*The Turnip Princess and Other Newly
Discovered Fairy Tales* Penguin
Twenty-six classic fairy tales are
supplemented by extensive literary,
cultural, and historical commentary.
Japanese Tales Penguin

On the shrouded corpse hung a tablet of green topaz with the inscription: 'I am Shaddad the Great. I conquered a thousand cities; a thousand white elephants were collected for me; I lived for a thousand years and my kingdom covered both east and west, but when death came to me nothing of all that I had gathered was of any avail. You who see me take heed: for Time is not to be trusted.' Dating from at least a

millennium ago, these are the earliest known Arabic short stories, surviving in a single, ragged manuscript in a library in Istanbul. Some found their way into The Arabian Nights but most have never been read in English before. Tales of the Marvellous and News of the Strange has monsters, lost princes, jewels beyond price, a princess turned into a gazelle, sword-wielding statues and shocking reversals of fortune.

From the Brothers Grimm to Andrew Lang Hachette UK

Grimms' fairy tales, originally collected in 1812, are a timeless chronicle of the possibilities our lives all have, and the full range of human nature. The stories remain just as relevant today as when they were first published over 200 years ago. To introduce these tales to a new

generation, Uzzlepye Press presents Mirror Mirrored: An Artists' Edition of 25 Grimms' Tales, a special visual edition of 25 of the stories. It includes not only almost 2,000 vintage Grimms' illustrations remixed into the book alongside the story texts, but also work from 28 contemporary artists visually reimagining these stories.

CYMBELINE; The Wager on the Wife's Chastity; Yolando Pino- Saavedra, "The Wager on the Wife's Chastity"; Kurt Ranke, "The Innkeeper of Moscow"; Italo Calvino, "Wormwood"; J. M. Synge, "The Lady O'Conor"; Snow White; Yolando Pino- Saavedra, "Blanca Rosa and the Forty Thieves"; Violet Paget, "The Glass Coffin"; Alan Bruford, "Lasair Gheug, the King of Ireland's Daughter"; The Maiden

Who Seeks Her Brothers Peter Christian Asbjørnsen and Jørgen Moe, "The Twelve Wild Ducks"; VIII. THE TEMPEST; The Magic Flight; Joseph Jacobs, "Nix Nought Nothing"; Peter Buchan, "Green Sleeves"; Jacob and Wilhelm Grimm, "The Two Kings' Children"; Zora Neale Hurston, "Jack Beats the Devil"; Marie-Catherine d'Aulnoy, "The Bee and the Orange Tree."

The Gigantic Turnip Penguin

Murder, mutilation, cannibalism, infanticide, and incest: the darker side of classic fairy tales is the subject of this groundbreaking and intriguing study of Jacob and Wilhelm Grimm's Nursery and Household Tales. This expanded edition includes a new preface and an appendix featuring translations of six tales with commentary by Maria Tatar. Throughout

the book, Tatar draws on the disciplinary tools of psychoanalysis and folklore while also providing historical context to explore the harsher aspects of these stories, presenting new interpretations of tales that engage in a kind of cultural repetition compulsion. No other book so thoroughly challenges us to rethink the happily-ever-after of these classic stories.

The Wild Girl Penguin

Then they took the flowers of the oak, and the flowers of the broom, and the flowers of the meadowsweet, and from those they conjured up the fairest and most beautiful maiden that anyone had ever seen. Celtic mythology, Arthurian romance, and an intriguing interpretation of British history — these are just some of the themes embraced

by the anonymous authors of the eleven tales that make up the Welsh medieval masterpiece known as the Mabinogion. They tell of Gwydion the shape-shifter, who can create a woman out of flowers; of Math the magician whose feet must lie in the lap of a virgin; of hanging a pregnant mouse and hunting a magical boar. Dragons, witches, and giants live alongside kings and heroes, and quests of honour, revenge, and love are set against the backdrop of a country struggling to retain its independence. Sioned Davies' lively translation recreates the storytelling world of medieval Wales and re-invests the tales with the power of performance.

New Fairy Tales New York Review of Books

This striking, richly illustrated edition of

long-lost German fairy tales is not a book for children. It is a book for adults. Or for adults to frighten children into behaving...whichever you prefer. In 2009, a trove of lost fairy tales collected by Franz Xaver von Schönwerth--a 19th-century collector of Bavarian folk tales and contemporary of the Brothers Grimm--was unearthed in a municipal archive in Germany. Unlike the Grimms, who polished the stories they collected, adapting to contemporary tastes, von Schönwerth recorded the stories as they were told, plucking them directly from the living, breathing tree of oral storytelling, retaining their darker themes and sometimes shocking violence. Von Schönwerth published a single volume of these tales in his lifetime, but the vast majority languished

and were forgotten over the years, effectively frozen in time until their recent rediscovery. Now, award-winning illustrator Willow Dawson, in collaboration with translator Shelley Tanaka, has brought these long-lost tales unforgettably to life, illuminating with striking woodcut-style illustrations a spectacular collection that will change the way you look at fairy tales forever. Paired with Dawson's arresting artwork, the stories in *White as Milk, Red as Blood* race with palpable energy through fantasy landscapes darker, bawdier and racier than anything we find in Disney or the Grimms. Following the tradition of illustrated fairy-tale collections, *White as Milk, Red as Blood* is the very first fully illustrated, full-colour edition of Franz Xaver von Schönwerth's work. It is a

timeless tome of enchantment and foreboding: tales--as haunting as they are profound--of powerful princesses, helpless men, lecherous villains, virtuous girls, witches, giants, at least one female serial killer, mer-people, shape-shifters and talking beasts--a kaleidoscope of wonders both familiar and entirely new; rich and strange. Dawson and Tanaka's dark and lively take on von Schönwerth's collected tales will appeal to fans of Mike Mignola's classic fantasy comic-book series *Hellboy*.

"A 22-volume, highly illustrated, A-Z general encyclopedia for all ages, featuring sections on how to use World Book, other research aids, pronunciation key, a student guide to better writing, speaking, and research skills, and comprehensive index"--

The Turnip Princess and Other Newly Discovered Fairy Tales Penguin

A collection of swashbuckling pirate stories is filled with tales of drama and adventure, including the humorous saga of a band of Scottish pirates, a foolish merchant and his servant, and a spooky tale from Africa.

The Random House Book of Fairy Tales World Book

One king, his queen and their daughter lived once in a big castle which was so rich because of the magical golden

donkey they had. One day the queen died. Her last wish was that the king would remarry only if he found someone as beautiful as her. But it was not an easy task because such beauty was nowhere to be seen. Eventually the king realized that his own daughter was as magnificent as her own mother, so he decided to marry her. The poor girl however was not willing to marry her own father so she sought advice from her fairy godmother. The girl had to make impossible demands and if she was granted all of them, the king was going to get her consent. One of the conditions was the skin of the king's precious golden donkey. Do you think the king will sacrifice the source of the kingdom's wealth? Find out in "Donkey Skin". Charles Perrault (1628-1703) was

a French author. He is known for being a pioneer of the fairy tale genre, deriving his stories from traditional folk tales. His most famous stories include "Puss in Boots", "Little Red Riding Hood", "Sleeping Beauty", and "Cinderella". His stories have been adapted to stage and screen countless times, most notably by Disney with classic animated films like "Sleeping Beauty" and "Cinderella". His story "Puss in Boots" was the basis for the character from the animated films "Shrek 2" and "Puss in Boots".

Scotland, Brittany, and Wales** W. W.

Norton & Company

A Penguin Classics Deluxe Edition of Hans Christian Andersen's famous tales, from award-winning translator Tiina

Nunnally Hans Christian Andersen was the profoundly imaginative writer and storyteller who revolutionized literature for children. He gave us the now standard versions of some traditional fairy tales—with an anarchic twist—but many of his most famous tales sprang directly from his imagination. The thirty stories here range from exuberant early works such as "The Tinderbox" and "The Emperor's New Clothes" through poignant masterpieces such as "The Little Mermaid" and "The Ugly Duckling" to more subversive later tales such as "The Ice Maiden" and "The Wood Nymph." For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a

global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Princess and the Hound Courier Corporation

It was out of medieval Provence—Proensa—that the ethos of courtly love emerged, and it was in the poetry of the Provençal troubadours that it found its perfect expression. Their poetry was also a central inspiration for Dante and his Italian contemporaries, propagators of the modern vernacular lyric, and seven centuries later it was no

less important to the modernist Ezra Pound. These poems, a source to which poetry has returned again and again in search of renewal, are subtle, startling, earthy, erotic, and supremely musical. The poet Paul Blackburn studied and translated the troubadours for twenty years, and the result of that long commitment is *Proensa*, an anthology of thirty poets of the eleventh through thirteenth centuries, which has since established itself not only as a powerful and faithful work of translation but as a work of poetry in its own right. Blackburn's *Proensa*, George Economou writes, "will take its place among Gavin Douglas' *Aeneid*, Golding's *Metamorphoses*, the Homer of Chapman, Pope, and Lattimore, Waley's *Japanese*, and Pound's *Chinese*, *Italian*, and *Old*

English."

Ladybird Tales: Aladdin Harper Collins "Dressed up in the thrill and sparkle of the Roaring Twenties, the classic fairy tale of 'The Twelve Dancing Princesses' has never been more engrossing or delightful. Valentine's fresh, original style and choice of setting make this a fairy tale reimagining not to be missed" (*Library Journal*, starred review). Jo, the firstborn, "The General" to her eleven sisters, is the only thing the Hamilton girls have in place of a mother. She is the one who taught them how to dance, the one who gives the signal each night, as they slip out of the confines of their father's Manhattan townhouse and into the cabs that will take them to the speakeasy. Together they elude their distant and controlling father, until the

day he decides to marry them all off. The girls, meanwhile, continue to dance, from Salon Renaud to the Swan and, finally, the Kingfisher, the club they've come to call home. They dance until one night when they are caught in a raid, separated, and Jo is thrust face-to-face with someone from her past: a bootlegger named Tom whom she hasn't seen in almost ten years. Suddenly Jo must balance not only the needs of her father and eleven sisters, but her own as well. With *The Girls at the Kingfisher Club*, award-winning writer Genevieve Valentine takes her superb storytelling gifts to new heights, joining the leagues of such Jazz Age depictees as Amor Towles and Paula McLain, and penning a dazzling tale about love, sisterhood, and freedom.

An Anthology of Stories Penguin
Two hundred and twenty tales from medieval Japan—tales that welcome us into a fabulous faraway world populated by saints, scoundrels, ghosts, magical healers, and a vast assortment of deities and demons. Stories of miracles, visions of hell, jokes, fables, and legends, these tales reflect the Japanese civilization. They ably balance the lyrical and the dramatic, the ribald and the profound, offering a window into a long-vanished culture. With black-and-white illustrations throughout Part of the Pantheon Fairy Tale and Folklore Library Expanded Edition Penguin UK
There are, roughly speaking, two distinct types of Scottish Fairy Tales. There are what may be called "Celtic Stories," which were handed down for centuries

by word of mouth by professional storytellers, who went about from clachan to clachan in the "Highlands and Islands," earning a night's shelter by giving a night's entertainment, and which have now been collected and classified for us by Campbell of Isla and others. These stories, which are also common to the North of Ireland, are wild and fantastic, and very often somewhat monotonous, and their themes are strangely alike. They almost always tell of some hero or heroine who sets out on some dangerous quest, and who is met by giants, generally three in number, who appear one after the other; with whom they hold quaint dialogues, and whom eventually they slay. Most of them are fairly long, and although they have a peculiar fascination of their own, they are quite

distinct from the ordinary Fairy Tale. These latter, in Scotland, have also a character of their own, for there is no country where the existence of Spirits and Goblins has been so implicitly believed in up to a comparatively recent date. As a proof of this we can go to Hogg's tale of "The Wool-gatherer," and see how the countryman, Barnaby, voices the belief of his day. "Ye had need to tak care how ye dispute the existence of fairies, brownies, and apparitions! Ye may as weel dispute the Gospel of Saint Matthew." Perhaps it was the bleak and stern character of their climate, and the austerity of their religious beliefs which made our Scottish forefathers think of the spirits in whom they so firmly believed, as being, for the most part, mischievous and malevolent. Their

Bogies, their Witches, their Kelpies, even their Fairy Queen herself, were supposed to be in league with the Evil One, and to be compelled, as Thomas of Ercildoune was near finding out to his cost, to pay a "Tiend to Hell" every seven years; so it was not to be wondered at, that these uncanny beings were dreaded and feared. But along with this dark and gloomy view, we find touches of delicate playfulness and brightness. The Fairy Queen might be in league with Satan, but her subjects were not all bound by the same law, and many charming tales are told of the "sith" or silent folk, who were always spoken of with respect, in case they might be within earshot, who made their dwellings under some rocky knowe, and who came out and danced on the dewy sward at midnight.

The Complete Fairy Tales Doubleday Books for Young Readers

Presents mature and scholarly retellings of fifty favorite and lesser-known fairy tales on the two hundredth anniversary of the Grimm brothers' "Children's and Household Tales," in a volume that includes such stories as "Cinderella," "Rapunzel," and "Briar-Rose."

The Starlit Wood Princeton University Press

Ladybird has published fairy tales for over forty-five years, bringing the magic of traditional stories to each new generation of children. The Ladybird Tales series is based on the original Ladybird re-tellings, with beautiful pictures of the kind children like best - full of richness and detail. This beautiful ebook edition of Aladdin is a perfect first

illustrated introduction to this classic story for young readers from 3+. The tale is sensitively retold, following the story of a young boy's magical adventures with a wicked magician, a beautiful princess and two amazing genies.

Mirror Mirrored Lindhardt og Ringhof
A rare discovery in the world of fairy tales—now for the first time in English
Move over, Cinderella: Make way for the Turnip Princess! And for the “Cinderellas” in these stories, which turn our understanding of gender in fairy tales on its head. With this volume, the holy trinity of fairy tales—the Brothers Grimm, Charles Perrault, and Hans Christian Andersen—becomes a quartet. In the 1850s, Franz Xaver von Schönwerth traversed the forests,

lowlands, and mountains of northern Bavaria to record fairy tales, gaining the admiration of even the Brothers Grimm. Most of Schönwerth's work was lost—until a few years ago, when thirty boxes of manuscripts were uncovered in a German municipal archive. Now, for the first time, Schönwerth's lost fairy tales are available in English. Violent, dark, and full of action, and upending the relationship between damsels in distress and their dragon-slaying heroes, these more than seventy stories bring us closer than ever to the unadorned oral tradition in which fairy tales are rooted, revolutionizing our understanding of a hallowed genre. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than

1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning

translators.

Donkey Skin Pantheon

Approximately 150 fairy and folk tales from a three-volume scholarly work of the 1850s. Includes Introduction to the German and East Bavarian stories. Tales of giants, witches, death, other subjects grouped thematically.
