HowWhy We Argue (And
How We Should): A Guide
to Political Disagreement
in an Age of Unreason
presents an accessible

and engaging introduction
to the theory of argument,
with special emphasis on
the way argument works
in public political debate.
The authors develop a
view according to which
proper argument is
necessary for one's
individual cognitive
health; this insight is then
expanded to the collective
health of one's
society.Amazon.com: Why
