Schwartz, is a theory in the field of intercultural research. The author considers the theory as an essential extension of previous approaches to comparative intercultural research theories, such as the Hofstede's cultural dimensions theory, and has been extensively applied in cross-cultural

studies of individual values. The Theory of Basic Human Values tries to measure Universal Values that are recognised throughout all major cultures. Sc Theory of Basic Human Values - Wikipedia Introduction to the Values Theory When we think of our values, we think of what is important to us in our lives (e.g., security, independence, wisdom, success, kindness, pleasure).
