 The Killilea family returns in the heartwarming sequel to national bestseller *Karen*. *With Love from Karen* picks up five years after the conclusion of *Karen*, the miraculous and true story of a girl with cerebral palsy who triumphed against all odds. It follows the Killileas through Karen's teen years and into adulthood. Karen and her family continue to face seemingly insurmountable obstacles: They must fight for Karen's right to attend public school, support Karen in her dream to raise and exhibit champion show dogs, and encourage her in her decision to use a wheelchair or walk on her own. Once again, the Killilea family proves that the power of faith, love, and courage in the face of adversity can make miracles happen.

Experiment and discover your own artistic voice and style!

Providing a wealth of inspiration for those new to textile art as well as experienced textile artists, Free Motion Embroidery guides you through the entire creative process - from finding inspiration to designing your own stitched artworks. This revised and updated standalone title is drawn from Katie Essam's successful Layered and Stitched Pictures in The Textile Artist series.

Incorporating a new bonus project, this book showcases Katie's free machine embroidery techniques. Her fresh, modern style uses unique combinations of traditional techniques, and in this book she shows how to create beautiful textile art inspired by the beauty in everyday objects. With eight projects and lots of inspirational finished artworks to provide inspiration, this book teaches the reader how to draw inspiration from the animals, birds, gardens, beach huts and scenes that surround us all; and use that inspiration as fuel to create gorgeous stitched pictures.

Follow Wendy Ward's tutorials to make a collection of comfortable and stylish garments. Wendy's style is functional but beautiful basics, and you will learn the skills to make garments out of knitted fabrics that drape beautifully and are a joy to wear. There are t-shirts, wide-leg trousers, lounge trousers, tank tops, cardigans, skirts, and dresses made in versatile fabrics that can be dressed up or down. Both beginners and more experienced dressmakers often avoid using knitted fabrics, but Wendy will show you how to successfully sew them with just a regular sewing machine. You will learn essential skills with the help of a comprehensive techniques section that includes a guide to different types of knitted fabrics and their uses (including jersey, sweatshirt fabric, boiled wool, and many more), how to prepare them for making clothes, setting up your sewing machine, which needles you need, sewing seams and hems, and using elastic.

There are also full-size patterns for every garment included at the back of the book, so you will have all the information you need to start making your own perfect wardrobe!

SAYLOR... I don't even know if love is real. After running from the bastard who brutalized me, I limped back to Arizona, choosing a vibrant college town in the hopes of starting over. I never expected to find him there. Cord Gentry. He and his brothers were tough, lusty forces of nature I'd known since childhood. Years ago, Cord seduced me as a sick game. I've hated him ever since. Now here he is again, a man who beats other men bloody for money. Cord has always been heartless, dangerous, not to be trusted. And I want him so much I can't think. CORD... They called us 'those white trash Gentry boys' until we believed that's what we were. Our people squatted at the edge of a hellhole prison town for generations. The childhood we endured was the stuff of

nightmares. I'd learned early on that my brothers, Chase and Creed, were the only people on earth worth my time. They all told us we were bad, that we'd always be bad. The horrors of the past have scarred my soul. But now I need to be better. For her.
