Throughout the entire
Bible, "the anointing" is
seen a dynamic power
that enabled believers to

fulfill their destinies in the
kingdom of God. While
some people confuse the
meaning of the anointing
by using it
interchangeably with
one's natural gifts and
skills or the spiritual gifts
of the Holy Spirit, I define

the anointing as the manifest presence of God upon our lives. I mean the gift, the grace, and the power of the Holy Spirit to change and influence every aspect of our lives. [That None Should Perish](#)

God has gifted the body of Christ with so many gifts, and He wants you to use every one of them to advance the kingdom of God and to see lives changed through the power of the gospe. So whatever gift you have, in whatever capacity, and wherever you feel God

has called you, you need to know that you are anointed for it. [Prayer Evangelism](#) Chosen Books

 God loves us and has a unique blueprint for our life--but it's up to us to find it and live it out. Mingling contemporary stories and biblical anecdotes with practical advice, Silvano shows how God intervenes in human affairs today to transform people and nations. He also shares five critical paradigms for transformation that are pivotal for change: Discipling Nations, Reclaiming the Marketplace, Looking at Work as Worship,

Becoming Salt and Light, and Eliminating Poverty. In these pages, readers will find extraordinary stories about the power of God working through those who discovered their specific purpose. Then they'll be challenged to transform themselves and, by doing so, transform their families, schools, businesses, and nations. Silvoso encourages readers to aim high, knowing that God has entrusted them with great things. "God sees you as a nation transformer," says

Silvoso. He has faith in you!

As a result of the growing worldwide prayer movement, powerful changes have taken place in the Church and in scattered cities transformations beyond anything imaginable only a few years ago. Of the revelations to come out of this movement, perhaps the most dramatic and promising is the rediscovery of biblical principles for changing the spiritual climate over

entire cities and regions. Fulfillment of the Great Commission is no longer a distant hope but rather is a fast-approaching reality for a Church that will take hold of and utilize the biblical principles for changing cities as described in "That All Should Hear." In it Ed Silvoso shares his heart and his passion for reaching cities the way the Early Church did it: the whole Church modeling the whole gospel to the whole city thorough prayer and prayerful evangelism.

Do you see your job as where you go to earn money and your church as where you go to do ministry? Do you think

that you are at your current job or school or engaged in your current business by accident? Do you believe that only ministers serving in the Church-pastors, apostles, evangelists, prophets, and teachers-are anointed? Do you see yourself as a "layman" in God's kingdom? If any of your answers to the preceding questions is yes, then you should read this book-because all your answers should be no! In this revolutionary book, Bishop Darlingston G. Johnson, D.Min.,

counteracts the deceptions about the anointing, work (or schooling), and ministry with biblical truth. This book will rock your theology! If you dare believe and apply the message of Anointed for the Marketplace, your life will change radically, and you will rock Satan's kingdom. For the Lord will transform you into a believer who establishes His kingdom in the marketplace-where you work or where you go to school!

YOU ARE POWERFUL
BEYOND WORDS and your life has the potential to leave a monumental imprint on this world. Whether you are a doctor, lawyer, author, speaker, corporate executive, or stay-at-home mom, YOU + GOD is enough to turn any boardroom, courtroom, classroom or home into a platform of notable miracles and supernatural favor. In Unleashed and Anointed for Business, Staci Wallace gives you biblical success strategies to help

you elevate your marketplace effectiveness, discern God's voice in negotiations, tap into divine wisdom, identify biblical wealth building strategies, take dominion over principalities in the workplace and be a living conduit of the healing virtue and miraculous power of the Holy Spirit. UNLEASHED and Anointed for Business is a "how to" book and life mastery course, written to give you the step-by-step training you need to have supernatural discernment

in the boardroom, wisdom in the classroom, compassion at home and the miracle-working power of God in every area of your life. You will receive clear instructions on how to cooperate with your God-given destiny as His conduit of miracles, abundance, spiritual authority, and financial prosperity to the people around you. We wake up every day to reports of bombings, mass shootings, shifted morality and confused systems of basic ethics. And while we have progressed as a

nation in technologies and business innovation, we have digressed as a nation in spirituality, harmony and peace. The clash of good versus evil has never been stronger, and the cry for justice has never been louder. Now is the time for a chosen remnant of God-fearing men and women to UNLEASH the full potential of God's Spirit against the darkness that has saturated our generation. As business mavericks, entrepreneurs, moms and dads, politicians, and influencers, we can no

longer be apathetic to the growing animosity of darkness, perversion, and division that permeates our nation. We cannot sit back in our corner offices of padded perfection and let the world around us continue to decay. Clearly, for things to change, we must change, and God has given us the power, timing, and authority to do so. This book is meant to disrupt your comfort zone, awaken your spirit, and ignite your passion for taking action so that, together, we can make

change happen in this world. You may not realize it, but God has been intricately preparing you for years, "for such a time as this." The enemy feared this day; the day you would pick up this book and become the God-fearing leader of significance you were destined to be. I assure you that the enemy of your destiny does NOT want you to finish this book, nor does he want you to recognize and fulfill your divine potential. He could care less if you become successful, climb

to the top of your game, gather a mass number of followers, be a notable speaker, corporate executive, make excessive amounts of money or experience fame and fortune. But what scares the HELL out of him, is when you awaken to God's highest purpose for your life, allowing the Holy Spirit of God to flow through you, empower your decisions, and use your life and talents to penetrate the marketplace and make His name great in all the earth. God wants to use

your success for a much higher purpose. Let this book challenge your thought processes, engage your core values, motivate your passions, and empower you to be UNLEASHED and Anointed for Business. Your mission field, the marketplace, awaits you. Let the great adventure begin!

 Let me begin by saying that our Christian experience must be translated from the four walls of the church and

into our day to day lifestyle. It is in the heartbeat of our calling that we should translate the love of God as we pick it up from church and take it to our workplaces. My mandate through this book is to strategically position you into a place of influence in your nation of calling within the marketplace. For a long time the marketplace has remained the reserve of the children of this world. 'The children of this world are in their generation wiser than the children of light' (Luke 16:8). By

failing to take our position of dominion in the marketplace, we have put our God to shame. The name of God has been profaned by many people in this world. Have you realized that anytime you mention that you are born again in your workplace, you encounter ridicule, rejection and even persecution? People have continued to shamelessly talk foul things concerning Christianity and this has to stop. God is saying that He is ready to sanctify His great name that has been profaned. God wants to do

this through you. God desires that you prosper in all that you do within the marketplace, and this you must remember is for His purposes. He is not doing it for you to be proud. God is doing it "that they may see and know, and understand together, that the hand of the LORD has done this, and the Holy One of Israel has created it" (Isaiah 41:20). God wants to introduce and establish His Kingdom in the marketplace through you. He will show Himself strong on your behalf for

His purposes to be fulfilled in the earth. To many Christians, there has been and there remains to be a great misconception on the perception towards serving God. We see service in the full time ministry position as the only way to serve God. In everything we do, it is important to understand that it is because of the purposes of God that we were created. God is a wise investor and the gifting He invested in you is for the expansion of His Kingdom. God wants to show Himself strong

through you. The Kingdom of God is within you and as such, you are supposed to carry it into your marketplaces. It has to manifest through you at your place of work, business and even in your relationships. You should remember that He chose you. You did not choose Him. To quite a number of Christians, business is secular work, whereas serving God in church is the only way to ascribe to ministry. This tendency is so prevalent in the church that many well meaning Christians do their

business or work in offices without connecting it to ministry. That is why many Christians have this 'holier than thou' attitude when in church doing the things of God but when they get to their work stations they exhibit lucre luster performances, oblivious of the fact that we are commanded to work as unto God. Many Christians may be concerned with church work and even support it financially, but fail to see the connection between service at their work place and their Christian life.

Some even think that if you really are serious about ministry, you ought to quit your job or give up your business in order to pursue a role in full time ministry. The object matter of this book is to bring every believer to the realization that we all were created for a purpose and that the faster we realize this and take up our positions the better. As Christians we are cut out and mandated to fulfill a specific assignment for God here on earth. Our mission is to honour God in our service

by extending His will to all our activities.

This book is written for people of all ages, especially those who are busy trying to make a living, instead of living in the word of God. God wants Christians to take care of His business, and He will take care of their business. He wants to excite readers about His business. Also, Gods glory is evident in this book in a tangible presence to anoint and to ignite a supernatural revival. Now,

it is time to see signs, wonders, and miracles in our churches. I pray as one reads this book, a sense of oneness with Almighty God is developed and they become enveloped in His presence immediately. Doing business in the Kingdom of God is where we belong as believers. Dr. Roger R. Hagwood

Biblical Principles and Business Xulon Press
Every Business Is God's Business. The notion that labor for profit and worship of God are now, and always have been, worlds apart, is patently false. The Early Church founders were mostly community leaders and highly successful business people. The writing of the Gospels was entrusted to Luke, a medical doctor; Matthew, a retired tax collector; Mark, the manager of a family trust; and John, a food supplier. Lydia was a dealer in

purple cloth. Dorcas was a clothes designer. Today, more than ever, the heart of our cities is the marketplace. Yet the perceived wall between commercial pursuit and service to God continues to knock down that wall and build the foundation for an unparalleled marketplace revival. Only then can we extend God's kingdom to every corner of our world.
