F. S. Fitzgerald (1896–1940) was an American writer, whose works illustrate the Jazz Age. «Taps at Reveille» is a collection of brilliant short stories: «The Scandal Detectives», «The Freshest Boy», «He Thinks He's Wonderful», «The Captured Shadow», «The Perfect Life», «First Blood», «A Nice Quiet Place», «A Woman with a Past», «Crazy Sunday», «Two Wrongs», «The Night of Chancellorsville» and many others.

Babylon Revisited Gale, Cengage Learning

Expressing the author's political, civic and sentimental concerns, these poems will surprise the English reader with their immediacy and intimacy. «On Sepulchres», Foscolo's masterpiece, as well as being one of the pinnacles of European neoclassical literature, is still one of the most widely studied poems in Italy. Foscolo's poetry reveals the inner recesses of a passionate, restless and surprisingly modern mind.

"Crazy Sunday" is a short story by F. Scott Fitzgerald originally published in the October 1932 issue of "American Mercury".

The Treasure in the Forest University-Press.org

Presents nine short stories by twentieth-century American author F. Scott Fitzgerald, including "The Jelly-Bean" and "Hot and Cold Blood," with an introduction by his daughter.

Babylon revisited and other stories
Simon and Schuster

Although better known today for his novels, in the 1920s F. Scott Fitzgerald ranked among the top writers of magazine fiction. Fitzgerald represented the dreams and aspirations of the post-World War I generation in his life as well as his works. With his glamorous wife, Zelda, and his cosmopolitan social circle, he projected the perfect image for narrating tales of restless youth in a hectic world. These short stories offer insights into many themes, characters, and techniques that emerged in Fitzgerald's later works. The title tale, "The Curious Case of Benjamin Button," reflects his preoccupation with life's fleeting nature. "Winter Dreams," written three years before *The Great Gatsby*, shares the concept of commitment to an idealized dream. "Babes in the Woods," developed during the author's Princeton days, evidences the roots of *This Side of Paradise*. Thirteen other selections offer further insights into the author's growing skills as well as examples of his sparkling prose, understated wit, and deft characterizations.

Babylon Revisited, and Other Stories

Lindhardt og Ringhof

In this erudite and engaging collection, Paul Bodine gathers together two decades of his provocative forays into books and culture, from the popular fiction of Stephen King and Richard North Patterson to the ageless classics of D. H. Lawrence and T. S. Eliot. Bristling with wit, frank analysis, and versatile intelligence, *Operative Words* features reviews of more than thirty books by such authors as Jay McInerney, Daniel Boorstin, John Keegan, and Doris Lessing as well as detailed profiles of twenty-five major American writers (from Cleveland Amory to Tom Wolfe), all originally appearing in major American newspapers and reference books. Bonus features include in-depth analyses of short stories by Vladimir Nabokov and F. Scott Fitzgerald, the critical reception of T.S. Eliot's *Four Quartets*, and cutting-edge French and American literary theory. No less spirited and eclectic are Bodine's takes on music, which range

from an interview with an up-and-coming violinist and reviews of Mahler and Stravinsky biographies to the sounds and images of Roxy Music and John Lennon. A rich feast of opinion and reflection.

A Study Guide for F. Scott Fitzgerald's

"Babylon Revisited" Simon and Schuster

This carefully crafted ebook: "Babylon Revisited and Other Stories (Fitzgerald's Greatest Short Stories)" is formatted for your eReader with a functional and detailed table of contents. *Babylon Revisited and Other Stories* is a collection of Fitzgerald's ten best-known short stories written between 1920 and 1937. The Stories are set in the year after the stock market crash of 1929, just after what Fitzgerald called the "Jazz Age". Brief flashbacks take place in the Jazz age itself. Also it shows several references to the depression, and how the character had to adapt his life to it. Much of it is based on the author's own experiences. The story *Babylon Revisited* is based on a true incident regarding Fitzgerald, his daughter "Scottie", his sister-in-law Rosalind and her husband Newman Smith, on whom Marion and Lincoln Peters are based. Rosalind and Newman had not been able financially to live as well as Scott and Zelda had lived during the 1920s, and they had always regarded Scott as an irresponsible drunkard whose obsession with high living was responsible for Zelda's mental problems. When Zelda suffered a breakdown and was committed to a sanitarium in Switzerland, Rosalind felt that Scott was unfit to raise their daughter and that Rosalind and Newman should adopt her. Francis Scott Key Fitzgerald (1896 -1940) was an American author of novels and short stories, whose works are the paradigmatic writings of the Jazz Age. He is widely regarded as

one of the greatest American writers of the 20th century. Fitzgerald is considered a member of the "Lost Generation" of the 1920s. Table of Contents: The Ice Palace May Day The Diamond as Big as the Ritz Winter Dreams Absolution The Rich Boy The Freshest Boy Babylon Revisited Crazy Sunday The Long Way Out

And Other Stories CreateSpace

"The Cut-Glass Bowl" is a short story by American author F. Scott Fitzgerald, first published in the May 1920 issue of Scribner's Magazine, and included later that year in his first short story collection *Flappers and Philosophers*.

Destiny, the Inward Quest, Temporality and Life Simon and Schuster

"It was an age of miracles," declared F. Scott Fitzgerald of the 1920s, "it was an age of art, it was an age of excess, and it was an age of satire." No author is more closely associated with the decade than Fitzgerald, who christened it the "Jazz Age" and chronicled its manners and morals. His lyrical, witty fables of society life reveal the disillusionment and cynicism behind the Roaring Twenties' glamorous façade. Six of Fitzgerald's best-loved stories appear here, starting with the title tale, in which a hostess regrets her success at transforming a visiting cousin from wallflower to coquette. Other selections include "The Diamond as Big as the Ritz," a glittering fantasy about the corrupting power of wealth; "The Ice Palace," a quasibiographical story of a restless Southern belle; "The Offshore Pirate"; "The Jelly Bean"; and "May Day." Each considers timeless themes—love, money, power, the search for happiness — that keep them enduringly relevant.

Babylon Revisited and Other Stories

Courier Dover Publications

F. Scott Fitzgerald is best known for his novels such as *THE GREAT GATSBY*, but during his all-too-brief literary life, he sold some 160 short stories to popular magazines. Here, noted scholar and biographer Matthew Bruccoli assembles in one volume the full scope of the best of Fitzgerald's short fiction. These 43 sparkling masterpieces are offered in a handsome Scribner Classics edition, perfect for the home library.

Babylon Revisited and Other Stories

Simon and Schuster

Written when Ernest Hemingway was thirty years old and lauded as the best American novel to emerge from World War I, *A Farewell to Arms* is the unforgettable story of an American ambulance driver on the Italian front and his passion for a beautiful English nurse. Set against the looming horrors of the battlefield—wary, demoralized men marching in the rain during the German attack on Caporetto; the profound struggle between loyalty and desertion—this gripping, semiautobiographical work captures the harsh realities of war and the pain of lovers caught in its inexorable sweep. Ernest Hemingway famously said that he rewrote the ending to *A Farewell to Arms* thirty-nine times to get the words right. This edition collects all of the alternative endings together for the first time, along with early drafts of other essential passages, offering new insight into Hemingway's craft and creative process and the evolution of one of the greatest novels of the twentieth century. Featuring Hemingway's own 1948 introduction to an illustrated reissue of the novel, a personal foreword by the author's son Patrick Hemingway, and a

new introduction by the author's grandson Seán Hemingway, this edition of *A Farewell to Arms* is truly a celebration.

Scott Fitzgerald Simon and Schuster
The canoe was now approaching the land. The bay opened out, and a gap in the white surf of the reef marked where the little river ran out to the sea; the thicker and deeper green of the virgin forest showed its course down the distant hill slope. The forest here came close to the beach. Far beyond, dim and almost cloudlike in texture, rose the mountains, like suddenly frozen waves. The sea was still save for an almost imperceptible swell. The sky blazed.

Taps at Reveille Simon and Schuster
The historical context of Fitzgerald's writing is explored in these essays, which among other topics discuss the literary marketplace of the 1920s & 1930s, the influence of public figures such as Walter Lippmann, the mass market, motion pictures, & the aftermath of the Great War.

Works by F. Scott Fitzgerald Courier

The short story was a commercial phenomenon which took off in the late nineteenth century and lasted through to

the rise of television and film. Baldwin uses a wide variety of sources to show how economic factors helped to dictate how and what a wide variety of authors wrote.

I'd Die For You Wordsworth Editions

"The Ice Palace" is a modernist short story written by F. Scott Fitzgerald and published in *The Saturday Evening Post* on May 22, 1920. It is one of eight short stories originally published in Fitzgerald's first collection, *Flappers and Philosophers* (New York City: Charles Scribner's Sons, 1920), and is also included in the collection *Babylon Revisited and Other Stories* (New York City: Charles Scribner's Sons, 1960). The ice palace referenced in the story is based on one that appeared at the 1887 St. Paul, Minnesota, Winter Carnival.[1] A native of the city, Fitzgerald probably heard of the structure during his childhood. The ice labyrinth contained in the bottom floor of the palace appeared as part of the 1888 Ice Palace.

Operative Words Routledge

Includes stories such as: *The Diamond as Big as the Ritz*, *The Cut-Glass Bowl*, *May Day*, *The Rich Boy*, *Crazy Sunday*, *An Alcoholic Case*, *The Lees of Happiness*, *The Lost Decade* and *Babylon Revisited*.
