Chapter 1 4 Final. Tracking the Macroeconomy Economic Statistics and Economic Activity

The National Income and Product Accounts [NIPA] reported by the U.S. Commerce Department's Bureau of Economic Analysis, are the fundamental data of macroeconomics. Whenever you work for someone and get paid, that is economic activity. Whenever you

Lecture Notes: Chapter 1: Introduction to Macroeconomics

Principles of Economics covers scope and sequence requirements for a two-semester introductory economics course. The authors take a balanced approach to micro- and macroeconomics, to both Keynesian and classical views, and to the theory and application of economics concepts. The text also includes many current examples, which are handled in a politically equitable way.
