The Love Affair That Shaped a First Lady
Simon and Schuster

"Lorena Hickok meets Eleanor Roosevelt in 1932 while reporting on Franklin Roosevelt's first presidential campaign. She is not instantly charmed by the idealistic, patrician Eleanor. As their

connection deepens into intimacy, what begins as a powerful passion matures into a lasting love, and a life that Hick never expected to have. After she takes a job in the Roosevelt administration, promoting and protecting both Roosevelts, she comes to know Franklin not only as a great president but as a complicated rival and an irresistible friend, capable of changing lives even after his death."--

Here Comes Eleanor Grey Castle Press
The New York Times bestseller from prizewinning author David Michaelis presents a “stunning” (The Wall Street Journal) breakthrough portrait of Eleanor Roosevelt, America’s longest-serving First Lady, an avatar of democracy whose ever-expanding agency as diplomat, activist, and humanitarian

made her one of the world’s most widely admired and influential women. In the first single-volume cradle-to-grave portrait in six decades, acclaimed biographer David Michaelis delivers a stunning account of Eleanor Roosevelt’s remarkable life of transformation. An orphaned niece of President Theodore Roosevelt, she converted her Gilded Age childhood of denial and secrecy into an irreconcilable marriage with her ambitious fifth cousin Franklin. Despite their inability to make each other happy, Franklin Roosevelt transformed Eleanor from a settlement house volunteer on New York’s Lower East Side into a matching partner in New York’s most important power couple in a generation. When Eleanor discovered Franklin’s betrayal with her younger, prettier,

social secretary, Lucy Mercer, she offered a divorce and vowed to face herself honestly. Here is an Eleanor both more vulnerable and more aggressive, more psychologically aware and sexually adaptable than we knew. She came to accept her FDR's bond with his executive assistant, Missy LeHand; she allowed her children to live their own lives, as she never could; and she explored her sexual attraction to women, among them a star female reporter on FDR's first presidential campaign, and younger men. Eleanor needed emotional connection. She pursued deeper relationships wherever she could find them. Throughout her life and travels, there was always another person or place she wanted to heal. As FDR struggled to recover from polio, Eleanor

became a voice for the voiceless, her husband's proxy in the White House. Later, she would be the architect of international human rights and world citizen of the Atomic Age, urging Americans to cope with the anxiety of global annihilation by cultivating a "world mind." She insisted that we cannot live for ourselves alone but must learn to live together or we will die together. This "absolutely spellbinding," (The Washington Post) "complex and sensitive portrait" (The Guardian) is not just a comprehensive biography of a major American figure, but the story of an American ideal: how our freedom is always a choice. Eleanor rediscovers a model of what is noble and evergreen in the American character, a model we need today more than ever.

"Life was Meant to be Lived" Black Dome Press

One of the most beloved figures of the twentieth century, First Lady Eleanor Roosevelt remains a role model for a life well lived. At the age of seventy-six, Roosevelt penned this simple guide to living a fuller life. *You Learn by Living* is a powerful volume of enduring commonsense ideas and heartfelt values. Offering her own philosophy on living, Eleanor takes readers on a path to compassion, confidence, maturity, civic stewardship, and more. Her keys to a fulfilling life? *Learning to Learn* *Fear—The Great Enemy* *The Uses of Time* *The Difficult Art of Maturity* *Readjustment is Endless* *Learning to Be Useful* *The Right to Be an Individual* *How to Get the Best Out of People* *Facing Responsibility* *How*

Everyone Can Take Part in Politics *Learning to Be a Public Servant* Informed by her personal experiences as a daughter, wife, parent, and diplomat, this book is a window into Eleanor Roosevelt herself and a trove of timeless wisdom that resonates in any era. *Eleanor Roosevelt* Harper Collins The *My Itty-Bitty Bio* series are biographies for the earliest readers. This book examines the life of Eleanor Roosevelt in a simple, age-appropriate way that will help children develop word recognition and reading skills. Includes a timeline and other informative backmatter.

A Life of Discovery Atheneum More than fifty years after her death, Eleanor Roosevelt is remembered as a formidable first lady and tireless social

activist. Often overlooked, however, is her deep and inclusive spirituality. Her personal faith was shaped by reading the New Testament in her youth, giving her a Jesus-centered spirituality that fueled her commitment to civil rights, women's rights, and the rights of all "little people" marginalized in American society. She took seriously Jesus' words and despite her life of privilege, she made the needs of those on the margins her priority. *Eleanor: A Spiritual Biography* provides insight into one of America's most famous women, particularly the spiritual influences that made her so active in social justice issues.

Eleanor Penguin

A warm, intimate account of the love between Eleanor Roosevelt and reporter

Lorena Hickok—a relationship that, over more than three decades, transformed both women's lives and empowered them to play significant roles in one of the most tumultuous periods in American history. In 1932, as her husband assumed the presidency, Eleanor Roosevelt entered the claustrophobic, duty-bound existence of the First Lady with dread. By that time, she had put her deep disappointment in her marriage behind her and developed an independent life—now threatened by the public role she would be forced to play. A lifeline came to her in the form of a feisty campaign reporter for the Associated Press: Lorena Hickok. Over the next thirty years, until Eleanor's death, the two women carried on an extraordinary relationship: They were, at

different points, lovers, confidantes, professional advisors, and caring friends. They couldn't have been more different. Eleanor had been raised in one of the nation's most powerful political families and was introduced to society as a debutante before marrying her distant cousin, Franklin. Hick, as she was known, had grown up poor in rural South Dakota and worked as a servant girl after she escaped an abusive home, eventually becoming one of the most respected reporters at the AP. Her admiration drew the buttoned-up Eleanor out of her shell, and the two quickly fell in love. For the next thirteen years, Hick had her own room at the White House, next door to the First Lady. These fiercely compassionate women inspired each other to right the wrongs of the turbulent

era in which they lived. During the Depression, Hick reported from the nation's poorest areas for the WPA, and Eleanor used these reports to lobby her husband for New Deal programs. Hick encouraged Eleanor to turn their frequent letters into her popular and long-lasting syndicated column "My Day," and to befriend the female journalists who became her champions. When Eleanor's tenure as First Lady ended with FDR's death, Hick pushed her to continue to use her popularity for good—advice Eleanor took by leading the UN's postwar Human Rights Commission. At every turn, the bond these women shared was grounded in their determination to better their troubled world. Deeply researched and told with great warmth, Eleanor and Hick

is a vivid portrait of love and a revealing look at how an unlikely romance influenced some of the most consequential years in American history.

Eleanor Roosevelt Eleanor Roosevelt
A Life of Discovery

Chronicles the life of Eleanor Roosevelt, from her birth to wealthy parents, to her marriage to Franklin Delano Roosevelt, to her role as a wife, mother, first lady, and diplomat.

*The Best Of Eleanor Roosevelt's
Acclaimed Newspaper Columns,
1936-1962* Harper Collins

One of the New York Times's 100
Notable Books of 2016 One of NPR's 10
Best Books of 2016 "Heartachingly
relevant...the Eleanor Roosevelt who
inhabits these meticulously crafted
pages transcends both first-lady history

and the marriage around which
Roosevelt scholarship has traditionally
pivoted." -- The Wall Street Journal The
final volume in the definitive biography
of America's greatest first lady.
"Monumental and inspirational...Cook
skillfully narrates the epic history of the
war years... [a] grand biography." -- The
New York Times Book Review Historians,
politicians, critics, and readers
everywhere have praised Blanche
Wiesen Cook's biography of Eleanor
Roosevelt as the essential portrait of a
woman who towers over the twentieth
century. The third and final volume takes
us through World War II, FDR's death,
the founding of the UN, and Eleanor
Roosevelt's death in 1962. It follows the
arc of war and the evolution of a
marriage, as the first lady realized the

cost of maintaining her principles even as the country and her husband were not prepared to adopt them. Eleanor Roosevelt continued to struggle for her core issues—economic security, New Deal reforms, racial equality, and rescue—when they were sidelined by FDR while he marshaled the country through war. The chasm between Eleanor and Franklin grew, and the strains on their relationship were as political as they were personal. She also had to negotiate the fractures in the close circle of influential women around her at Val-Kill, but through it she gained confidence in her own vision, even when forced to amend her agenda when her beliefs clashed with government policies on such issues as neutrality, refugees, and eventually the threat of

communism. These years—the war years—made Eleanor Roosevelt the woman she became: leader, visionary, guiding light. FDR’s death in 1945 changed her world, but she was far from finished, returning to the spotlight as a crucial player in the founding of the United Nations. This is a sympathetic but unblinking portrait of a marriage and of a woman whose passion and commitment has inspired generations of Americans to seek a decent future for all people. Modest and self-deprecating, a moral force in a turbulent world, Eleanor Roosevelt was unique.

An Extraordinary Marriage Avisson PressInc

Winner of the Pulitzer Prize No Ordinary Time is a monumental work, a brilliantly conceived chronicle of one of the most

vibrant and revolutionary periods in the history of the United States. With an extraordinary collection of details, Goodwin masterfully weaves together a striking number of story lines—Eleanor and Franklin's marriage and remarkable partnership, Eleanor's life as First Lady, and FDR's White House and its impact on America as well as on a world at war. Goodwin effectively melds these details and stories into an unforgettable and intimate portrait of Eleanor and Franklin Roosevelt and of the time during which a new, modern America was born.

Her Impact on the Civil Rights Movement, the White House, and the World Da Capo Press

For a long time, the main role of First Ladies was to act as hostesses of the White House...until Eleanor Roosevelt.

Born in 1884, Eleanor was not satisfied to just be a glorified hostess for her husband, President Franklin Delano Roosevelt. Eleanor had a voice, and she used it to speak up against poverty and racism. She had experience and knowledge of many issues, and fought for laws to help the less fortunate. She had passion, energy, and a way of speaking that made people listen, and she used these gifts to campaign for her husband and get him elected president—four times! A fascinating historical figure in her own right, Eleanor Roosevelt changed the role of First Lady forever.

Eleanor Roosevelt: In Her Words
Hachette UK

Full-length illustrated biography of Elliott Roosevelt (1860-1894), brother to President Theodore Roosevelt and father

to First Lady Eleanor Roosevelt, with extensive background information on the ancestors and extended family of Theodore and Elliott and the relationship between Elliott and the young Eleanor, who was left an orphan at age 10 when her father died at age 34. The book charts Elliott's happy early years growing up in one of the foremost and most respected families in New York City, through his late teens and early twenties as he traveled extensively through the still-wild American West, Europe, the Middle East and South Asia, his marriage to Anna Hall and their early years together as favorites among New York City society, the birth of his children, and then his precipitous decline into severe alcoholism and depression, estrangement from his family, attempts

at recovery, and final tragic days following the death of first his wife, then his youngest son, and the collapse of his promising business enterprise, leading him to suicidal despair--but all the while, somehow, remaining a loving (and loved) father to Eleanor.

Franklin & Eleanor Roosevelt: The Home Front in World War II Cherry Lake

This illustrated, first of its kind collection of excerpts from Eleanor Roosevelt's newspaper columns, radio talks, speeches, and correspondence speaks directly to the challenges we face today. Acclaimed for her roles in politics and diplomacy, first lady Eleanor Roosevelt was also a prolific author, journalist, lecturer, broadcaster, educator, and public personality. Using excerpts from her books, columns, articles, press

conferences, speeches, radio talks, and correspondence, *Eleanor Roosevelt: In Her Words* tracks her contributions from the 1920s, when she entered journalism and public life; through the White House years, when she campaigned for racial justice, the labor movement, and "the forgotten woman;" to the postwar era, when she served at the United Nations and shaped the Universal Declaration of Human Rights. Selections touch on Roosevelt's early entries in women's magazines ("Ten Rules for Success in Marriage"), her insights on women in politics ("Women Must Learn to Play the Game As Men Do"), her commentary on World War II ("What We Are Fighting For"), her work for civil rights ("The Four Equalities"), her clash with Soviet delegates at the UN ("These Same Old

Stale Charges"), and her advice literature ("If You Ask Me"). Surprises include her unique preparation for leadership, the skill with which she defied critics and grasped authority, her competitive stance as a professional, and the force of her political messages to modern readers. Scorning the "America First" mindset, Eleanor Roosevelt underlined the interdependence of people and of nations. *Eleanor Roosevelt: In Her Words* illuminates her achievement as a champion of civil rights, human rights, and democratic ideals.

Eleanor Roosevelt W. W. Norton

Mrs. R Houghton Mifflin Harcourt Illuminates Eleanor Roosevelt's multifaceted life, career, and relationships.

[A Scrapbook Look at Eleanor Roosevelt's Remarkable Life](#) Simon and Schuster

A candid and insightful look at an era and a life through the eyes of one of the most remarkable Americans of the twentieth century, First Lady and humanitarian Eleanor Roosevelt. The daughter of one of New York's most influential families, niece of Theodore Roosevelt, and wife of President Franklin Delano Roosevelt, Eleanor Roosevelt witnessed some of the most remarkable

decades in modern history, as America transitioned from the Gilded Age, the Progressive Era, and the Depression to World War II and the Cold War. A champion of the downtrodden, Eleanor drew on her experience and used her role as First Lady to help those in need. Intimately involved in her husband's political life, from the governorship of New York to the White House, Eleanor would eventually become a powerful force of her own, heading women's organizations and youth movements, and battling for consumer rights, civil rights, and improved housing. In the years after FDR's death, this inspiring, controversial, and outspoken leader would become a U.N. Delegate, chairman of the Commission on Human Rights, a newspaper columnist,

Democratic party activist, world-traveler, and diplomat devoted to the ideas of liberty and human rights. This single volume biography brings her into focus through her own words, illuminating the vanished world she grew up, her life with her political husband, and the post-war years when she worked to broaden cooperation and understanding at home and abroad. The Autobiography of Eleanor Roosevelt includes 16 pages of black-and-white photos.

A Life of Discovery Penguin
