THE definitive book for food safety training and certification. With its comprehensive coverage of key food safety concepts, the ServSafe® Coursebook will completely prepare readers for the ServSafe Food Protection Manager Certification Exam, and, more importantly, it will promote adherence to food safety practices in the workplace. It is the ideal solution for the academic setting, multiple-day training, or individuals in need of more extensive food safety training. Food safety has never been more important to the restaurant industry and its customers. Based on the 2013 FDA Food Code, the ServSafe Coursebook focuses on the preventative measures to keep food safe. The content in the ServSafe Coursebook goes beyond the principles found in the ServSafe Manager Book and adds greater depth and breadth of food safety practices by featuring expanded sections on food defense, high-risk populations, active managerial control, and crisis management. Food safety topics are presented in a user-friendly, practical way with real-world case studies and stories to help readers understand the day-to-day importance of food safety. Developed by the industry, for the industry, ServSafe® is a proven way to minimize risk and maximize protection for foodservice owners, employees, and customers. Recognized as the industry standard, ServSafe offers a complete suite of printed and online products and is the most important ingredient to food safety training and certification success. MyServSafeLab(tm) with eText for the ServSafe Coursebook is a total learning package. MyServSafeLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams-resulting in better performance in the course-and provides educators a dynamic set of tools for gauging individual and class progress. The ServSafe Coursebook 6th Edition is available packaged in a number of ways to suit your specific needs. ISBN: 0133962733 is a package containing the book, the answer sheet for the pencil/paper version of the ServSafe Food Protection Manager exam, AND MyServSafeLab with Pearson eText Access Card: ServSafe Coursebook with Answer Sheet, Revised Plus NEW MyServSafeLab with Pearson eText -- Access Card Package, 6/e. *The Food Safety Information Handbook* Prentice Hall

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Hospitality is a people industry, and this textbook will teach readers how to manage the important human resources who provide services within a hospitality operation. They'll learn how to fulfill the requirements of U.S. employment and workplace laws, and discover the latest strategies for attracting employees, minimizing turnover, and maximizing productivity. Topics include: The impact of the post-recession economy on recruiting, selection, retention, and turnover How companies use social media to learn about job applicants The role of technology in performance appraisals The latest trends in effective incentive programs and industry benefits The changing face of unions and new trends in organizing and collective bargaining Social responsibility and sustainability measures, including what companies are doing (and not doing) right

*Microbial Food Safety* Pearson

Includes detachable examination answer sheet in front of book.

*Servsafe Exam Answer Sheet* Pearson Higher Ed

In today's highly-competitive hospitality market, it is essential to have an understanding of sales and marketing. Hospitality Sales and Marketing goes beyond theory to focus on a customer-oriented and

practical approach for effectively marketing hotels and restaurants. The book explores the "four Ps" (price, product, promotion, and place) as they relate to specific market segments, providing a customer-focused perspective. Illustrations and exhibits include industry examples (forms, checklists, advertisements, etc.) that are used by today's industry leaders to effectively market their properties.

**ServSafe ManagerBook with Online Exam Voucher** Prentice Hall

This interdisciplinary textbook provides the reader with vital information and comprehensive coverage of foodborne microbial pathogens of potential risk to human consumers. It includes human pathogens and toxins originating from plants, fungi and animal products and considers their origin, risk, prevention and control. From the perspectives of microorganisms and humans, the authors incorporate concepts from the social and economic sciences as well as microbiology, providing synergies to learn about complex food systems as a whole, and each stage that can present an opportunity to reduce risk of microbial contamination. *Microbial Food Safety: A Food Systems Approach* explains concepts through a food supply network model to show the interactions between how humans move food through the global food system and the impacts on microorganisms and risk levels of microbial food safety. Written by authors renowned in the field and with extensive teaching experience, this book is essential reading for upper-level undergraduate and postgraduate students of food microbiology, food safety and food science, in addition to professionals working in these areas.

Servsafe Coursebook Pearson

Professional foodservice managers are faced with a wide array of challenges on a daily basis. Controlling costs, setting budgets, and pricing goods are essential for success in any hospitality or culinary business. Food and Beverage Cost Control provides the tools required to maintain sales and cost histories, develop systems for monitoring current activities, and forecast future costs. This detailed yet reader-friendly guide helps students and professionals alike understand and apply practical techniques to effectively manage food and beverage costs. Now in its seventh edition, this extensively revised and updated book examines the entire cycle of cost control, including purchasing, production, sales analysis, product costing, food cost formulas, and much more. Each chapter presents complex ideas in a clear, easy-to-understand style. Micro-case studies present students with real-world scenarios and problems, while step-by-step numerical examples highlight the arithmetic necessary to understand cost control-related concepts. Covering everything from food sanitation to service methods, this practical guide helps readers enhance their knowledge of the hospitality management industry and increase their professional self-confidence.

**Foundations of Sport and Exercise Psychology** Pearson College Division

Cognition: Theory and Practice provides the link between theory, experimental findings, and ordinary human activity, showing students how the field of cognitive psychology relates to their everyday lives. Engagingly written, the book captivates students by explaining common experiences such as why answering a cell phone while driving is as dangerous as closing your eyes for a half-second, but talking with your passenger for a minute can be perfectly safe. Research coverage draws heavily on the rapidly accumulating discoveries of human neuroscience and brain imaging.

*Culinary Fundamentals with Study Guide* CABI

Balancing conceptual and applied coverage of all aspects of the management and operation of services, Service Management has maintained the position as market leader through five previous editions. It is the most comprehensive and widely used introduction to service operations on the market, written by one of the top authorities on the subject, and it is designed to develop students' skills in both strategic and operational issues pertaining to services. New material on Professional Service Firms highlights IBM's initiative to establish a Service Science, Management, and Engineering discipline. The Sixth Edition also offers the latest information on Six-Sigma and RFID, as well as recent developments in other important industry topics. Text coverage spans both qualitative and quantitative aspects of service management and offers flexibility in courses, offering varying approaches to the study of service operations. The ancillary package includes student CD-ROM and Website that includes self-test quizzes, video clips, ServiceModel Software, and the Mortgage Service Game.

Managing Hospitality Human Resources (AHLEI) Pearson Higher Ed

Outbreaks of E. Coli and Salmonella from eating tainted meat or chicken and Mad Cow Disease have consumers and the media focused on food safety-related topics. This handbook aimed at students as well as consumers is an excellent starting point for locating both print and electronic resources with timely information about food safety issues, organizations and associations, and careers in the field.

*Hospitality Sales and Marketing* Macmillan

Catering Management, Third Edition gives detailed advice on all the crucial business aspects of on- and off-premise catering. The Third Edition features special new material on non-hotel catering operations—such as small business management and running your own catering operation. It presents fresh information on menu design and pricing, complete with illustrative menu examples and tips for using software tools to create enticing menus.
