Too often, our study of the Bible focuses on searching for specific information or some formula that will solve our pressing needs of the moment. But what if we approached the Bible differently, and instead of transforming the text to meet our needs, allowed it to transform us? That's exactly the idea behind *Life with God*, Richard J. Foster's much-anticipated book on the Bible. Foster, bestselling author of *Celebration of Discipline* and general editor of *The Renovare Spiritual Formation Bible*, claims that God has superintended the writing of Scripture so that it serves as the most reliable guide for Christian spiritual formation. According to Foster, the Bible is all about human life "with God." As we read Scripture, we should consider how exactly God is with us in each story and allow ourselves to be spiritually transformed. By opening our whole selves—mind, body, spirit, thoughts, behavior, and will—to the page before us, we begin to grasp all the Bible has to teach about prayer, obedience, compassion, virtue, and grace and apply it to our everyday lives to achieve a deeper relationship with God. With a wealth of examples and simple yet crucial insights, *Life with God* is an indispensable guide to approaching the Bible through the lens of Christian spiritual formation, revealing that reading the Bible for interior transformation is a far different endeavor than reading the Bible for historical knowledge, literary appreciation, or religious instruction.

New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells

the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

Scripture reveals a God who meets us where we are, not where we pretend to be. No More Faking Fine is your invitation to get honest with God through the life-giving language of lament. If you've ever been given empty clichés during challenging times, you know how painful it is to be misunderstood by well-meaning people. When life hurts, we often feel pressure--from others and ourselves--to keep it together, suck it up, or pray it away. But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard. For most of her life, Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether. She was known as an achiever and an overcomer on the fast track to success. But in silencing her pain, she robbed herself of the opportunity to be healed. Maybe you've done the same. Esther's journey into healing began when she discovered that God has given us a real-world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain. It's called lament--the gut-level, honest prayer that God never ignores, never silences, and never wastes. No More Faking Fine is your permission to lament, taking you on a journey down the unexpected pathway to true intimacy with God. Drawing from careful biblical study and hard-won insight, Esther reveals how to use God's own language to come closer to him as he leads us through our pain to the light on the other side, teaching you that: We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect; instead, he meets us where we are There is hope beyond your heartache, disappointment, and grief Like Esther, you'll soon find that when one person stops faking fine, it gives everyone else permission to do the same.

What you believe about God sets the foundation of the person you will become. In *God Has a Name*, pastor and New York Times bestselling author John Mark Comer invites you to rethink many of the prevalent myths and misconceptions about God and weigh them against what God actually tells us about himself. After all, what you believe about God will ultimately shape the type of person you become. We all live at the mercy of our ideas, and nowhere is this more true than our ideas about God. The problem is many of our ideas about God are wrong. Not all wrong, but wrong enough to form our souls in detrimental and disheartening ways. *God Has a Name* is a simple yet profound guide to understanding God in a new light--focusing on what God says about himself in the Bible. This one shift has the potential to radically alter how you relate to God, not as a doctrine, but as a relational being who responds to you in an elastic, back-and-forth way. John Mark Comer takes you line by line through Exodus 34:6-8--Yahweh's self-revelation on Mount Sinai, one of the most quoted passages in the Bible. Along the way, Comer addresses some of the most profound questions he came across as he studied these noted lines in Exodus, including: Why do we feel this gap between us and God? Could it be that a lot of what we think about God is wrong? Not all wrong, but wrong enough to mess up how we relate to him? What if our "God" is really a projection of our own identity, ideas, and desires? What if the real God is different, but far better than we could ever imagine? No matter where you are in your spiritual journey, *God Has a Name* invites you to step into a fresh and biblically rooted vision of who God is that has the potential to alter your life with God and shape who you become.

The hard work required to make God real, how it changes the people who do it, and why it helps explain the enduring power of faith How do gods and spirits come to feel vividly real to people—as if

they were standing right next to them? Humans tend to see supernatural agents everywhere, as the cognitive science of religion has shown. But it isn't easy to maintain a sense that there are invisible spirits who care about you. In *How God Becomes Real*, acclaimed anthropologist and scholar of religion T. M. Luhrmann argues that people must work incredibly hard to make gods real and that this effort—by changing the people who do it and giving them the benefits they seek from invisible others—helps to explain the enduring power of faith. Drawing on ethnographic studies of evangelical Christians, pagans, magicians, Zoroastrians, Black Catholics, Santeria initiates, and newly orthodox Jews, Luhrmann notes that none of these people behave as if gods and spirits are simply there. Rather, these worshippers make strenuous efforts to create a world in which invisible others matter and can become intensely present and real. The faithful accomplish this through detailed stories, absorption, the cultivation of inner senses, belief in a porous mind, strong sensory experiences, prayer, and other practices. Along the way, Luhrmann shows why faith is harder than belief, why prayer is a metacognitive activity like therapy, why becoming religious is like getting engrossed in a book, and much more. A fascinating account of why religious practices are more powerful than religious beliefs, *How God Becomes Real* suggests that faith is resilient not because it provides intuitions about gods and spirits—but because it changes the faithful in profound ways.

Terence E. Fretheim has long been a leading voice in Old Testament theology. In this volume, thirty of his classic studies have been gathered together for the first time under the rubrics "God and the World", "God and Suffering", "God, Wrath, and Divine Violence", "God and the Pentateuch", "God and the Prophets", and "God and the Church's Book". Here readers can find a compelling answer to the question that has motivated Fretheim's work for more than forty years—namely, what kind of God is the God of Scripture? The studies are introduced by a critical overview of Fretheim's career and theology by the editors and a retrospective by Fretheim himself.

It became one of the most popular columns ever published in the newspaper, and since then the 50 lessons have been emailed to hundreds of thousands of people. Brett now takes the 50 lessons and expounds on them in essays that are deeply personal. The author of *Desiring God* reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Includes a study guide for individual and small-group use. Isn't it true—we really don't know someone until we understand what makes that person happy? And so it is with God! What does bring delight to the happiest Being in the universe? John Piper writes, that it's only when we know what makes God glad that we'll know the greatness of His glory. Therefore, we must comprehend "the pleasures of God." Unlike so much of what is written today, this is not a book about us. It is about the One we were made for—God Himself. In this theological masterpiece—chosen by *World Magazine* as one of the 20th Century's top 100 books, John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Then we will be able to drink deeply—and satisfyingly—from the only well that offers living water. What followers of Jesus need now, more than anything else, is to know and love—behold and embrace—the great, glorious, sovereign, happy God of the Bible. He exposes the manipulation that sometimes goes on with Christian ministers and how you can be immune from it.
