Univ Council on East Asian The Kabbalah has long languished in darkness, unknown outside the confines of Jewish Mysticism and the communities who practiced it. But today, the Kabbalah is well-known but often misunderstood. The story of Kabbalah is as old as Judaism itself, with many of the ideas present in the Hebrew Scriptures interpreted in the canon of Kabbalah. Applying Jewish

theological premises and Neo-Platonist cosmology, the Kabbalists created a systematic interpretation of familiar Creation Narrative in the Book of Genesis, which today illuminates and serves Judaism. At the same time, Kabbalistic concepts have entered mainstream consciousness with great interest expressed in mainstream Christianity and even in modern science.

Entangled: Amara
It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away

her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-

to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of

Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys'

killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to

yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman

This prodigiously diverse and living culture has for its spiritual source a single traditional vision central to which is the

fact that the world belongs not to the living, but to the ancestors. In Vanuatu art we have the construction of canoes and of standing slit-drums, the inventiveness apparent in the masks and mats, the aesthetics of dress, the raising of tusker pigs, the sharing out of sea-turtle meat, the symbol of the hawk representing the outward sign of the possession of the world through the eyes of the departed. This Regency romance novella was originally published in the USA Today Bestselling Winter Wishes Anthology. Although this book can easily be read as a stand-alone, most readers prefer to read the series in order, which includes: Romancing the Rogue, Book 1 A Rogue's Reputation, Book 2 A Rogue No More, Book 3 A Rogue to the Rescue, Book 4 A Rogue and Some

Mistletoe, Book 5 To Dare A Rogue, Book 6 A Rogue Meets His Match, Book 7 The Gentle Weapon A&C Black. The collection presents the proceedings of the international colloquium held in Sankt Augustin in 1997 and additional materials. The articles are written in English, German or Chinese (with English abstracts). The volume includes a general index with glossary.

Vietnamese Society in Transition Becca Jameson Publishing In this bilingual publication, (English and French), academics from various disciplines and countries -- including Vietnam -- have been brought together to discuss agricultural engineering, economic development, religion, education, and gender in colonial and post-colonial Vietnam. Most of them are taking an insiders' position. The emphasis of the book lies on the postwar societal and cultural transformations in the country. A better understanding of new social and cultural ways in contemporary Vietnam entails excursions into the past and sound comparison. For the first time in the history of Vietnamese studies chapters are devoted to the position of women in colonial and post-colonial settings and on the legitimacy of state intervention in women's bodies under different regimes on the one hand and on religion and religious revival on the other. What makes this book special is the way the authors, stemming from such heterogeneous domains, provide an in-depth analysis of the development of this modern socialist state.

Their approach and analysis of Vietnamese society can only be called unparalleled.

Miss Julia Delivers the Goods

HarperCollins MfM ménage romance from USA Today bestselling author Julia Sykes Two darkly domineering alpha males. They say I don't have to choose. They both want me. Together. The three of us. I was meant to be theirs: Joseph, my sweet first love, and Marco, his

sternly intimidating best friend. I know they're dangerous men, but being with them doesn't feel wrong. When they hold me in their arms, I feel safe, cherished. I'm still their captive, but I'm no longer certain if I want to be free of them. They swear they only kidnapped me for my own protection, and after a terrifying attack by one of their enemies, I'm starting to believe them.

If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm?

The most beautiful, fascinating woman he's ever seen has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley seems to think Spencer is some by-the-book, nice guy. Probably because of the badge. And if she wants him to be the hero, that's a role that he's happy to play

for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh—um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No one is going to threaten her. Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. Fake snow, a parade of wild elves, and a
