The Wheels of Chance Laberinto

From the author of the films *Lake Dead*, (After Dark Film's 8 Films to Die For) and *Farmhouse*, Daniel P. Coughlin's *Ted's Score* is a shocking, suspenseful tale of a depraved, ax-wielding serial killer. When beautiful Jules Benton, a seventeen year old senior, goes missing after the spring formal dance in the small town of Watertown, Wisconsin, her father, Richard Benton, becomes suspicious of Jules' boyfriend, David Miller and his involvement with her disappearance. When Richard confirms his suspicions, the brutality of his capability consumes him and soon David will find out what that means. Unbeknownst to David or Richard, a serial killer by the name of Ted Olson has more to do with Jules' disappearance than anyone might suspect. As Jules' whereabouts unfold, the truth begins to bleed from a dark place. And the authorities have begun to smell the criminal acts committed. Murder and mayhem catch up with the slow pace of this ordinary Middle American town when evil, perversion, and death mislead these simple folks into a disastrous wave of crime that spirals out of control. All the while, Ted collects his score.

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's *The Scream*. His friend and mentor, Hugh Connolly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and acquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiously and curiously from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.

THE LOST MASTERPIECE FROM ASTRID LINDGREN'S CHILDREN'S CLASSIC *Pippi Moves In* marks the first time that the legendary Pippi Longstocking comics by the famed children's author and creator Astrid Lindgren and Danish illustrator Ingrid Vang Nyman will be published outside of Scandinavia in thirty years, as well as their first ever publication in English. The outspoken strong-girl with the carrot-colored pigtails and the mismatched socks has enthralled generations of children the world over with her fabulous exploits at Villa Villekulla, where she lives with her horse and monkey. Countless translations of the chapter books are available in more than sixty languages. Pippi is Sweden's best-known children's export, making it all the more remarkable that D+Q has discovered what will be a three-volume series. The comics are re-imaginings of the classic chapter book stories and were originally published in the Swedish magazine *Humpty Dumpty* in 1957-1959, a decade after the original books. The comics spotlight both Lindgren's brilliant writing and Vang Nyman's bold bright colors that seem presciently and eerily modern. The original illustrator for the chapter books, Vang Nyman was an avant-garde champion of the importance of children's literature who insisted that art in children's books needed to meet the same esthetic standards as art in any other medium. Sadly Vang Nyman never achieved international success, and tragically committed suicide in 1959 due to mental health issues, while Lindgren went on to become one of the world's best-loved writers with more than 145 million books sold worldwide. Similar to D+Q's 2005 unearthing of the Tove Jansson's *Moomin* comic strip, which has more than 100,000 units in print, these mid-century classics are waiting to be discovered and enjoyed by the world's legions of Pippi fans, both young and old.
