From best-selling author and design icon Chris Madden comes the first book on her design philosophy, and how to achieve her comfortable, chic style. Design expert Chris Madden has spent years chronicling other people's beautiful rooms. Now, for the first time, she presents her own design sensibility as illustrated by examples such as her elegant one hundred-year-old carriage house in upstate New York and a mid-century modern family getaway in the mountains of Vermont. Organized by type of room, each house is explored—from entryways to bedrooms,

kitchens, living rooms, mudrooms, greenhouses, and terraces, as well as specialty rooms like yoga studios and a man's study—through rich photography and dozens of practical styling tips. Readers learn how to layer fabrics and colors for seasonal decorating; how to repurpose materials; and how to recognize a room's quality of light. Also featured are sidebars on caring for guests, collecting, and living in an old house versus a modern house. An avid gardener, Madden explores the way outdoor space frames and supports a house. This lush and elegant volume is an eminently practical resource of ideas for creating rooms in which to celebrate family, entertain friends, and provide personal sanctuary.

Folds from Buckingham Palace and the Kennedy White House, New York's Pierre and Napa Valley's French Laundry, reveal how royalty, the rich and famous, the world's legendary restaurants, all put just the right touches on their signature starched linens. Along with its array of napkin folds, *Napkins with a Twist* spills over with useful tips, how-to lists, etiquette reminders, table settings, and surprising suggestions for how a napkin fold can become the starting point for designing an entire occasion.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
