Love Match is the ultimate guide to love and dating by the stars. • Which signs are you compatible with? • How do you win over a Scorpio? • What mini-break should you book with your Virgo? • What happens when an Aries cheats? • What colors should you wear on a first date with a Libra? • What pet should you buy with a Leo? • What is Cancer like to live with? From the same author of the beautiful Seeing Stars series, this is a bright and gifty manual for zodiac-obsessed millennials trying to navigate the ups and downs of love. Inclusive and queer-friendly, it's not afraid of sex and the short-term adventures of the single life, but also covers all phases of a relationship, from flirtation to co-habitation and long-term loving. With bright and poppy full-color illustrations throughout, a fun, accessible style, and hardworking content, this book will guide you in all your heart's desires.

Discover the truth about you and your partner with this guide to synastry--the astrological art of relationship compatibility! Why do we attract certain people to us, and why are we attracted to them? What planetary influence is going on when we first meet? Answer these questions with Relationship Astrology. Written for beginners and intermediate star-gazers alike, this in-depth guide to synastry (the astrological art of relationship compatibility

determined by the comparison of two charts) includes all you need to know to set up an affinity chart between you and another. You'll be privy to interpretations for every combination of planets, rising signs, and elemental energies to work out your affinity with a new admirer, lover, or current partner. The book explores relationships from both a psychological and also mysteriously "fated" angle by examining affinity charts. The chart reveals important information, such as emotional needs, issues around sex or power, and whether the relationship is purely physical or primed for long-term love. You'll learn how Venus, Mars, and the asteroid Eros define your sexual compatibility. You'll read up on how Saturn signifies long-term commitment, often binding us to our mate in ways that have nothing to do with physical or romantic attraction. From dizzy infatuation to sexual desire to long-term commitment or breakup, the Relationship Astrology guide reveals everything about relating and how to make your relationships work. Whether you're already in love, still searching for a match, or in a long-term twosome, this book promises to help you discover the truth about you and a lover or partner.

Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.
