MARQUIS SANTANA

Let's Talk About Love Hachette UK

Every family has its secrets. The Royals more than most. Our love has become poison and it's killing us slowly. I hate how I can't control myself around him. I hate how I always forgive him. I hate that he consumes me. Because Alexander is in my blood. His heart beats in my chest. He owns me. But I'm not the girl that fell in love with him anymore. I'm a queen and everyone, even him, will bow to me.

MILA 2.0: Renegade Katherine Tegen Books

In the second installment of the bestselling Royals Saga, Clara tries to pick up the pieces after the end of her passionate affair, but Alexander won't let her go.

The Lost Girl Loveswept

An American girl finds her prince in this "fun and dishy" (People) royal romance inspired by Prince William and Kate Middleton. American Bex Porter was never one for fairy tales. Her twin sister Lacey was always the romantic, the one who daydreamed of being a princess. But it's adventure-seeking Bex who goes to Oxford and meets dreamy Nick across the hall - and Bex who finds herself accidentally in love with the heir to the British throne. Nick is wonderful, but he comes with unimaginable baggage: a complicated family, hysterical tabloids tracking his every move, and a public that expected its future king to marry a Brit. On the eve of the most talked-about wedding of the century, Bex looks back on how much she's had to give up for true love... and exactly whose heart she may yet have to break. Praise for *The Royal We* "Hysterical" -- Entertainment Weekly "Full of love and humor, and delicious in too many ways." -- Emma Straub, New York Times bestselling author "Engrossing and deeply satisfying." -- Jen Doll, author of *Save the Date*

Zeke Daniels isn't just a douchebag; he's an asshole. A total and complete jerk, Zeke keeps people at a distance. He has no interest in relationships-most assholes don't. Dating? Being part

of a couple? Nope. Not for him. He's never given any thought to what he wants in a girlfriend, because he's never had any intention of having one. Shit, he barely has a relationship with his family, and they're related; his own friends don't even like him. So why does he keep thinking about Violet DeLuca? Sweet, quiet Violet-his opposite in every sense of the word. The light to his dark, even her damn name sounds like rays of sunshine and happiness and shit. And that pisses him off, too.

He's the heir to an empire, my family's sworn enemy, and the guy I just spent the night with... From New York Times and internationally bestselling author Geneva Lee comes a city of sin, secrets, and the most dangerous game of all: love. In a world with too much money and not enough rules, anything goes.

Welcome to Belle Mère, the most exclusive zip code outside the Las Vegas Strip. Emma Southerly doesn't belong in their world or at the West's exclusive, invite-only party. But it's just a party.

What could go wrong? Running into her ex and his wicked, new girlfriend for starters. Losing her best friend to the crowd. Then, she meets Jameson. Gorgeous. Enigmatic. Uninterested in the rest of Belle Mère's games. Spending the night with him is against all her rules, but she doesn't want to walk away. The next morning he's gone, but Emma has a bigger problem. A body's been found and Jameson is the number one suspect...

A man with the world at his feet, and he stole a kiss from me. It should have ended there, since I had no idea who he was. Except that kiss was caught by someone's camera, and now the picture is splashed on tabloids all over the world. I should have recognized him: Prince Alexander of Cambridge. Royal bad boy. Exiled heir to the throne. He's controlling. He's demanding. He's dangerous. He warns me to stay away-that the press and his family will destroy me. I should run, but I can't. The last thing I expected was that I'd fall in love, especially since he never will... Passion, intrigue, and romance-Experience the internationally bestselling phenomenon with nearly two million copies sold and be swept into the dark and sensual world of the Royals.

Shadows Cast by Stars Swoon Reads

A paradigm-shifting diet plan that allows you to eat anything you want, as much as you want—and still strip away 20, 40, 60 pounds, or more. After conducting extensive research at the Salk Institute and the National Institute on Aging, poring over copious amounts of new research in intermittent fasting, and engaging 2,000 people for a test panel, bestselling authors David Zinczenko and Peter Moore determined that people can lose remarkable amounts of weight eating the foods they like best—as long as they eat within a set 8-hour time period. Fasting is, of course, an ancient spiritual and health practice, but it's also a way to sidestep many of the ills of the modern world—including diabetes, heart disease, and cognitive impairment. Zinczenko and Moore demonstrate how simply observing this timed-eating strategy, even just three days a week, will reset your metabolism so that you can enter fat-burning mode first thing in the morning—and stay there all day long. And by focusing on eight critical, nutrient-

rich Powerfoods, you can build in a second layer of protection against Alzheimer's, heart disease, and even the common cold. In the book, you will find motivating strategies, delicious recipes, and an 8-minute workout routine to maximize calorie burn. The 8-Hour Diet promises to strip away unwanted pounds and give you the focus and willpower you need to reach your goals for weight loss and life.

Twenty-one year-old Jillian Nichols only has one rule when it comes to boys: catch and release. Boy-catching isn't just a game for Jillian and her friends, it's a lifestyle. After all, boys might be good for a dance or a drink and certainly a little under-cover action of the scandalous variety, but expect much else and you're bound for heart ache. So when her best friends and fellow boy catchers start dropping like flies junior year, Jillian is determined to keep boys in her bedroom and out of her heart. Until she meets Liam McAvoy, the kind of guy that sticks around to make waffles and who can't-or perhaps won't-take a hint. Study abroad student Liam doesn't want to be another notch on Jillian's bedpost. Actually he has much more interesting ideas for Jillian and her bedposts, but his student visa's set expiration date means he can't promise her forever. That doesn't mean he's going to walk away from the challenge of discovering why Jillian is hell-bent at keeping people at a distance. Before long, neither is sure who is catching who-or if they're playing for keeps. Jillian knows one thing though: falling in love will not only break the only rule of boy-catching, it could also break her heart.

Eva's life is not her own. She is a creation, an abomination---an echo. She was made by the Weavers as a copy of someone else, expected to replace a girl named Amarra, her "other," if she ever died. Eva spends every day studying that girl from far away, learning what Amarra does, what she eats, what it's like to kiss her boyfriend, Ray. So when Amarra is killed in a car crash, Eva should be ready. But sixteen years of studying never prepared her for this. Now she must abandon everything and everyone she's ever known---the guardians who raised her, the boy she's forbidden to love---to move to India and convince the world that Amarra is still alive. What Eva finds is a grief-stricken family; parents unsure how to handle this echo they thought they wanted; and Ray, who knew every detail, every contour of Amarra. And when Eva is unexpectedly dealt a fatal blow that will change her existence forever, she is forced to choose: Stay and live out her years as a copy or leave and risk it all for the freedom to be an original. To be Eva. From debut novelist Sangu Mandanna comes the dazzling story of a girl who was always told

what she had to be—until she found the strength to decide for herself.

Artless. That's what the other girls whisper behind her back. But sixteen-year-old Adeline Lewys has a secret: She wants to fail. Gifted with the ability to weave time with matter, she's exactly what the Guild is looking for, and in the world of Arras, being chosen to work the looms is everything a girl could want. It means privilege, eternal beauty, and being something other than a secretary. It also means the power to manipulate the very fabric of reality. But if controlling what people eat, where they live, and how many children they have is the price of having it all, Adeline isn't interested. Not that her feelings matter, because she slipped and used her hidden talent for a moment. Now she has one hour to eat her mom's overcooked pot roast. One hour to listen to her sister's academy gossip and laugh at her dad's jokes. One hour to pretend everything's okay. And one hour to escape. Because tonight, they'll come for her.
