When all signs
point to
heartbreak,
can love still*

be a rule of
the road? A
“touching
father-
daughter
story” (Kirkus
Reviews) from
the author of
Bittersweet
and Twenty
Boy Summer.
Jude has
learned a lot
from her older
sisters, but

the most
important
thing is this:
The Vargas
brothers are
notorious
heartbreakers.
She’s seen the
tears and
disasters that
dating a
Vargas boy
can cause,
and she swore
an oath—with

candles and a contract and everything—to never have anything to do with one. Now Jude is the only sister still living at home, and she’s spending the summer helping her ailing father restore his vintage motorcycle—which means hiring a mechanic to help out. Is it Jude’s fault he happens to be cute? And surprisingly sweet? And a Vargas? Jude tells herself it’s strictly bike business with Emilio.

Her sisters will never find out, and Jude can spot those flirty little Vargas tricks a mile away—no way would she fall for them. But Jude’s defenses are crumbling, and if history is destined to repeat itself, she’s speeding toward some serious heartbreak...unless her sisters were wrong? Jude may have taken an oath, but she’s beginning to think that when it comes to love, some promises

might be worth breaking. *If You Stay Harlequin USA Today Bestseller!* To wake the beast inside him... Saber fears he will never fully recover from his debilitating injury, and if he cannot protect his Amate, he knows he doesn’t deserve her. She should choose a warrior, not a cripple who will need her constant help, so Saber does everything in his power to push away the delicate

human he has fallen in love with. Taylor Sampson may be human, but that doesn't make her weak. She and her sisters survived four years on Earth's violent streets after the Alliance made first contact. She was a teenager then, but she is all grown up now, and she has her eye on the Trivator who captured her heart seven years ago. Taylor has one last assignment on another planet in order to complete her

schooling. Once she finishes, she plans to show Saber that he is the man she wants, stubbornness and all, but when civil war erupts, she is trapped behind enemy lines. It isn't long before Saber discovers that Taylor has been left behind, and suddenly there's no room in his life for pity—not for himself or anyone who gets in his way. A NY Times and USA Today bestselling author, the

internationally acclaimed S.E. Smith presents a new story with her signature humor and unpredictable twists! Exciting adventure, hot romance, and iconic characters have won her a legion of fans. Highland laird ready to kill for king and country... When Torin McLeren discovers his neighbor's plot against his king, he takes their daughter as his prisoner, thereby stopping her father's plot from going forward. But that leaves him with a woman under his roof whom he can't ignore, and not just because she's his enemy's daughter... A woman who's as much trouble as she is

temptation... Shannon McBoyd decides to use her captor to experience passion for the first time, and then to destroy him. But her plan goes awry because once she has lured Torin into her bed, she no longer wants to hurt the one man who seems to value and understand her... Even if her father will kill him—and her—when he discovers what they've done... "Deeply romantic, scintillating,

The "deliciously intense" (USA TODAY) New York Times bestselling

phenomenon follows a good girl drawn to a very bad boy... The new Abby Abernathy is a good girl. She doesn't drink or swear and has the appropriate number of cardigans in her wardrobe. With the darkness of her past behind her, she believes her freshman year at college is the start of a new beginning. But then she meets Travis Maddox. Lean, cut, and covered in tattoos, Eastern

University's Walking One-Night Stand is exactly what Abby needs to avoid. Intrigued by her resistance to his appeal, Travis tricks her with a simple bet. If he loses, he must remain abstinent for a month. If Abby loses, she must live in his apartment for the same amount of time. Either way, Travis has no idea that he has met his match in this "beautifully sexy, beautifully intense, and beautifully

perfect" (Jessica Park, New York Times bestselling author). The Shameless Hour Harper Collins KINGDOMS WILL RISE AND FALL FOR HER Cat Fisa isn't who she pretends to be. She's perfectly content living disguised as a soothsayer in a traveling circus, avoiding the destiny the Gods—and her dangerous family—have saddled her with. As far as she's concerned,

the magic humming within her blood can live and die with her. She won't be a pawn in anyone's game. But then she locks eyes with an ambitious warlord from the magic-deprived south and her illusion of safety is shattered forever. Griffin knows Cat is the Kingmaker—the woman who divines truth through lies—and he wants her to be a powerful weapon for his newly conquered	realm. Kidnapping her off the street is simple enough, but keeping her by his side is infuriatingly tough. Cat fights him at every turn, showing a ferocity of spirit that burns hot...and leaves him desperate for more. But can he ever hope to prove to his once-captive that he wants her there by his side as his equal, his companion...and maybe someday, his Queen? Discover	exciting bonus material, including maps, illustrations, and an expanded look at the world of Thalyria. Fans of Jennifer Armentrout, Scarlett St. Clair and Sarah J.
