### **ARCHER CALLAHAN**

#### **Singing the Songs of My Ancestors** Perigee Trade

Available in paperback for the very first time, here's everything you need to make your own astrological readings of your most precious relationships Why do you feel you've known someone for years when you've just met? Why are you attracted to someone who seems like your complete opposite? Why do you and your loved one argue the way you argue? How can you make your relationships last in spite of your differences? The answers to these questions can be found within your birth chart and that of your loved one. Linda Goodman's Relationship Signs is the first astrology book to provide a totally individual, detailed analysis of how compatible you and your partner really are. Whether you are familiar with astrology or a complete novice, this comprehensive reference shows you step-by-step how to find the keys to harmony and the areas of potential trouble--all you need is each person's birth date and time. Individually tailored to you

and your loved one, here is your guide to the relationships that mean the most to you.

#### **Tea Leaf Reading** Fair Winds

A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, Astrology for Real Relationships includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be

attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

From the online phenomenon the Astro Poets comes the first great astrology primer of the 21st century. Full of insight, advice and humor for every sign in the zodiac, the Astro Poets' unique brand of astrological flavor has made them Twitter sensations. Their long-awaited first book is in the grand tradition of Linda Goodman's Sun Signs, but made for the world we live in today. In these pages the Astro Poets help you see what's written in the stars and use it to navigate your friendships, your career, and your very complicated love life. If you've ever wondered why your Gemini friend won't let you get a word in edge-wise at drinks, you've come to the right place. When will that Scorpio texting "u up?" at 2AM finally take the next step in your relationship? (Hint:

they won't). Both the perfect introduction to the twelve signs for the astrological novice, and a resource to return to for those who already know why their Cancer boyfriend cries during commercials but need help with their new whacky Libra boss, this is the astrology book must-have for the twenty-first century and beyond.

Bringing the ancient matchmaking tool of astrology into the 21st century, *The Astrology of Love & Sex* explores the romantic and sensual sides of the zodiac. In 12 detailed chapters, astrologer Annabel Gat divulges how each sign likes to flirt, date, and fool around. Going beyond traditional heteronormative gender roles, the book candidly explores love and lust in today's sexually fluid world. From love philosophies to sexual inclinations, readers will enjoy dissecting and analyzing each passage. With unique compatibility profiles matching every sign and a quiz to identify your star match—wrapped in an all-foil case with gilded page edges—this is a fun and comprehensive guide to finding true cosmic love.

This classic astrology text, revered by beginners and professional astrologers alike, is now available in a Weiser Classics edition. "The most important single contribution of twentieth-century astrology is that astrology is not a map of one's fixed destiny but is a potential map of the unfolding of the authentic, higher self." —Robert Hand, from the foreword Saturn's darker persona is recognized universally in myth and fairytale. In this classic astrology text, renowned astrologer and Jungian analyst Liz Greene offers a fresh perspective on how to handle the influence of this much-maligned astrological symbol. In *Saturn*, Greene shows us how the frustrating experiences connected to this planet can be turned into opportunities for greater insight and meaning in our lives. Saturn, she says, symbolizes a psychic process—one that allows us to utilize the experience of pain for self-discovery and a more fulfilling and complete life. Greene retraces Saturn's character through sign, house, aspect, and synastry in a brilliant analysis that reveals his other face: that of the initiator who, for the price of our honesty with ourselves, offers us greater consciousness, self-understanding, and, eventually, freedom.

For the first time ever, a famous spiritual astrologer shares the secrets, previously known only to professionals, that hold the key to your future. Astrologer Jan Spiller shows you the key to discovering your hidden talents, your deepest desires, and the ways you can avoid negative influences that may distract you from achieving your true life purpose, as revealed in your chart by the position of the North Node of the Moon. With insight and depth impossible to gain from the commonly known sun-sign profiles, the enlightening self-portrait offered by the Nodes of the Moon can explain the life lessons you came here to learn and how to achieve the fulfillment and peace you desire. Jan Spiller shows you how to locate the all-important North Node of the Moon in your astrological chart and provides a detailed interpretation of its influence and exclusive exercises to help you learn about:

- The SPECIAL TALENT that is waiting for you, a unique gift that could easily be turned into professional success
- The SELF-DEFEATING TENDENCIES in your personality that can hold you back and sabotage relationships
- The LOVE PARTNER who can be your soul mate—and the partner whose hold over you can lead to heartbreak
- The TRAP or temptation from a past life that can lead to disaster if you are not forewarned
- The HEALING AFFIRMATIONS designed to help you release your positive energy and strengthen the qualities that can bring you true happiness

Astrology is almost as old as mankind, and has helped countless people throughout the ages. And although knowing astrological basics can tell you a lot, a more in-depth look into this ancient art can reveal so much more. In *PLANETS AND POSSIBILITIES*, certified astrologer Susan Miller shows you how astrology can help you envision new possibilities for your future, ones you may never have considered. You will learn about the myths the Greeks and Romans attached to the twelve zodiac signs to explain their characteristics. As you read these stories, Susan Miller shows you how their interpretations can help you fully understand your sign and perhaps see yourself in a whole new way! She also shows you how every Sun sign has a guardian planet that strongly influences the personality of each person born under that sign. For example, Sagittarius is ruled by Jupiter, the planet of prosperity and good fortune, and contributes to the happy-go-lucky Sagittarian approach to life. What will your ruling planet say about you? In addition, *PLANETS AND POSSIBILITIES* helps you learn which careers may be luckiest, most profitable, and fun for you. Discover the best ways to handle your cash flow and the ideal way for you to get rich. Be more fit by following the natural tendencies of both your personality and your body, find out more about your romantic side and how to attract the person right for you. Astrology can help you uncover your latent gifts, affirm your hunches, gain the courage to take risks, build your confidence, and seize opportunities. Astrology can also offer powerful insights into the personalities of the people around you. Life your life to the fullest! Investigate your untapped potential!

The original bestseller from the world's most respected astrological authority Embark on your cosmic path to self-discovery with this comprehensive guide to the twelve signs of the zodiac. Your sun sign is determined by the day and month of your birth and is the foundation of your horoscope. Taking each of the twelve signs in turn, world famous astrologer Linda Goodman explains the importance of the sun - the most powerful of all stellar bodies. She describes the characteristics of each sign and how these can be used to really get to know the men, women, children, bosses and employees in your life. This newfound knowledge allows us to feel closer to one another and to understand that, as Goodman says, 'Not all Capricorns are meek, not all Leos are outwardly domineering and not all Virgos are virgins.' Learn all this and much, much more from the world-famous astrologer who has helped millions divine their way to success, happiness and love by studying the sun signs. Before publication of *Sun Signs* in 1968, astrology as we know it had a very limited following in the United States and around the world. With this book, Linda Goodman changed that forever, bringing metaphysical consciousness to millions of readers around the world

for the first time. Newspapers began running astrology columns, and Goodman herself contributed to these in the larger mass circulation women's magazines. An increasing number of people knew their sign and how to interpret the signs of others, introducing the study of astrological tendencies as we now know it.

The walking dead from 15 centuries haunt this compendium of ghostly visitations through the ages, exploring the history of our fascination with zombies and other restless souls. Since ancient times, accounts of supernatural activity have mystified us. Ghost stories as we know them did not develop until the late nineteenth century, but the restless dead haunted the premodern imagination in many forms, as recorded in historical narratives, theological texts, and personal letters. *The Penguin Book of the Undead* teems with roving hordes of dead warriors, corpses trailed by packs of barking dogs, moaning phantoms haunting deserted ruins, evil spirits emerging from burning carcasses in the form of crows, and zombies with pestilential breath. Spanning from the Hebrew scriptures to the Roman Empire, the Scandinavian sagas to medieval Europe, the Protestant Reformation to the Renaissance, this beguiling array of accounts charts our relationship with spirits and apparitions, wraiths and demons over fifteen hundred years, showing the evolution in our thinking about the ability of dead souls to return to the realm of the living—and to warn us about what awaits us in the afterlife. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and

disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
