TORRES ROCCO

Stay Where I Can See You
Penguin Group
A New York Times, USA
Today, and Wall Street
Journal Bestseller. One
word. Stay. It was all he
had to do. Instead, he got
on that bus and took my
heart with him. That was

seventeen years ago. I
moved on. Marriage. Kids.
White picket fence.
Everything I ever wanted,
but my husband betrayed
me and I was left once
again. Alone, penniless,
and with two boys, I had
no choice but to return to
Tennessee. He wasn't
supposed to be there. I
should've been safe.
However, fate has a way
of stepping in. This time

around, the tables are
turned. It's my decision.
Second chances do exist,
but I don't know if we can
repair what's already
been broken . . . Author's

The Road Candlewick Press

Hold on, baby. Daddy's got you...I was on the hunt for a devil the night an angel fell into my lap. Before she'd even told me her name, my obsession took hold, aroused by a craving for her flavor of sweetness. If I hadn't been undercover, I'd have thrown her over my shoulder and carried her far from that poisoned playground. One of many gilded mansions where the scotch is aged to perfection, and the girls are young and disposable. The devil I'm tracking is closing in. I'm determined

to catch him, but until my cuffs are on his wrists, I'm keeping my angel close to me. In my arms and in my bed where I can protect her. Where I can be the man she craves. And the Daddy she needs. Brace yourself for one wild ride. Book two in the Daddy Loves You Series from Margot Scott is a standalone romantic suspense novel, bursting at the seams with filthy age-gap instalove. Absolutely NO cheating or cliffhangers, and a guaranteed HEA! Content warning: This book

contains scenes and descriptions of violence, rough Daddy play, as well as discussions of past abuse. Reader discretion is advised.

A Memoir Candlewick Press

Does good fortune always change things for the better? The Kaplan family has just won 10 million dollars in the lottery. But haven't they always been lucky? Gwen thought so. She's carefully curated a perfect suburban existence with a loving husband and two children. For over a decade, she's

been a stay-at-home mom, devoted to giving her kids the quiet, protected adolescence she didn't have. But the surprise windfall suddenly upends the family, allowing them all to dream a little bigger and catapulting them back to the city that Gwen fled years ago. As the Kaplans navigate the notoriety that the lottery brings and try to adjust to their new lives in the upper class—Seth launches a dubious start-up, Maddie falls headfirst in love at her elite prep school—a

tightly held secret is unlocked. Along with the truth come long-buried memories from Gwen's troubled youth, forcing her to confront her painful past and threatening to unravel the incredibly tight bond between her and Maddie. Her meticulously constructed identity as the good wife and mother begins to crack. And when their changed circumstances place her family under threat, Gwen must wake up from her domestic slumber. For readers of Meg Wolitzer, Liane

Moriarty and Zoe Whittall, Katrina Onstad's new novel explores whether our most intimate relationships can survive our most unforgivable actions. *Stay Where I Can See You* is a penetrating story about the pendulum swing of fortune, the ferocity of mother-daughter devotion and the stories we tell—and withhold—because of love.

Simple Steps to Better Your Body and Improve Your Mind Simon and Schuster

Printz Award-winning author Meg Rosoff's latest novel is a gorgeous and unforgettable page-turner about the relationship between parents and children, love and loss. Mila has an exceptional talent for reading a room—sensing hidden facts and unspoken emotions from clues that others overlook. So when her father's best friend, Matthew, goes missing from his upstate New York home, Mila and her beloved father travel from London to find him. She collects information about

Matthew from his belongings, from his wife and baby, from the dog he left behind and from the ghosts of his past—slowly piecing together the story everyone else has missed. But just when she's closest to solving the mystery, a shocking betrayal calls into question her trust in the one person she thought she could read best.

Say You'll Stay
HarperCollins

From the author of the phenomenally bestselling *The Boy in the Striped*

Pajamas comes an unforgettable story of a boy's life changed by war, published to coincide with World War One's centenary. The day the First World War broke out, Alfie Summerfield's father promised he wouldn't go away to fight -- but he broke that promise the following day. Four years later, Alfie doesn't know where his father might be, other than that he's away on a special, secret mission. Then, while shining shoes at King's Cross Station, Alfie unexpectedly sees his

father's name -- on a sheaf of papers belonging to a military doctor. Bewildered and confused, Alfie realises his father is in a hospital close by -- a hospital treating soldiers with an unusual condition. Alfie is determined to rescue his father from this strange, unnerving place...

The Notebook Andrews McMeel Publishing
The first book in the Beautifully Broken series. Twenty-four-year-old Pax Tate is not always a nice guy. He's a tattooed, rock-hard bad boy with a bad

attitude to match. But he's got his reasons. His mother died when Pax was seven, leaving a hole in his heart filled with guilt. As Pax grew up, he tried to be the perfect golden boy but his dad couldn't overcome his grief long enough to notice. Pax couldn't keep up the impossible perfect façade, so he slipped far, far from it. Now, he uses drugs and women to cope with the ugly, black void in his heart. Until he meets sweet, beautiful Mila Hill. Mila is a carefree smile to his hardened

frown, the beauty to his beast. When memories of his mother's death resurface, Mila is there to help him mend his broken heart . . . but only if he can stop being a jerk long enough to allow it. Pax says he's working on it. But is that enough to make her stay?

[A Step-by-Step Guide to Help You Decide Whether to Stay In or Get Out of Your Relationship](#) Pearson UK

Jerome is staying with his Aunt Geneva and her family, now that his mother has passed away.

Aunt Geneva does her best to make Jerome feel welcome, but it just doesn't feel like home. He misses his mother, he misses his piano, and his cousins make it clear they're not happy about the new living arrangements. Then Jerome meets Mr. Willie, who lives in a ramshackle carriage house nearby. Mr. Willie isn't like other people in Jerome's life: he doesn't ask a lot of questions; he just listens. He played the piano as a boy, just like Jerome. Maybe Jerome can find a

home again with Mr. Willie. But when the carriage house is slated for demolition, Mr. Willie disappears. Jerome wonders where his friend will stay, and whether he will ever find a place to call home in this Society of School Librarians International Honor Book. *Stories Inspired by Items from the First World War* Penguin
When Crow, a seventeen-year-old loner, rescues a troubled young girl from the ocean, his jealously guarded solitary existence is threatened by his first

awakening to love.

In the spirit of her
bestselling series, *Pillow
Thoughts*, Courtney

Peppernell returns with a
new, empowering
collection of poetry and
prose. From heartbreak to
dreaming of and finding a
new love to healing the
heart to ultimately finding
peace, the themes in this
book are universal but
also uniquely individual to
readers. Just as moving
and endearing as
Peppernell's previous
books, *I Hope You Stay* is

a reminder of the
resilience and hope
needed after heartache
and pain. The book is
divided into five sections,
with poems ranging from
free verse to short form.
These words are a light in
the deepest hours of the
night: Hold on. The sun is
coming.

And We Stay Cartwheel
Books

From the bestselling
author of *A Ladder to the
Sky*—"a darkly funny
novel that races like a
beating heart"
(*People*)—comes a new
novel that plays out

across all of human history: a story as precise as it is unlimited. This story starts with a family. For now, it is a father and a mother with two sons, one with his father's violence in his blood, one with his mother's artistry. One leaves. One stays. They will be joined by others whose deeds will determine their fate. It is a beginning. Their stories will intertwine and evolve over the course of two thousand years. They will meet again and again at different times and in different places. From

Palestine at the dawn of the first millennium and journeying across fifty countries to a life among the stars in the third, the world will change around them, but their destinies remain the same. It must play out as foretold. From the award-winning author of *The Heart's Invisible Furies* comes *A Traveler at the Gates of Wisdom*, an epic tale of humanity. The story of all of us, stretching across two millennia. Imaginative, unique, heartbreaking, this is John Boyne at his most creative and

compelling.

The Outsiders Hodder & Stoughton

HOW TO STAY TOGETHER: WHETHER YOU WANT TO OR NOT The richness of our lives is determined by the quality of our relationships. HOW TO STAY TOGETHER: WHETHER YOU WANT TO OR NOT is the ultimate relationship guide for all couples who want a thriving relationship that will endure the test of time. This book offers a wealth of practical and simple guidance to help navigate through life's

many challenges as a couple and sustain lasting and fulfilling intimacy. From courtship through the stages of mature love, this book gives clear and concise direction to help the reader grow through intimacy towards the next phase of maturity in a long-term relationship. Ambivalence is a normal part of all human relationships, and we can move forward by learning to accept it instead of running away. If you want to learn a lifetime of relationship wisdom in just a few hours, read and

apply the principles of this book to your relationship and your life. You will learn how to stay and evolve to your fullest potential through your relationship, instead of repeating cycles of self-defeating behavior. A loving relationship is by far one of the most rewarding fruits of a life well-lived. Give yourself the opportunity to learn to love, whether you want to or not. It is the most important thing you will ever do.

Stay Where I Can See You
 Harper Collins

When her father dies, Kay
 Wilkinson can't cry. Over
 ten years, Alzheimer's had
 steadily eroded this
 erudite man into a
 paranoid lunatic. Surely
 one's own father passing
 should never come as
 such a relief. Both medical
 professionals, Kay and her

husband Cyril have seen
 too many elderly patients
 in similar states of decay.
 Although healthy and vital
 in their early fifties, the
 couple fears what may lie
 ahead. Determined to die
 with dignity, Cyril makes a
 modest proposal. To spare
 themselves and their
 loved ones such a
 humiliating and
 protracted decline, they
 should agree to commit
 suicide together once
 they've both turned
 eighty. When their deal is
 sealed, the spouses are
 blithely looking forward to
 another three decades

together. But then they
 turn eighty. By turns
 hilarious and touching,
 playful and grave, *Should
 We Stay or Should We Go*
 portrays twelve parallel
 universes, each exploring
 a possible future for Kay
 and Cyril. Were they to
 cut life artificially short,
 what would they miss out
 on? Something terrific? Or
 something terrible? Might
 they end up in a home? A
 fabulous luxury
 retirement village, or a
 Cuckoo's Nest sort of
 home? Might being
 demented end up being
 rather fun? What future

for humanity awaits--the end of civilization, or a Valhalla of peace and prosperity? What if cryogenics were really to work? What if scientists finally cure aging? Both timely and timeless, Lionel Shriver addresses serious themes--the compromises of longevity, the challenge of living a long life and still going out in style--with an uncannily light touch. Weaving in a host of contemporary issues, from Brexit and mass migration to the coronavirus, Shriver has pulled off a rollicking

page-turner in which we never have to mourn perished characters, because they'll be alive and kicking in the very next chapter.

Harrow Houghton Mifflin Harcourt

In conversational language, Robert H. Spain presents specific advice for Christians who want to live as God would have them live, and offers suggestions on how to find meaning in life, handle life's detours, manage loneliness, and achieve genuine happiness.

HOW TO STAY TOGETHER
Lulu.com

New York Times and #1 ebook bestselling author Alexa Riley returns with *Stay Close*, the first novella in a brand-new series spinning off from the bestselling *For Her* books. A former Russian mafia soldier is hired to protect a friend's young daughter, but he knows he'll do more than keep her safe—he'll make her his. Forever. If she were to simply whisper my name, I would be at her feet, begging to touch what I shouldn't, taste

what doesn't belong to me, run my hands along the sweet innocence she taunts me with. Penelope Justice is eighteen, old enough to graduate high school but—according to her parents—not old enough to live without 24/7 security. Practice has made her an expert at ditching her bodyguards. One look at Ivan and she never wants to run again. I've been hired to protect her. I can't help but think that perhaps someone

should have protected her from me. Ivan steals the breath right out of her lungs, something no boy has ever done. Then again, he's far from a boy. This man, this man who looks like he could kill someone with the flick of a wrist, is everything. He is her future. I can't let her go and I won't give her up. I've done bad things in my life, and I don't deserve her. But I can't do the honorable thing. I've never been noble, and I'm not starting

now. This book is approximately 23,000 words One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise!

Stay Penguin

A field mouse finds himself in the Field Museum when the roof of his former home is transported there with the rest of the bones of a dinosaur named Sue.
