Chronic Kidney Disease -  
 The Lancet Pandya Fluid  
 And  
 Electrolyte Pharmacologica  
 l basis • Ringer`s lactate  
 is the most physiological  
 fluid as the electrolyte  
 content is similar to that  
 of plasma . Larger  
 volumes can be infused  
 without the risk of  
 electrolyte imbalance •  
 Due to high Na ( 130mEq/L)  
 content RL rapidly expands  
 intravascular volume  
 effective in treatment of  
 hypovolemia • Sodium  
 lactate in RL ...IV FLUID  
 MANAGEMENT/ FLUID  
 THERAPY -  
 SlideShare Explanation:  
 The large amount of fluid  
 loss can cause fluid and  
 electrolyte imbalance that  
 should be corrected. The  
 loss of electrolytes would

be reflected in the vital  
 signs. Measuring the  
 urinary output is  
 important, but the stem  
 already says that the  
 client has polyuria, so  
 answer A is incorrect. ...

 Year Questions | Previous  
 Papers ...Have you had  
 any concerns about an  
 older person falling, or  
 being at risk for a broken  
 hip? A new clinical  
 research study relevant to  
 millions of older adults  
 was just featured in the  
 news. The study,  
 completed by a team of  
 geriatrics researchers at  
 Yale, found that in older  
 adults aged 70 or older,  
 taking blood pressure  
 medication was linked to  
 a higher risk of serious  
 falls. Blood Pressure  
 Medications Are a Risk for  
 Falls in Seniors List of  
 Recommendations Role of  
 the endocrinologist and

diabetes care specialist.  
 1.1 In patients aged 65  
 years and older with  
 newly diagnosed  
 diabetes, we advise that  
 an endocrinologist or  
 diabetes care specialist  
 should work with the  
 primary care provider, a  
 multidisciplinary team,  
 and the patient in the  
 development of  
 individualized diabetes  
 treatment  
 goals. Treatment of
