[The Crossing](#) Random House Trade Paperbacks

"For indeed the Frankish nation, which was crushed by the avenger Hasting, was full of filthy uncleanness. Treasonous and oath-breaking, they were deservedly condemned; unbelievers and faithless, they were justly punished." Orphaned as a child by a blood-feud, and sold as a slave to an exiled chieftain in Ireland, the boy Hasting had little hope of surviving to adulthood. The gods had other plans. A ship arrived at his master's longphort carrying a man who would alter the course of his destiny, and take him under his wing to teach him the ways of the Vikings. His is a story of a boy who was a slave, who became a warlord, and who helped topple an empire. A supposed son of Ragnar Lodbrok, and referred to in the Gesta Normannorum as the Scourge of the Somme and Loire, his life exemplified the qualities of the ideal Viking. Join author and historian C.J. Adrien on an adventure that explores the coming of age of the Viking Hasting, his first love, his first great trials, and his first betrayal.

[Mistress of the Art of Death](#) Elsevier Health Sciences

The New York Times–bestselling author delivers “a big, authentic novel” of the professional and personal challenges of three young doctors (The New York Times). Three young men from different backgrounds have graduated from medical schools and become surgical fellows at a leading teaching hospital in Boston. They learn to become surgeons, to communicate with patients and families, and to be observed and appraised by their peers and professors on daily rounds. And each month—sometimes with dry mouth and rapid pulse—each attends the meeting of the Mortality Conference, known to all as the Death Committee, which examines every patient loss for possible human error, in order to prevent it from happening again. How the Death Committee affects and is affected by the lives, loves, and ambitions of three new doctors is the theme of this intriguing and profoundly moving novel.

[The Lords of the Wind](#) Waterstone Media

An orphan leaves Dark Ages London to study medicine in Persia in this “rich” and “vivid” historical novel from a New York Times–bestselling author (The New York Times). A child holds the hand of his dying mother and is terrified, aware something is taking her. Orphaned and given to an itinerant barber-surgeon, Rob Cole becomes a fast-talking swindler, peddling a worthless medicine. But as he matures, his strange gift—an acute sensitivity to impending death—never leaves him, and he yearns to become a healer. Arab madrassas are the only authentic medical schools, and he makes his perilous way to Persia. Christians are barred from Muslim schools, but claiming he is a Jew, he studies under the world’s most renowned physician, Avicenna. How the woman who is his great love struggles against her only rival—medicine—makes a riveting modern classic. The Physician is the first book in New York Times–bestselling author Noah Gordon’s Dr. Robert Cole trilogy, which continues with Shaman and concludes with Matters of Choice.

Lose yourself in this captivating tale of love and betrayal, lies and forgiveness, from New York Times bestselling author Diane Chamberlain. Dr. Olivia Simon is on duty in the emergency room of North Carolina’s Outer Banks Hospital when a gunshot victim is brought in. Midway through the desperate effort to save the young woman’s life, Olivia realizes who she is—Annie O’Neill. The woman Olivia’s husband, Paul, is in love with. When Annie dies on the operating table, she leaves behind three other victims. Alec O’Neill, who thought he had the perfect marriage. Paul, whose fixation on Annie is unshakable. And Olivia, who is desperate to understand the woman who destroyed her marriage. Now they are left with unanswered questions about who Annie really was. And about the secrets she kept hidden so well. NEW YORK TIMES BESTSELLER • NOW A TNT ORIGINAL SERIES • “A first-rate tale of crime and punishment that will keep readers guessing until the final pages.”—Entertainment Weekly “Caleb Carr’s rich period thriller takes us back to the moment in history when the modern idea of the serial killer became available to us.”—The Detroit News When *The Alienist* was first published in 1994, it was a major phenomenon, spending six months on the New York Times bestseller list, receiving critical acclaim, and selling millions of copies. This modern classic continues to be a touchstone of historical suspense fiction for readers everywhere. The year is 1896. The city is New York. Newspaper reporter John Schuyler Moore is summoned by his friend Dr. Laszlo Kreizler—a psychologist, or “alienist”—to view the horribly mutilated body of an adolescent boy abandoned on the unfinished Williamsburg Bridge. From there the two embark on a revolutionary effort in criminology: creating a psychological profile of the perpetrator based on the details of his crimes. Their dangerous quest takes them into the tortured past and twisted mind of a murderer who will kill again before their hunt is over. Fast-paced and riveting, infused with historical detail, *The Alienist* conjures up Gilded Age New York, with its tenements and mansions, corrupt cops and flamboyant gangsters, shining opera houses and seamy gin mills. It is an age in which questioning society’s belief that all killers are born, not made, could have unexpected and fatal consequences. Praise for *The Alienist* “[A] delicious premise . . . Its settings and characterizations are much more sophisticated than the run-of-the-mill thrillers that line the shelves in bookstores.”—The Washington Post Book World “Mesmerizing.”—Detroit Free Press “The method of the hunt and the disparate team of hunters lift the tale beyond the level of a good thriller—way beyond. . . . A remarkable combination of historical novel and psychological thriller.”—The Buffalo News “Engrossing.”—Newsweek “Gripping, atmospheric . . . intelligent and entertaining.”—USA Today “A high-spirited, charged-up and unfailingly smart thriller.”—Los Angeles Times “Keeps readers turning pages well past their bedtime.”—San Francisco Chronicle

[The Last Jew](#) Seal Books

A compelling new novel that combines past and present in a riveting search for the source of the Book of Genesis itself. In her provocative second novel, Spanish author Julia Navarro takes readers on an exhilarating journey across centuries and continents, as an upstart archeologist and a murderous group of conspirators vie for a treasure that will rewrite history—an explosive account of the world’s creation recorded millennia ago by a humble scribe onto the legendary Bible of Clay. Moving back and forth through time, from the tense months preceding the contemporary war in Iraq, to ancient Mesopotamia, to the atrocities of the last century, this tale of vengeance, obsession, and the wholesale plundering of the ancient world’s most priceless treasures is populated by an international cast of political opportunists, ruthless killers, and unsullied seekers of truth. The Bible of Clay is historical fiction at its richest, a sweeping saga that challenges at once both conventional geopolitics and the very foundations of modern religion.

[24 Hours](#) Open Road Media

A masterful blend of Christian scholarship and thrilling adventure, *The Last Cato* is a novel about the race to find the secret location of the Vera Cruz, the True Cross on which Christ was crucified, and the ancient brotherhood sworn to protect it. Holy relics are disappearing from sacred spots around the world—and the Vatican will do whatever it takes to stop the thieves from stealing what is left of the scattered splinters of the True Cross. Brilliant paleographer Dr. Ottavia Salina is called upon by the highest levels of the Roman Catholic Church to decipher the scars found on an Ethiopian man’s corpse: seven crosses and seven Greek letters. The markings, symbolizing the Seven Deadly Sins, are part of an elaborate initiation ritual for the Staurofilakes, the clandestine brotherhood hiding the True Cross for centuries, headed by a secretive figure called Cato. With the help of a member of the Swiss Guard and a renowned archaeologist, Dr. Salina uncovers the connection between the brotherhood and Dante’s *Divine Comedy*, and races across the globe to Christianity’s ancient

capitals. Together, they will face challenges that will put their faith—and their very lives—to the ultimate test.

The Alienist (TNT Tie-in Edition) Dial Press

A broken family, a house of secrets—an entrancing tale of love and courage set during the Second World War. After Rebecca's mother dies, she must sort through her empty flat and come to terms with her loss. As she goes through her mother's mail, she finds a handwritten envelope. In it is a letter that will change her life forever. Olivia, her mother's elderly cousin, needs help to save her beloved home. Rebecca immediately goes to visit Olivia in Cornwall only to find a house full of secrets—treasures in the attic and a mysterious tunnel leading from the cellar to the sea, and Olivia, nowhere to be found. As it turns out, the old woman is stuck in hospital with no hope of being discharged until her house is made habitable again. Rebecca sets to work restoring the home to its former glory, but as she peels back the layers of paint and grime, she uncovers even more buried secrets—secrets from a time when the Second World War was raging, when Olivia was a young woman, and when both romance and danger lurked around every corner... A sweeping and utterly spellbinding tale of a young woman's courage in the face of war and the lengths to which she'll go to protect those she loves against the most unexpected of enemies.

The Siege of Krishnapur Vintage

This is a book for those who are not yet comfortable with prayer or who have reached an impasse in their prayer lives. Cole offers help to both groups by demonstrating different kinds of prayer, helping the reader find ways to pray in various situations, and providing sample prayers. He also suggests practical ways of approaching scriptural prayers such as the Lord's Prayer and the Psalms, contemplative prayers such as open prayer and centering prayer, prayer within the traditions of the church, and prayer using the language of worship. The volume includes study questions at the end of each chapter.

Keeper of the Light Open Road Media

Entering its 6th edition, *Physician Assistant: A Guide to Clinical Practice* is the only text that covers all aspects of the physician assistant profession, the PA curriculum, and the PA's role in clinical practice. It is designed as a highly visual and practical resource to be used across the spectrum of lifelong learning, enabling students and practicing PAs to thrive in a rapidly changing health care system. Teaches how to prepare for each core clinical rotation and common electives, as well as how to work with atypical patient populations such as homeless patients and patients with disabilities. A succinct, bulleted writing style; convenient tables; practical case studies; and clinical application questions throughout enable you to master key concepts and clinical applications. Helps you master all the core competencies needed for certification or recertification. Addresses all six Physician Assistant Competencies, as well as providing guidance for the newly graduated PA entering practice. Includes quick-use resources, such as objectives and key points sections for each chapter, tip boxes with useful advice, abundant tables and images, and 134 updated case studies. Features chapters for the 7 core clinical rotations and 5 common electives, with key guidance on how to prepare effectively and what to expect. Provides updated health policy information, expanded information about international programs, cultural competencies, and pearls and pitfalls on working internationally as a PA. Outlines the basic principles of Interprofessional Education – an important new trend in medical education nationally. New chapters cover: Maximizing Your Education, Future of the Profession, Principles of PA Education, Managing Stress and Burnout, and many other topics.

A Novel Harper Collins

The New York Times–bestselling novel that follows the life and career of a rabbi as he journeys through America: “A rewarding reading experience.” —Los Angeles Times Michael Kind is raised in the Jewish cauldron of 1920s New York, familiar with the stresses and materialism of metropolitan life. Turning to the ancient set of ethics of his Orthodox grandfather, with a modern twist, he becomes a Reform rabbi. As insecure and sexually needy as any other young male, he serves as a circuit-rider rabbi in the Ozarks, and then as a temple rabbi in the racially ugly South, in a San Francisco suburb, in a Pennsylvania college town, and finally, in a New England community west of Boston. Along the way he falls deeply in love with and marries the daughter of a Congregational minister; she converts to Judaism and they have two complex, interesting children. Noah Gordon's picture of a brilliant and talented religious counselor—who at times is as bereft and uncertain as any of his congregants—is a deeply moving and very satisfying novel.

Narasimha: The Mahaavatar Trilogy Book 1 Macmillan

A new threat has risen. For years, peace has reigned within the boundaries of the empire. Monks, gifted with extraordinary powers, wander the land, keeping order by any means necessary. Their gifts make them invincible, or so most believe. A lone warrior disagrees. Guided by a shadowy organization, Fang seeks to break the monasteries. Once left for dead by powerful monks, revenge has driven him to unimaginable strength. Only one obstacle stands in his way. His name is Lei, and he is no hero. Exiled by the monasteries for an unforgivable crime, he's more comfortable with a drink in his hand than a sword. But he's about to be thrust into a fight he had no part in starting. As destiny hurtles the two men into inevitable conflict, the fate of the empire hangs in the balance.

Regent of Rome Vintage

A man travels to Israel to uncover a diamond's remarkable past in this vivid historical saga from the New York Times–bestselling author of *The Physician*. A diamond cutter and seller from a long, respected line of precious-gem dealers, New Yorker Harry Hopeman is intrigued by the story of the so-called “Jerusalem Diamond,” a magnificent yellow jewel rumored to date back to the biblical time of King Solomon. So when he's asked to broker a deal that will return the legendary gemstone to Israel, he eagerly accepts. Arriving in the volatile Middle East, Hopeman soon discovers that his assignment will be anything but easy. Representatives of the Holy Land's three major religions—Judaism, Christianity, and Islam—are all laying claim to the priceless jewel that once adorned the miter of Pope Gregory, and they will do anything to possess it. Partnering with Israeli government agent Tamar Strauss—a beautiful and courageous Yemenite war widow who inspires the visiting American's passion as well as his respect—Hopeman is soon entangled in a web of mystery and intrigue that crosses continents and stretches back thousands of years. As the duo follows the twisting travels of the gem and the bloody conflicts it has ignited throughout its extraordinary past—a history that intertwines with Hopeman's own family saga—the story of a breathtaking land and its people unfolds in all its drama and glory. International–bestselling author Noah Gordon—whose acclaimed historical novel *The Physician* was the inspiration for the major motion picture of the same name starring Ben Kingsley— “has packed a suspense tale with religious, historical and archeological underpinnings, along with fascinating insights into an industry whose conduct is generally shrouded from outside scrutiny” (*The Philadelphia Inquirer*).

The Physician, Shaman, and Matters of Choice Penguin Books

The New York Times–bestselling author's historical saga of a family of healers—from Dark Ages London to Civil War America to modern-day Boston. In *The Physician*, an orphan in eleventh-century London, Robert Cole, becomes a fast-talking swindler. As he matures, his strange gift—an acute sensitivity to impending death—never leaves him, and he yearns to become a healer. Arab

madrassas are the only authentic medical schools, and he makes his perilous way to Persia.

Christians are barred from Muslim schools, but by claiming he is a Jew, he studies under the world's most renowned physician, Avicenna. Cole's journey and love for a woman who must struggle against her only rival—medicine—make *The Physician* a riveting modern classic. In *Shaman*, Dr. Robert Judson Cole, nineteenth-century descendent of the first Robert Cole, travels from his ravaged Scottish homeland, through the operating rooms of antebellum Boston, to the cabins of frontier Illinois. In the wilderness he befriends the starving remnants of the Sauk tribe, who have fled their reservation. In the process, he absorbs their culture and learns native remedies that enrich his classical medical education. He marries a remarkable settler woman he had saved from illness. The Cole family is drawn into the bloody vortex of the Civil War, and their determination to survive in the midst of wilderness and violence will stay with the reader long after the final page. In *Matters of Choice*, Roberta Jeanne d'Arc Cole is the latest first-born descendant of Dr. Robert Cole. Favored to be named associate chief of medicine at a Boston hospital, she is married to a surgeon and owns a trophy residence in Cambridge as well as a summer house. But everything melts away. Her gender and her work at an abortion clinic cost her the hospital appointment. Her marriage fails. Crushed, she goes to her farmhouse in western Massachusetts, thinking to sell it, and finds an unexpected life. How she continues to fight for every woman's right to choose, while acknowledging her own ticking clock and maternal yearning, makes this prize-winning third story of the Cole trilogy relevant and unforgettable.

#1 New York Times bestselling author Greg Iles takes readers on a daringly executed roller-coaster ride as a family under attack takes justice into their own hands. It begins on a perfect night, with a perfect family about to be trapped in a perfect crime... Will Jennings is a successful young doctor in Jackson, Mississippi, with a thriving practice, a beautiful wife, and a five-year-old daughter he loves beyond measure. But Will and his family are being watched by a con man and psychopath who may be a genius. A man who has never been caught and whose victims have never talked to the police. A man whose life's work strikes at the heart of every family's unspoken fear: the unstoppable kidnapping. But this time he's picked the wrong family to terrorize. Because Will and Karen Jennings aren't going to watch helplessly as he victimizes them. They aren't going to let him get away with it. They're going to fight back...

A Suspense Thriller Pen and Sword History

The Phoenix and the Carpet - Edith Nesbit - *The Phoenix and the Carpet* is a fantasy novel for children, written in 1904 by E. Nesbit. It is the second in a trilogy of novels that began with *Five Children and It* (1902), and follows the adventures of the same five protagonists - Cyril, Anthea, Robert, Jane and the Lamb. Their mother buys the children a new carpet to replace the one from the nursery that was destroyed in an accidental fire. The children find an egg in the carpet which hatches into a talking Phoenix. The Phoenix explains that the carpet is a magical one that will grant them three wishes per day. The five children go on many adventures which eventually wears out their magical carpet. The adventures of the children are continued and conclude in the third book of the trilogy, *The Story of the Amulet* (1906). This middle volume of the trilogy that began with *Five Children and It* and concludes with *The Story of the Amulet* deviates somewhat from the other two because the Psammead gets only a brief mention, and because in this volume the children live with both of their parents and their younger brother—the Lamb—in their home in London. Consequently, there is less loneliness and sense of loss in this volume than in the other two. In both of the other volumes, circumstances have forced the children to spend a protracted period away from their familiar London home and their father; in *Amulet*, their mother and the Lamb are absent as well. A continuing theme throughout *The Phoenix and the Carpet* is, appropriately enough, the ancient element of fire. The story begins shortly before November 5, celebrated in England as Guy Fawkes Night. Traditionally, children light bonfires and set off fireworks on this night. The four children have accumulated a small hoard of fireworks but are too impatient to wait until November 5 to light them, so they set off a few samples in the nursery. This results in a fire that destroys the carpet. Their parents purchase a second-hand carpet which, upon arrival, is found to contain an egg that emits a weird phosphorescent glow. The children accidentally knock this egg into the fire: it hatches, revealing a golden Phoenix who speaks perfect English. It develops that this is a magical carpet, which can transport the children to anywhere they wish in the present time, although it is only capable of three wishes per day. Accompanied by the Phoenix, the children have exotic adventures in various climes. There is one moment of terror for the children when their youngest brother, the Lamb, crawls onto the carpet, babbles some incoherent baby talk, and vanishes. Fortunately, the Lamb only desired to be with his mother. At a few points in the novel, the children find themselves in predicaments from which the Phoenix is unable to rescue them by himself; he goes to find the Psammead and has a wish granted for the children's sake. In addition, in the end, the carpet is sent to ask the Psammead to grant the Phoenix's wish. These offstage incidents are the only contribution made by the Psammead to this story.

The Greenest Branch MIRA

Winner of the Booker Prize. An insightful and thrilling novel about the British Empire in India during the Great Mutiny of 1857, as seen through the eyes of a young, love-struck idealist. India, 1857—the year of the Great Mutiny, when Muslim soldiers turned in bloody rebellion on their British overlords. This time of convulsion is the subject of J. G. Farrell's *The Siege of Krishnapur*, widely considered one of the finest British novels of the last fifty years. Farrell's story is set in an isolated Victorian outpost on the subcontinent. Rumors of strife filter in from afar, and yet the members of the colonial community remain confident of their military and, above all, moral superiority. But when they find themselves under actual siege, the true character of their dominion—at once brutal, blundering, and wistful—is soon revealed. *The Siege of Krishnapur* is a companion to *Troubles*, about the Easter 1916 rebellion in Ireland, and *The Singapore Grip*, which takes place just before World War II, as the sun begins to set upon the British Empire. Together these three novels offer an unequalled picture of the follies of empire.
