 A summer of love or a lifetime of memories? Can Cody teach Ava to live life to the full?
Chasing the Italian Dream The Villa in Italy: Escape to the Italian sun with this captivating, page-turning mystery
 Learn how to create beautiful, interactive, browser-based data visualizations with the D3 JavaScript library. This hands-on book shows you how to use a combination of JavaScript and SVG to build everything from simple bar charts to complex infographics. You'll learn how to use basic D3 tools by building visualizations based on real data from the New York Metropolitan Transit Authority. Using historical tables, geographical information, and other data, you'll graph bus breakdowns and accidents and the percentage of subway trains running on time, among other examples. By the end of the book, you'll be prepared to build your own web-based data visualizations with D3. Join a dataset with elements of a webpage, and modify the elements based on the data. Map data values onto pixels and colors with D3's scale objects. Apply axis and line generators to simplify aspects of building visualizations. Create a simple UI that allows users to investigate and compare data. Use D3 transitions in your UI to animate important aspects of the data. Get an introduction to D3 layout tools for building more sophisticated visualizations. If you can code and manipulate data, and know how to work with JavaScript and SVG, this book is for you.

 From the bestselling author of *Escape to the French Farmhouse* comes a deliciously feel-good story about making your dreams come true, set in sun-kissed southern Italy. 'A tale full of wonderful characters, sunshine, food and romance. A winning recipe!' Katie Fforde ----- A summer escape she'll never forget... Lucia has worked hard as a lawyer in Wales, aiming for a big promotion she hopes will shortly come her way. Finally taking a well-earned break at her grandparents' house in southern Italy, the sunshine, lemon trees and her nonna's mouth-watering cooking make her instantly feel at home. But she's shocked to learn that her grandfather is retiring from the beloved family pizzeria and will need to sell. Lucia can't bear the thought of the place changing hands - especially when she discovers her not-quite-ex-husband Giacomo wants to take it over! Then bad news from home forces Lucia to re-evaluate what she wants from life. Is this her chance to carry on the family tradition and finally follow her dreams? Perfect escapism from the author of *Escape to the French Farmhouse* and *The Honey Farm on the Hill*. Readers have fallen sure with *Chasing the Italian Dream* 'The perfect escape' 'This book is like summer on a page' 'I loved getting whisked away to Italy'
Handbook of Power System Engineering "O'Reilly Media, Inc."
 *PREVIOUSLY PUBLISHED AS *The Art of Love** Absorbing and escapist, *The Villa on the Riviera* is perfect summer reading for fans of *Santa Montefiore* and *Rachel Hore*.
Book 3): Dragon Lords of Valdier Harper Collins
 Packed with photography and travel information, this guide will take you to relax at Greta Garbo's own private Shangrila, contemplate the world's bluest view and cruise Turquoise Bay in a

19th-century yacht.
 HarperCollins UK
 A firefighter desperate to save his failing marriage earns the trust and the sexual submission of his controlling wife in the most pleasurable of ways. After an explosive one-night stand results in pregnancy, Jamie Caldwell is thrilled to marry the perfect foil to his Dom side. But when his submissive wife starts cringing every time he gives a command, Jamie shackles his dark desires. A bout of rough, frenzied reunion sex makes him wonder if now he should free the Dom he's kept in chains and teach Erica the joys of submission and sexual surrender. Erica Caldwell secretly loved every sinful thing Jamie did to her on their first night together. However, terrified she'll become a codependent doormat like her mother, she repeatedly rejects Jamie's dominance, despite craving the kind of release only he can give her: the release that comes from yielding to Jamie's every demand. Hoping that the trust required by BDSM will help them rebuild their faith in each other, Jamie and Erica embark on a journey of sexual exploration. But is it too late to repair their crumbling marriage?
Voyage of Innocence Hyde st Press
 A former Navy pilot meets a woman who is a dead ringer for his love who was killed in an accident at sea. From #1 NYT Bestselling Author Barbara Freethy comes the third book in the Callaway Series. Romance and mystery at its best! Setting: San Francisco.
The Villa in Italy HarperCollins UK
 Trisha Grove enjoyed her job as a pilot for Boswell International but realizes something is still missing from her life - her family. She is ready to call it quits and head back home to Wyoming where her father lives. She never expected her last flight for Boswell would end with an unplanned trip out of this world. Trisha isn't sure at first what is real and what isn't; all she knows is she is determined to get back to her dad no matter what it takes. Kelan Reykill is the fourth son in the royal line of Valdier. Commander of the V'ager, one of the largest Valdier warships, he prides himself on his strict self-discipline, his ability to remain in command in any situation, and his skill at handling any challenge. That is, until he meets a stubborn human female from the primitive planet his older brother sought refuge on. Now, all he can think about is how to get the female into his bed and under his control while staying in one piece. When she is taken from him, Kelan will track Trisha to the ends of the universe and further because he knows one thing - she is his true mate and he will do anything; kill anyone, who tries to harm her.
Tracking Trisha (Dragon Lords of Valdier) HarperCollins UK
 It's beginning to look a lot like... Murder. It's Christmastime, and farmer Lucy Resnick is living the life she's always dreamed of. When she's not selling her jams, soaps, and mistletoe bundles at the Buttercup Christmas Market, she's enjoying cozy evenings by the fire with her knitting group--or her handsome veterinarian boyfriend Tobias Brandt. But less than a week before Christmas, a pall falls over the festive atmosphere when local man Randy Stone turns up with a knife in his back... and a sprig of mistletoe in his hair. Local sheriff Rooster Kocurek, never the brightest bulb on the string, is convinced it's an open-and-shut case--murder by jealous wife--but Lucy suspects otherwise. She soon discovers that Randy's life was more tangled than last year's Christmas lights... and that unless she wraps up the case fast, there might be more than one funeral this holiday season.
Escape to the Amalfi Coast Baker Books
 As she helps her grandmother restore an old house, Kate Donovan begins to fall for Matt Jarreau, the man her grandmother

has hired to renovate the house, who also happens to be an ex-NHL player trying to move on after his wife's death. Original.
 Mistletoe Murder John Wiley & Sons
 A veteran waitress dishes up a spicy and robust account of life as it really exists behind kitchen doors. Part memoir, part social commentary, part guide to how to behave when dining out, Debra Ginsberg's book takes readers on her twenty-year journey as a waitress at a soap-operatic Italian restaurant, an exclusive five-star dining club, the dingiest of diners, and more. While chronicling her evolution as a writer, Ginsberg takes a behind-the-scenes look at restaurant life-revealing that yes, when pushed, a server will spit in food, and, no, that's not really decaf you're getting-and how most people in this business are in a constant state of waiting to do something else.

Getting Started with Text Publishing
 Maintaining the reliable and efficient generation, transmission and distribution of electrical power is of the utmost importance in a world where electricity is the inevitable means of energy acquisition, transportation, and utilization, and the principle mode of communicating media. Our modern society is entirely dependent on electricity, so problems involving the continuous delivery of power can lead to the disruption and breakdown of vital economic and social infrastructures. This book brings together comprehensive technical information on power system engineering, covering the fundamental theory of power systems and their components, and the related analytical approaches. Key features: Presents detailed theoretical explanations of simple power systems as an accessible basis for understanding the larger, more complex power systems. Examines widely the theory, practices and implementation of several power sub-systems such as generating plants, over-head transmission lines and power cable lines, sub-stations, including over-voltage protection, insulation coordination as well as power systems control and protection. Discusses steady-state and transient phenomena from basic power-frequency range to lightning- and switching-surge ranges, including system faults, wave-form distortion and lower-order harmonic resonance. Explains the dynamics of generators and power systems through essential mathematical equations, with many numerical examples. Analyses the historical progression of power system engineering, in particular the descriptive methods of electrical circuits for power systems. Written by an author with a wealth of experience in the field, both in industry and academia, the *Handbook of Power System Engineering* provides a single reference work for practicing engineers, researchers and those working in industry that want to gain knowledge of all aspects of power systems. It is also valuable for advanced students taking courses or modules in power system engineering.
Under His Command Random House
 'Oh my goodness this book is just gorgeous!!!! I read it in an afternoon because I couldn't put it down!... I'm so excited for other people to read this magnificent book.' NetGalley reviewer, ☐☐☐☐ A sun-baked terrace. The rustle of vines. And the clink of wine glasses as the first cork of the evening is popped...
The Art of Love HarperCollins UK
 *Now also published as *The Villa on the Riviera** The French Riviera is the setting for this absorbing tale of family intrigue, scandal and romance, against the glamorous background of 1930s artists and aristocracy.
Crown and Country: A History of England through the Monarchy

HarperCollins UK

Fundamentals of Mathematical Analysis explores real and functional analysis with a substantial component on topology. The three leading chapters furnish background information on the real and complex number fields, a concise introduction to set theory, and a rigorous treatment of vector spaces. Fundamentals of Mathematical Analysis is an extensive study of metric spaces, including the core topics of completeness, compactness and function spaces, with a good number of applications. The later chapters consist of an introduction to general topology, a classical treatment of Banach and Hilbert spaces, the elements of operator theory, and a deep account of measure and integration theories. Several courses can be based on the book. This book is suitable for a two-semester course on analysis, and material can be chosen to design one-semester courses on topology or real analysis. It is designed as an accessible classical introduction to the subject and aims to achieve excellent breadth and depth and contains an abundance of examples and exercises. The topics are carefully sequenced, the proofs are detailed, and the writing style

is clear and concise. The only prerequisites assumed are a thorough understanding of undergraduate real analysis and linear algebra, and a degree of mathematical maturity.

[The True Confessions of a Waitress](#) Createspace Independent Publishing Platform

This is a marvellously atmospheric tale of strangers summoned to a grand but neglected villa on the Italian coast. Each of them has been named in a will, but nobody knows their benefactress... Four very different people are named in a will: Delia, an opera singer robbed of her voice by illness; George, an idealistic scientist who cannot face what his skills have created; Marjorie, desperately poor and unable to dislodge her writer's block; and Lucius, ostensibly in control but whose personal life is in chaos. All are summoned to the Villa Dante, home of the late Beatrice Malaspina. But who was she? While they wait to find out, the villa begins to work its seductive magic. With its faded frescoes, overgrown garden and magnificent mediaeval tower, it is unlike anywhere they have been before. Slowly, four characters who

have gone to great lengths to hide their troubles find that change - and even hope - is possible after all. But, the mysterious Beatrice has a devastating secret to reveal that will affect them all! A beautiful evocation of Italy in the aftermath of World War Two, the personal consequences of living through such a time, and a celebration of humankind's ability to heal and learn to love again, this most absorbing novel will win Elizabeth Edmondson a host of new fans.

Falling for a Stranger HarperCollins UK

From the author of THE FROZEN LAKE comes an enthralling novel of love, betrayal and idealism, as three very different young women go up to Oxford in the years immediately before World War Two.

Escape and unwind with bestselling author Jo Thomas
HarperCollins UK

From one of our finest historians comes an outstanding exploration of the British monarchy from the retreat of the Romans up until the modern day. This compendium volume of two earlier books is fully revised and updated.
