why it is changing, and why the changes matters

Many proclaimed the “end of television” in the early years of the twenty-first century, as capabilities and features of the boxes that occupied a central space in American living rooms for the preceding fifty years were radically remade. In this revised, second edition of her definitive book, Amanda D. Lotz proves that rumors of the death of television were greatly exaggerated and

explores how new distribution and viewing technologies have resurrected the medium. Shifts in the basic practices of making and distributing television have not been hastening its demise, but are redefining what we can do with television, what we expect from it, how we use it—in short, revolutionizing it. Television, as both a technology and a tool for cultural storytelling, remains as important today as ever, but it has changed in fundamental ways. The *Television Will Be Revolutionized* provides a sophisticated history of the present, examining television in what Lotz terms the “post-network” era while providing frameworks for understanding the continued change in the medium. The second edition addresses adjustments throughout the industry wrought by broadband delivered television such as Netflix, YouTube, and cross-platform initiatives like TV Everywhere, as well as how technologies such as tablets and smartphones have changed how and where we view. Lotz begins to deconstruct the future of different kinds of television—exploring how “prized content,” live television sports and contests, and linear viewing may all be “television,” but very different types of television for both viewers and producers. Through interviews with those working in the industry, surveys of trade publications, and consideration of an extensive array of popular shows, Lotz takes us behind the screen to explore what is changing, why it is changing, and why the changes matter.

The Worrier's Guide to the End of the World Simon and Schuster

What do you do when your great life-plan works out, and you're still unhappy? Successful, but on the verge of burnout, Janice MacLeod saved enough money to buy herself two years of freedom in Europe. Days into her stop in Paris, she met Christophe, and her fate was sealed. Forced to find a way to fund her expat future, Janice created a painted letter subscription service, sending out thousands of letters to people who are hungry to receive something beautiful. Paris Letters is the inspiring story of a woman who dared to discover a life she could love.

A Guide to Thieves' Guilds Harper

Sasha Grey, rising adult film and pop-culture star, takes control in her new monograph "neu sex," moving out from in front of the camera to behind it, turning the lens on the wild world she inhabits. "When I first got into the adult industry, I decided to take my photography much more seriously. I started taking a camera with me to capture my experiences on set, so it was a moment in time, a memory for myself--not the video that would be seen by thousands of people. On days where I was physically unable to capture an image, Ian, my fiance, became my third arm. He understands my aesthetic, or lack thereof. Ian is a photographer, yet the work in this book is quite different from his usual style. When you are so close with someone, there is a shorthand and true understanding of what the other person is trying to accomplish. If there's something I am physically unable to photograph, I can say one word and Ian can assist me with my vision. Ian can capture intimate moments with me that nobody can fabricate, because of our relationship. The strong sense of familiarity eliminates all boundaries between the subject and the photographer. "Documenting myself has almost become a necessity. "There are so many photos of me, taken by other people, that aesthetically I have no control over. Documenting myself allows me to reflect on the day, on the feelings I am having at that second. When you work in the entertainment industry, there are always surprises; there certainly isn't one day that is similar to the last. Personally, it's important to embrace this and appreciate it every day. "Still images vividly capture emotion, a second in time that can be left open for interpretation by the viewer and the creator. I am inspired by the work of Cindy Sherman and Nan Goldin. Sherman's work continues to inspire me to develop certain characters. I figured if I am on set I might as well take advantage of my surroundings, and document my life in an exciting, untraditional manner. I look back at photos, and see how much I've grown, how my opinions have changed, and how they will continue to change." --Sasha Grey

The Before Midnight Scholar National Geographic Books

The National Book Award finalist and national bestseller exploring the life and legend of Marilyn Monroe Soon to be a Netflix Film starring Ana de Armas, Adrien Brody, Bobby Cannavale and Julianne Nicholson In one of her most ambitious works, Joyce Carol Oates boldly reimagines the inner, poetic, and spiritual life of Norma Jeane Baker—the child, the woman, the fated celebrity, and idolized blonde the world came to know as Marilyn Monroe. In a voice startlingly intimate and rich, Norma Jeane tells her own story of an emblematic American artist—intensely conflicted and driven—who had lost her way. A powerful portrait of Hollywood’s myth and an extraordinary woman’s heartbreaking reality, *Blonde* is a sweeping epic that pays tribute to the elusive magic and devastation behind the creation of the great 20th-century American star.

Video Dialtone Technology Bdsm Press

This book examines how digital communications technologies have transformed modern societies,

with profound effects both for everyday life, and for everyday crimes. Sexual violence, which is recognized globally as a significant human rights problem, has likewise changed in the digital age. Through an investigation into our increasingly and ever-normalised digital lives, this study analyses the rise of technology-facilitated sexual assault, ‘revenge pornography’, online sexual harassment and gender-based hate speech. Drawing on ground-breaking research into the nature and extent of technology-facilitated forms of sexual violence and harassment, the authors explore

the reach of these harms, the experiences of victims, the views of service providers and law enforcement bodies, as well as the implications for law, justice and resistance. Sexual Violence in a Digital Age is compelling reading for scholars, activists, and policymakers who seek to understand how technology is implicated in sexual violence, and what needs to be done to address sexual violence in a digital age.
Love with a Chance of Drowning Chicago Review Press

The process of teaching in the aerial arts is a powerful opportunity to support students in their physical and personal growth. While other resources in the aerial industry focus on the break-down of specific skills or moves, this book dives into the actual teaching process. It addresses the "why" behind teaching as well as safety, basic anatomy, learning styles, class planning, curriculum design, and more. Designed for both the new and experienced aerial teacher, this book offers thoroughly researched insights for anyone interested in aerial teaching.
