Songs of Kabir
Rabindranath Tagore -
Kabir lived in the 15th
Century (1440-1518);
born to Mohammadan
parents; he came
under the influence of
the famous Hindu
saint; Sri Ramananda

and delved deep into
the mysteries of Hindu
mysticism. A true
worshipper of God; he
emphasized the purity
of mind and selfless
devotion to God. He
openly opposed the
weaknesses of both
Hinduism and
Islam. During his life
time he composed
many poems. They are
usually two line
couplets; known as
dohas; recited by many

scholars even today to denote some deep philosophical truths. All these songs of Kabir were translated into English by none other than Rabindranath Tagore; the mystic poet and the Noble Laureate; the first edition; published by The Macmillan Company; 1915; New York. This book shall prove to be an asset for the Kabir lovers who can't enjoy his writings in Hindi.

I'm Nobody! Who Are You? Cambridge

University Press
Mary Oliver is one of America's best-loved poets, the winner of the Pulitzer Prize and the National Book Award. Her luminous poetry celebrates nature and beauty, love and the spirit, silence and wonder, extending the visionary American tradition of Whitman, Emerson, Frost and Emily Dickinson. Her extraordinary poetry is nourished by her intimate knowledge and minute daily observation of the New England coast, its woods and ponds, its birds and animals, plants and trees. *Wild Geese* University of Toronto Press
A collection of the author's greatest poetry--from the wistful to the unsettling, the wonders of nature to

the foibles of human nature--is an ideal introduction for first-time readers. Original.

Faber & Faber

Essays on Eddic Poetry presents a selection of important articles on Old Norse literature by noted medievalist John McKinnell. While McKinnell's work addresses many of the perennial issues in the study of Old Norse, this collection has a special focus on the interplay between heathen and Christian world-views in the poems. Among the texts examined are *Hávamál*, which includes an elegantly cynical poem about Óðinn's sexual intrigues and a more mystical one about his self-sacrifice on the world-tree in order to

gain magical wisdom; *Völundarkviða*, which recounts an elvish smith's revenge for his captivity and maiming; and *Hervararkviða*, where the heroine bravely but foolishly raises her dead father to demand the deadly sword *Tyrfingr* from him. Originally published between 1988 and 2008, these twelve essays cover a wide range of mythological and heroic poems and have been revised and updated to reflect the latest scholarship.

Look We Have Coming to Dover! is the most acclaimed debut collection of poetry published in recent years, as well as one of the most relevant and accessible. Nagra, whose own parents came to England from the Punjab in the 1950s, draws on both English and Indian-English traditions to tell stories of alienation, assimilation, aspiration and love, from a stowaway's first footprint on Dover Beach to the disenchantment of subsequent generations.

The readings in The Writer's Presence are selected exclusively for the quality of the writing. Editors Donald McQuade of the University of California, Berkeley, and Robert Atwan, Series Editor of The Best American Essays scoured hundreds of essays in search of teachable readings with strong voices and clear points of view. The result is a blend of classic pieces by favorites like James

Baldwin, Annie Dillard, and Amy Tan; and fresh pieces by rising stars like Michael Pollan, Geeta Kothari, James McBride, and Daniel Harris. The voices in The Writer's Presence represent different communities, time periods, levels of difficulty, and fields of study, and the topics intersect in intriguing and nuanced ways, giving students the opportunity to think critically and develop their own voices. Organized by type of writing and with minimal apparatus, The Writer's Presence gives instructors unsurpassed teaching flexibility. With so many exceptional readings and so many ways to teach them, the possibilities are endless.

In a kingdom by the sea, two young people fall in love. A cruel fate, however, was reserved for Annabel Lee. You will fall in love too with this beautiful work by Edgar Allan Poe, available in Portuguese and English editions. The Portuguese language version was even beautifully translated by Fernando Pessoa. POE Young Readers team worked tirelessly on this edition, retelling Poe's verses with beautiful watercolor-style illustrations.

Songs of Innocence

Souvenir PressLtd
The Faber Book of Beasts is a collection of many of the best poems in English about the creatures who share our planet. The animal kingdom has prompted some of the liveliest and most enjoyable writing by poets, from Homer to our contemporaries. Among the creatures gathered here, tame or wild; common or exotic, are mammals, reptiles, birds, insects, and others perhaps more fanciful than real. A zoologist's delight. There is, too, a moral or philosophical

purpose. As Paul Muldoon says in his introduction: 'We are most human in the presence of animals.' And it is just this sense of how our humanity is illuminated by the contemplation of bestial life that he has set out to celebrate. The results are wonderfully rich and thought-provoking.

INDIAN POETRY IN ENGLISH : CRITICAL ESSAYS Macmillan
Communication research is evolving and changing in a world of online

journals, open-access, and new ways of obtaining data and conducting experiments via the Internet. Although there are generic encyclopedias describing basic social science research methodologies in general, until now there has been no comprehensive A-to-Z reference work exploring methods specific to communication and media studies. Our entries, authored by key figures in the field, focus on special considerations when applied specifically to communication research, accompanied by engaging examples from the literature of communication, journalism, and media studies. Entries cover every step of the

research process, from the creative development of research topics and questions to literature reviews, selection of best methods (whether quantitative, qualitative, or mixed) for analyzing research results and publishing research findings, whether in traditional media or via new media outlets. In addition to expected entries covering the basics of theories and methods traditionally used in communication research, other entries discuss important trends influencing the future of that research, including contemporary practical issues students will face in communication professions, the influences of globalization on research, use of new

recording technologies in fieldwork, and the challenges and opportunities related to studying online multi-media environments. Email, texting, cellphone video, and blogging are shown not only as topics of research but also as means of collecting and analyzing data. Still other entries delve into considerations of accountability, copyright, confidentiality, data ownership and security, privacy, and other aspects of conducting an ethical research program. Features: 652 signed entries are contained in an authoritative work spanning four volumes available in choice of electronic or print formats. Although organized A-to-Z, front matter includes a

Reader's Guide grouping entries thematically to help students interested in a specific aspect of communication research to more easily locate directly related entries. Back matter includes a Chronology of the development of the field of communication research; a Resource Guide to classic books, journals, and associations; a Glossary introducing the terminology of the field; and a detailed Index. Entries conclude with

References/Further Readings and Cross-References to related entries to guide students further in their research journeys. The Index, Reader's Guide themes, and Cross-References combine to provide robust search-and-browse in the e-version.
