Church Administration and Finance Manual

Wipf and Stock Publishers

The Pastor's Handbook (NIV) is intended to meet the continuing need of the Christian minister for guidance and forms as he does the work of the ministry. It seeks to offer options to suit the tastes of the pastor and congregation within the parameters of quality, beauty and dignity. To this end, numerous changes, both large and small, have been made—more selected Scriptures, new alternatives for special occasions, some significant additions and changes. At the same time, every effort has been made to keep the book concise and compact to maximize its usefulness. The formulas should be sufficient for the ordinary needs of the minister. They may be modified or supplemented by materials from the pastor's private collection or his own preparation. Some who stress liberty in prayer and preaching dislike set forms, preferring spontaneity and a free style as they worship. If the spiritual vitality of a church is maintained there need be no fear that these forms will become lifeless rituals. The use of forms should never become merely formal. And if the use of forms adds beauty and dignity to the atmosphere of sacredness, who can object? May the blessing of God attend all who glean from this manual, enabling it them to know what to say and how to say it. This is made also for allowing them to know what to do and how to do it especially as the occasion requires. Gratitude is expressed to many pastors and contributors for this volume. Includes the: worship service, baptism,

communion, funerals, anointing services, healing services, membership, installation, baby and child dedication, consecration services, ceremonies for buildings and visitation.

Many have pontificated about church growth, telling church planters and pastors how to increase the number of attendees and members. Most have spoken authentically from inspiring experiences, and what they've recommended has worked . . . at least for some. But what about advice on how to reduce those numbers, how to empty those pews? This "manual" provides just that, and its suggestions don't emanate from an ivory tower; they, too, are based on real-life experiences. The insights and guidelines of *How to Empty a Church* may be expressed tongue-in-cheek, but they're not fictional; they reflect the history of an actual congregation. Fasten your seatbelt; it's going to be a bumpy--but worthwhile--ride!

Great results have already been seen from individuals who respect God's Word and value what it can bring to the Board room as well as to the church service. You will not be sorry you invested in this training for you and your ministry team. Rev. Lloyd Tremain, Paradise Community Church of the Nazarene A thorough, practical and much needed Biblically sound treatment. Wish it had been available 20 years ago when I could have use it to a great positive effect Dan Wilderman, Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today.

John Steffensen, Radio Host, Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry. I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore, or church maintenance, or the myriad other duties needed to keep a church going. The result was that the church stayed the same size. Some leave; others enter. But no growth was apparent despite the considerable preaching talents of the pastor. God is apparently making sure he has only the amount of people that he can handle. We learn that the ancient church had some of the same challenges we face today. Acts 6:14 says, Now in those days, when the number of the disciples was multiplying, there arose a complaint against the Hebrews by the Hellenists, because their widows were neglected in the daily distribution. Then the twelve summoned the multitude of the disciples and said, It is not desirable that we should leave the word of God and serve tables. (Read this as doing manual labor.) Therefore, brethren, seek out from among you seven men of good reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business; (the manual labor) but we will give ourselves continually to prayer and to the ministry of the word. It was even bringing strife to the local body. What did they do? And what was the result? The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties (the manual labor). This freed up the apostles so they could minister the Word of God. Wow, God's way is so simple, and our

grandiose plans just waste time and get nothing done. Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church. This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them.

The Manual of Inter-church Work Xulon Press

Excerpt from A Manual of the United Presbyterian Church of North America, 1751-1887 Very Christian should be in sympathy with his church, and so imbued with its spirit that he can feel at home in its work and its worship. Then, and only then, can he enjoy that restful feeling which springs from confidence and love. But to obtain this he must know its history and its mission, its faith and its spirit, its work and its workers, and become so identified with it in all its parts as to enjoy the pleasures of its memories and of its hopes. The United Presbyterian Church of North America did not head at a single fountain. Several springs united their tiny rills at different times to form its stream. It is the result of several unions, and its antecedents are therefore more numerous and fragmentary than that of most churches. This has thrown a veil of obscurity over much of its past history, for while one of its constituent parts was alien to the others, they would take but little interest in each other's history and ministry. The

time as well as the occasion for such ignorance is now happily past. Twenty-three years of peaceful union and healthful growth has so unified and consolidated the church that her sons and daughters should feel a kindly family interest in all her ancestral branches. Children's children are the crown of old men; and the glory of children are their fathers. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. The four gospels - Matthew, Mark, Luke, and John - present Jesus Christ, God Himself, breaking into human history....

The story of Jesus and the early church

should not end. Jesus Christ laid the foundation for the church through His life, death, and resurrection as recorded in the four gospels.... The followers of Jesus Christ then continued His work by spreading the gospel through preaching and teaching and the planting of new churches.... To continue the work begun by Christ and His disciples, new church planting should be at the top of our list of priorities, as it was in theirs. From the Prologue
