Something Wicked this Way Comes New Amer Library
 A USA TODAY BESTSELLER In this thrilling sequel to the New York Times bestselling novella by Stephen King and award-winning author Richard Chizmar, an adult Gwendy is summoned back to Castle Rock after the mysterious reappearance of the button box. Something evil has swept into the small Maine town of Castle Rock on the heels of the latest winter storm. Sheriff Norris Ridgewick and his team are desperately searching for two missing girls, but time is running out. In Washington, DC, thirty-seven-year-old Gwendy Peterson couldn't be more different from the self-conscious teenaged girl who once spent a summer running up Castle Rock's Suicide Stairs. That same summer, she had been entrusted—or some might say cursed—with the extraordinary button box by Richard Farris, the mysterious stranger in the black suit. The seductive and powerful box offered Gwendy small gifts in

exchange for its care and feeding until Farris eventually returned, promising the young girl she'd never see the box again. One day, though, the button box suddenly reappears but this time, without Richard Farris to explain why, or what she's supposed to do with it. Between this and the troubling disappearances back in Castle Rock, Gwendy decides to return home. She just might be able to help rescue the missing girls and stop a dangerous madman before he does something ghastly. With breathtaking and lyrical prose, Gwendy's Magic Feather explores whether our lives are controlled by fate or the choices we make and what price we sometimes have to pay. Prepare to return again to Stephen King's Castle Rock, the sleepy little town built on a bedrock of deep, dark secrets, just as it's about to awaken from its quiet slumber once more. A Novel Anchor Stephen King's unforgettable novella—first included in his 1990, award-winning collection *Four Past Midnight* and made into a highly acclaimed miniseries—about a terrifying plane ride into a most unfriendly sky. On a

cross-country, redeye flight from Los Angeles to Boston, ten passengers awaken in Bangor, Maine, to find that the crew and most of their fellow passengers have disappeared. The airport shows no signs of life. Yet they hear "radio static" in the distance. Craig Toomey, an irritable investment banker on the verge of a breakdown, believes it is "The Langoliers," monsters he was afraid of as a child who attack those who waste time. It's mystery author Bob Jenkins who first theorizes that they have flown through a time rip. Bob declares they have entered a place that forbids time travelers to observe or interfere with past events. It turns out that Craig is right, in a way. Two creatures, followed by hundreds more, emerge from the forest and head for the plane, consuming everything in their path. Can the survivors manage to fly the plane back to Los Angeles, back to the correct time, before The Langoliers succeed in their deadly mission to destroy the plane and the world? Dinah Bellman, the young blind girl whose aunt did not survive the time rip, has the greatest insight of all. A spine-

tingling, propulsive novella, *The Langoliers* is a brilliant read from the masterful Stephen King. A Novel Simon and Schuster
 "Maggie understands that splatter for splatter's sake is boring. Psychopathy is boring. Coldness is boring. She's interested in feeling, and when her stories turn violent (as they frequently do), it's with a surreal emotional barbarity that distorts the entire world. You can mop up blood with any fabric. Maggie's concern is with the wound left behind, because the wound never leaves-it haunts. As a result, each of these stories leaves a wound of its own. Some weep, watching as you try (and fail) to recover. Others laugh. But never without feeling." -B.R. Yeager, author of *Negative Space*
 "And once finished, I felt like my tongue had been misplaced, guts heavy and expanded ... gums numb with a tongue that'd been put elsewhere, my mouth clean around a pipe weaving up through pitch and shadow ... and well past ready, primed for delight, waiting but knowing I had already been filled to skin; crying shit, hearing piss, fingernails seeping bile, pores dribbling blood,

soles slopping off and out to meet a drain mid-floor ..." -Christopher Norris, author of *Hunchback '88*
Desperation/Regulators
 Apocalypse Party
 #1 New York Times bestselling author
 Stephen King's novella *The Sun Dog*, published in his award-winning 1990 story collection *Four Past Midnight*, now available for the first time as a standalone publication. The dog is loose again. It is not sleeping. It is not lazy. It's coming for you. Kevin Delevan wants only one thing for his fifteenth birthday: a Polaroid Sun 660. There's something wrong with his gift, though. No matter where Kevin Delevan aims the camera, it produces a photograph of an enormous, vicious dog. In each successive picture, the menacing creature draws nearer to the flat surface of the Polaroid film as if it intends to break through. When old Pop Merrill, the town's sharpest trader, gets wind of this phenomenon, he envisions a way to profit from it. But *The Sun Dog*, a beast that shouldn't exist at all, turns out to be a very dangerous investment.
Qualia Nous Anchor
 Now a Netflix movie directed by Mike Flanagan

(*Oculus*, *Hush*) and starring Carla Gugino and Bruce Greenwood. Master storyteller Stephen King presents this classic, terrifying #1 New York Times bestseller. When a game of seduction between a husband and wife ends in death, the nightmare has only begun... "And now the voice which spoke belonged to no one but herself. Oh my God, it said. Oh my God, I am all alone out here. I am all alone." Once again, Jessie Burlingame has been talked into submitting to her husband Gerald's kinky sex games—something that she's frankly had enough of, and they never held much charm for her to begin with. So much for a "romantic getaway" at their secluded summer home. After Jessie is handcuffed to the bedposts—and Gerald crosses a line with his wife—the day ends with deadly consequences. Now Jessie is utterly trapped in an isolated lakeside house that has become her prison—and comes face-to-face with her deepest, darkest fears and memories. Her only company is that of the various voices filling her mind...as well as the shadows of nightfall that

may conceal an imagined or very real threat right there with her...

A Novel Simon and Schuster

Enter once more the world of Roland Deschain—and the world of the Dark Tower...presented in this stunning fourth graphic novel of The Drawing of the Three story arc that will unlock the doorways to terrifying secrets and bold storytelling as part of the dark fantasy masterwork and magnum opus from #1 New York Times bestselling author Stephen King. “The man in black fled across the desert, and the gunslinger followed.” With these unforgettable words, millions of readers were introduced to Stephen King’s iconic character Roland Deschain of Gilead. Roland is the last of his kind, a “gunslinger” charged with protecting whatever goodness and light remains in his world—a world that “moved on,” as they say. In this desolate reality—a dangerous land filled with ancient technology and deadly magic, and yet one that mirrors our own in frightening ways—Roland is on a spellbinding and soul-shattering quest to locate and somehow save the mystical nexus of all

worlds, all universes: the Dark Tower. Now, in the graphic novel series adaptation Stephen King’s The Dark Tower: The Drawing of the Three, originally published by Marvel Comics in single-issue form and creatively overseen by Stephen King himself, the full story of Roland’s saga continues. Sumptuously drawn by Piotr Kowalski, Jonathan Marks, Juanan Ramirez, and Cory Hamscher, plotted by longtime Stephen King expert Robin Furth, and scripted by New York Times bestselling author Peter David, The Drawing of the Three adaptation is an extraordinary and terrifying journey—ultimately introducing a generation of new readers to Stephen King’s modern literary classic The Dark Tower, while giving longtime fans thrilling adventures transformed from his blockbuster novels.

Carrion Comfort Harper Collins

Four novellas about horror in the late night hours.

The Stand (Movie Tie-In Edition) Simon and Schuster

In this spectacular New York Times bestselling father/son collaboration that “barrels along like a freight train” (Publishers

Weekly), Stephen King and Owen King tell the highest of high-stakes stories: what might happen if women disappeared from the world of men? In a future so real and near it might be now, something happens when women go to sleep: they become shrouded in a cocoon-like gauze. If they are awakened, if the gauze wrapping their bodies is disturbed or violated, the women become feral and spectacularly violent. And while they sleep they go to another place, a better place, where harmony prevails and conflict is rare. One woman, the mysterious “Eve Black,” is immune to the blessing or curse of the sleeping disease. Is Eve a medical anomaly to be studied? Or is she a demon who must be slain? Abandoned, left to their increasingly primal urges, the men divide into warring factions, some wanted to kill Eve, some to save her. Others exploit the chaos to wreak their own vengeance on new enemies. All turn to violence in a suddenly all-male world. Set in a small Appalachian town whose primary employer is a woman’s prison, *Sleeping Beauties* is a wildly provocative, gloriously

dramatic father-son collaboration that feels particularly urgent and relevant today.

Anything can be bought and sold at Needful Things, even your soul! *The Stand* Simon and Schuster

Saulo Ribeiro—six-time Brazilian Jiu-Jitsu World Champion—is world-renowned for his functional jiu-jitsu knowledge and flawless technique. In *Jiu-Jitsu University*, Ribeiro shares with the public for the first time his revolutionary system of grappling, mapping out more than 200 techniques that carry you from white to black belt. Illuminating common jiu-jitsu errors and then illustrating practical remedies, this book is a must for all who train in jiu-jitsu. Not your run-of-the-mill technique book, *Jiu-Jitsu University* is a detailed training manual that will ultimately change the way jiu-jitsu is taught around the globe.

A Novel Simon and Schuster

Four novellas from Stephen King bound together by the changing

of seasons, each taking on the theme of a journey with strikingly different tones and characters. This gripping collection begins with "Rita Hayworth and the Shawshank Redemption," in which an unjustly imprisoned convict seeks a strange and startling revenge--the basis for the Best Picture Academy Award-nominee *The Shawshank Redemption*. Next is "Apt Pupil," the inspiration for the film of the same name about top high school student Todd Bowden and his obsession with the dark and deadly past of an older man in town. In "The Body," four rambunctious young boys plunge through the facade of a small town and come face-to-face with life, death, and intimations of their own mortality. This novella became the movie *Stand By Me*. Finally, a disgraced woman is determined to triumph over death in "The Breathing Method."-- Provided by publisher. *Outpost* Simon and Schuster

A monumentally devastating plague leaves only a few survivors who, while experiencing dreams of a battle between good and evil, move toward an actual confrontation as they

migrate to Boulder, Colorado.

Hardcases Penguin

The cult thriller novel is back in this all new edition which features the original text as it was meant to be published! Dubbed one of "The Most Intense Horror Novels" ever written by many horror review sites, *The Summer I Died* is the first book in the Roger Huntington saga and soon to be a major motion picture. When Roger Huntington comes home from college for the summer and is met by his best friend, Tooth, he knows they're going to have a good time. A summer full of beer, comic books, movies, laughs, and maybe even girls. The sun is high and the sky is clear as Roger and Tooth set out to shoot beer cans at Bobcat Mountain. Just two friends catching up on lost time, two friends thinking about their futures . . . two friends suddenly thrust into the middle of a nightmare. Forced to fight for their lives against a sadistic killer with an arsenal of razor sharp blades and a hungry dog by his side. If they are to survive, they must decide: are heroes born, or are they made? Or is something more powerful

happening to them? And more importantly, how do you survive when all roads lead to death? "A tense, bloody ride!" - Brian Keene, author of *The Rising* "If you want to freak yourself out on your next camping trip, you can't really do any better than *The Summer I Died*." - BloodyDisgusting.com

Stephen King Short Fiction Gallery Books

"[Jason Pargin] has updated the Lovecraft tradition and infused it with humor that rather than lessening the horror, increases it dramatically. Every time I set the book down down, I was wary that something really was afoot, that there were creatures I couldn't see, and that because I suspected this, I was next. Engaging, comic, and terrifying." —Joe Garden, Features Editor, *The Onion* "[Pargin] is like a mash-up of Douglass Adams and Stephen King... 'page-turner' is an understatement." —Don Coscarelli, director, *Phantasm I-V*, Bubba Ho-tep "That rarest of things-- a genuinely scary story." —David Wellington, author of *Monster Island*, *Vampire Zero* "JOHN DIES AT THE END has a cult following for a reason: it's horrific, thought-provoking, and hilarious

all at once. This is one of the most entertaining and addictive novels I've ever read." —Jacob Kier, Publisher, *Permuted Press STOP*. You should not have touched this flyer with your bare hands. NO, don't put it down. It's too late. They're watching you. My name is David. My best friend is John. Those names are fake. You might want to change yours. You may not want to know about the things you'll read on these pages, about the sauce, about Korrok, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under the eye. The only defense is knowledge. You need to read this book, to the end. Even the part with the bratwurst. Why? You just have to trust me. The important thing is this: The sauce is a drug, and it gives users a window into another dimension. John and I never had the chance to say no. You still do. I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very dark epoch the world is about to enter as a result, it is crucial you keep one thing in mind: None of this was my fault.

A monumentally devastating plague leaves only a few survivors who, while experiencing dreams of a battle between good and evil, move toward an actual confrontation as they migrate to Boulder, Colorado.

A Novel Simon and Schuster

New! Titles include "Desperation" by Stephen King and "The Regulators" by Richard Bachman. [Sleeping Beauties](#) Hachette UK

After an invisible force field seals off Chester Mills, Maine, from the rest of the world, it is up to Dale Barbara, an Iraq veteran, and a select group of citizens to save the town, if they can get past Big Jim Rennie, a murderous politician, and his son, who hides a horrible secret in his dark pantry. Reprint.

A Novel Simon and Schuster

Joe Hill, the horror mastermind behind *NOS4A2* and *Locke & Key*, arrives at DC with the twisted tale of June Branch-trapped with four cunning criminals who have snatched her boyfriend for deranged reasons of their own. Now she must fight for her life with the help of an

impossible 8th-century Viking axe that can pass through a man's neck in a single swipe-and leave the severed head still conscious and capable of supernatural speech. Each disembodied head has a malevolent story of its own to tell, and it isn't long before June finds herself in a desperate struggle to hack through their lies and manipulations...racing to save the man she loves before time runs out. But

is June Branch a woman fighting for her life-or a deranged axe murderer with a basketful of paranoid fantasies? The truth is even more horrifying than a basketful of heads. Collects *Basketful of Heads* #1-7. [The Tommyknockers](#) St. Martin's Griffin
Four men who reunite every year during hunting season in the woods of Maine, encounter a disoriented, incoherent stranger who drags the men into a terrifying

struggle with a creature from another world, and their only chance for survival lies in their shared past. [Stephen King \[Three Novels\]](#) Marvel
Returns to the rich landscape of Mid-World in a story within a story about gunslinger Roland Deschain, who while investigating a murderous shape-shifter interviews a terrified teen who has witnessed the creature's most recent killing.
