"The amusing illustrations energize the story and add to the fun. An excellent choice for beginning and developing readers."—School Library Journal (starred review) When Mr. Putter eats twenty-one pineapple jelly rolls, he ends up with a grumbling tummy. Worse, he can't sleep! A midnight stargazing stroll with his cat, Tabby, seems to be just the cure—but could it be that Mr.

Putter and Tabby aren't the only ones who are still wide awake? This is the sixteenth in the delightful series by Cynthia Rylant, winner of a Newbery Medal and two Caldecott Honors. "Winsome and warmhearted, these books could become instant favorites."—Publishers Weekly

Explore the fascinating field of magnetism with this interactive picture book for young learners. Magnetism is all around us--even the earth is a giant magnet. A world without magnets would be a world without cell phones, computers, and more! Trusted children's nonfiction author David A. Adler covers the basics of magnetism, including compasses, for aspiring scientists. Hands-on experiments are smartly woven into the narrative. Want to test out the strength of a magnet? All you need is a bowl of water and some paper clips! Anna Raff's lively art illustrates scientific concepts clearly, with the added fun of two siblings and their dog exploring and learning together. Back matter includes a glossary that defines such terms as attraction, pole, electromagnetism, force, and more. Suggested activities on how to make your own magnet are also included. Finalist for the AAAS/Subaru SB&F Prize for Excellence in Science Books

Standards-Based Connections Reading for grade 2 offers focused skill practice in reading comprehension. A skill assessment will point out students' learning gaps. This allows teachers to choose appropriate student pages for individualized remediation. The

student pages emphasize five important reading comprehension skills: summarizing, inferring, story elements, comparing and contrasting, and cause and effect. The book includes high-interest fiction and nonfiction, with texts about moving day, volcanoes, Laura Ingalls Wilder, planets, poetry, and more. --Each 96-page book in the Standards-Based Connections Reading series includes a skill assessment, an assessment analysis, targeted practice pages, and an answer key, making this series an ideal resource for differentiation and remediation. The skill assessments and assessment analyses help teachers determine individualized instructional needs. And, the focused, comprehensive practice pages and self-assessments guide students to reflection and exploration for deeper learning!
