Grade 1 Reading Kumon Pub North America Limited

Grade 4 workbook introduces word problems involving multi-digit multiplication and division, some decimals and tables and graphs. Kumon Pub North America Limited

Word Problems, Grade 1 is in the 'Kumon Math Workbooks: Word Problems' series designed for grades 1-6. This workbook will introduce students to word problems dealing with early addition and subtraction. Exercises use visual illustrations before moving

on to problems with illustrations and questions that are only written. Designed for students to self-score their work, pages provide the number of points to assign per problem, and there's room at the top to write in how many problems they got right alongside their name and the date.

My Book of Money Counting Dollars and Cents Kumon Pub North America Limited

Grade 2 workbook introduces word problems with multiple-digit addition and subtraction.

Geometry & Measurement, Grade 6 Kumon Pub North America Limited

Kumons Word Problems Workbooks develop the skills necessary for children's success using math inside and outside the classroom. Our unique step-by-step progression introduces children to a wide variety of word problems that inspire critical thinking.

Math Boosters Kumon Pub North America Limited

NEW LOOK AND NEW ADDED CONTENT! YOUR CHILDS FAVORITE LEARNING TOOLS UPGRADED. Your child's favorite workbooks just got upgraded with new content and a new look! We took our Kumon Basic Skills Series and revised the content and covers after over 15 years of producing bestselling early learning

materials. All of the revised Basic Skills workbooks will feature new activities, full-color images, and the same trusted Kumon learning method. Kumon Basic Skills workbooks ensure that children master pencil control skills with ease, so that they learn to love learning independently. Everything in our Basic Skills workbooks from the sturdy paper to the engaging content is designed with the best interests of your child in mind.

Multiplication and Division Kumon Pub North America Limited
Our UK Commonwealth Editions have been reexamined to see how they align with UK education standards. Kumon offers four titles that support the Early Years Learning Stage curriculum and four titles that support Key Stage 1 curriculum. Give your child an edge in education with Kumon Workbooks.

Math Boosters Kumon Pub North America Limited
Designed for children who need a boost improving their basic math skills as well as for children who are ready to take on higher level math concepts. Will cover basic math concepts for the grade level such as order of operations, multiplication, division, speed and ratios through word problems. Grades 3-6.

Revised Ed My Bk of Addition Kumon Pub North America Limited
Kumon Workbooks teach children one specific skill from start to finish. The Kumon Method introduces concepts step-by-step, helping children to master each skill in turn as they gain confidence in their abilities and gather motivation to continue learning. Self-directed, Kumon workbooks are designed to nurture good study habits for students who need remedial or enrichment work. Exercises in this book include: identifying factors & common factors, multiples & common multiples; learning the properties of circle; reducing fractions; using ratios; understanding measurements; and more
